FROM THE PRINCIPAL

Dear Parents/Guardians,

The excitement of spring is here and we have had a great start to the second semester! Our students and teachers have been consistent and have shown strength in the classroom. Also, our spring sports and performing arts programs are in action and we are excited to see how our students will represent us all. Watching our students participate in the numerous clubs, performances, and games makes me extremely proud of these Trojans.

Providing top tier opportunities for our students is a priority. We believe this is accomplished through support, hard work, and relationships within and between our students, coaches, teachers, and staff. We constantly assess the function of our extracurricular opportunities and our course offerings. We want our students to have a great experience while being prepared for their future goals. In March, we will discuss course offerings for the upcoming year and we want to ensure our students have input into the selection of courses. Course request sheets will be distributed to students and they will meet individually with their current teachers to discuss a progression in each subject. Students will be able to access course descriptions for all courses online through the Lincoln Website after course registration forms are distributed. We encourage parents and students to review these descriptions and select courses which are both challenging and enjoyable.

Information about our spring assessments and what they represent for high school graduation has been distributed, but please do not hesitate to contact our guidance office with questions. In addition, the school calendar is updated with information about the games, performances, and assessments to be held at Lincoln during this semester. I appreciate the hard work and support of our parents, teachers, and staff in all we do and look forward to seeing what our students accomplish this semester.

Go Trojans!

LITERACY WEEK

LHS continued the tradition of door decorating and dress up days to celebrate Literacy Week: Believe in Yourself. This year we introduced two new events. "Story Slam" was held during lunch providing an opportunity for students to share their own creative writings with their peers and student athletes visited Apalachee Elementary School and read to K-5 students in our first ever "Athletes to Apalachee" event.

SUNSHINE STATE SCHOLAR

In January, Leon County School representatives had the pleasure of presenting Kaitlyn Boulos from Lincoln High School with the recognition of being named the LCS Sunshine State Scholar representative. This award is based on academic accomplishment in STEM subject areas, and she will represent our district in April at the state ceremony conducted by the Florida College and State University System.

BOYS WRESTLING

Lincoln Family,

Just an update on how your Lincoln Boys Wrestling team has done so far this season. As of today they have won 4 tournament Championships and had 2 Runner-up finishes. These include a District Duals Championship on 12/13 and an Elite 8 Finish at Duals State on 1/19 which is a Regional Runner-up Finish. Lastly I. Coach Crowder Reached 400 career Dual meet wins vs Valdosta on 1/6 . So it's been a great run so far with way more to come. Wish them well as we inch towards the post Season. Here is a social media post we made on Saturday.

These studs went to war this weekend at the State Duals 1/19 and the Stormfront duals 1/20. We were undermanned and under the weather but the battle waits for no man. Here's to an Elite 8 finish and a Regional runner up trophy. Keep grinding boys more is on your horizon if you maintain your great attitude and great effort.
