FROM THE PRINCIPAL

Dear Parents/Guardians,

I am so thankful to be a part of Lincoln High School. We have the best students, parents, faculty, and staff and it is reflected in the positive manner we started this school year. Since the first day of class, our teachers and students have focused on positive instruction and learning and I am excited to see what great successes this school year holds.

The Class of 2021 left their mark on the tradition of excellence at Lincoln. With over 450 graduates, this class earned over 6 million dollars of scholarships, outperformed the state and national average on the SAT and ACT, and over 80% of the class took at least one advanced course before their graduation! I am excited for these graduates as they begin the next chapter of their life and I can't wait to see how the Class of 2022 adds to these accomplishments!

In the first few weeks of school, Lincoln's administrative team and staff have encouraged students to get involved in the many opportunities available to them. Whether it is AP courses, dual enrollment courses, our fine arts program, vocational programs, or clubs offered on campus, we strive to provide a variety of options for our students. Although the standards and assessments will continue to change, we will continue to push our students academically while supporting them so they are prepared for a positive post-secondary experience. I know our students are willing and ready to take on the challenge!

I am thankful to be a part of such a special school and the support of all of our teachers, students, parents, and staff. Your involvement at Lincoln High School is critical and greatly appreciated. Please feel free to contact me if I can be of assistance to you or your student.

Go Trojans!

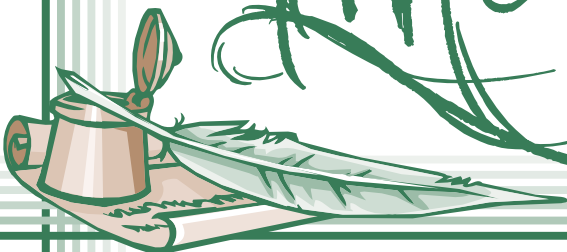

Allen Burch, *Principal*

Our Vision

The educational setting at Lincoln High School fosters flexible, comprehensive, and challenging academic and extra-curricular programs that maximize each student's potential. Lincoln graduates will be productive, contributing members of society who have a strong sense of personal responsibility, a sense of national citizenship, a life-long love of learning, and a respect for the diverse contributions of all.

MODERN ROCK ENSEMBLE!!!

Did you know that Lincoln High has a Rock Ensemble class? Do not let the name confuse you....This is NOT your traditional music class! This is a student-centered class that incorporates music of all styles: Rock, Pop, R&B, Jazz, and original compositions/arrangements. You **do not** need to read music because we will learn to read lead sheets, chord charts, and play by ear - just like the groups you listen to on the radio.

Within the first week of school, the Rock Ensemble class learned how to set-up the entire sound system, electric drums, synthesizers, synth-pads, and work the mixer board. In addition, the Rock Musicians have already learned songs by U2, Eagles, Steppenwolf, and New Found Glory. We will soon be learning songs by Green Day, Whitesnake, AC-DC, The Beatles, The Rolling Stones, and many more!

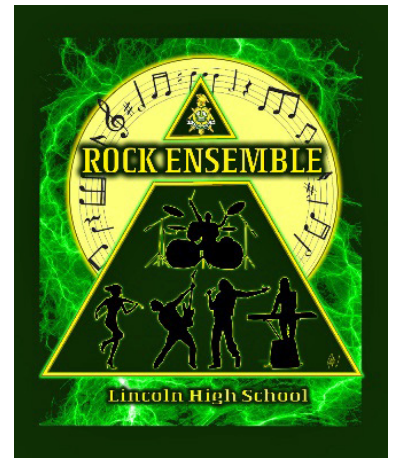

If you are curious about the Rock Ensemble and would like to learn more, stop on by room 325 before school or before lunch ends to speak with Dr. Knotts. Also keep your eyes peeled for signs around school inviting you to attend our "Rock Concerts @ Lunch" in 325. We hope to see YOU soon!!!

Upcoming concerts with the Rock Ensemble in the Lincoln HS Auditorium:

- Thursday, October 28 @ 7:00pm
 - Thursday, December 2 @ 7:00pm
 - Friday, December 3 @ 7:00pm*Tallahassee Winter Festival Parade*
 - Friday, April 22 @ 7:00pm
- * BIG Rock Concert **with Mark Wood** (founding electric violinist of the Trans-Siberian Orchestra)

If you are interested in participating in the "Modern Rock Ensemble" class next semester or academic year, but have questions or would like more information, you may contact Dr. Knotts at knottsc@leonschools.net. Students, you may also speak with Dr. Knotts before school in the Rock Ensemble/Orchestra Room (Rm. 325) and during lunch.

Sincerely,
Dr. Knotts

DRAMA

ITS - As Lincoln’s International Thespians Society, Troupe 0743, we’re very excited to attend Districts this year in Niceville Florida. Districts is a regional theatre competition where our students compete in front of judges in many different theatre-related events. The past 7 years we have consistently won superiors in these events, such as solo musicals, large musicals, and technical creatives. We’re working hard in our preparation for this year’s upcoming districts, giving everyone an opportunity to perform.

PTGW- The Lincoln Theatre department is proud to present our fall one-act play, The Play That Goes Wrong. As implied, this havoc-wreaking, hilarious play has nothing going good for it- everything that can go wrong does; the set falls, actors fight for the spotlight on stage, and actors knock unconscious during monologues. We have four show dates, running from November 18th to 21st. Tickets will be \$12 for adults and \$10 for students found on eventbrite.com or through the director, Mark A. Marple, at (850) 921-2516 EXT 1302
