FROM THE PRINCIPAL

Dear Parents/Guardians,

We are off to a great start in 2022 and I am excited to see what this school year holds. With such positive interactions between our students and teachers, as well as the early involvement from our community, it is no surprise that Lincoln High School is the most successful school in Leon County.

Early this school year, Lincoln's administrative team met with each grade level and discussed the standards of excellence that are expected at Lincoln. This year, we are focused on building previous academic and extracurricular successes as our students grow in readiness, scholarship, and skill. We are excited to see our students take on these challenges!

To ensure we support our Trojans and help them reach their goals, Lincoln provides multiple opportunities tailored to student's individual needs. These opportunities include tutoring and test preparation, 27 AP courses, dual enrollment courses, and fine arts and vocational programs. While we are entering a year with new standards in language arts and a new progress monitoring measure, we feel prepared to support our students.

We have had a positive and productive start and I know this will be another successful year for Lincoln. I am thankful to be a part of the Trojan Nation and appreciate the support of all of our stakeholders. Please feel free to contact me if I can be of assistance to you or your student.

Go Trojans!

Allen Burch
Principal

Our Vision

The educational setting at Lincoln High School fosters flexible, comprehensive, and challenging academic and extra-curricular programs that maximize each student's potential. Lincoln graduates will be productive, contributing members of society who have a strong sense of personal responsibility, a sense of national citizenship, a life-long love of learning, and a respect for the diverse contributions of all.

BE ON TIME!!!!

- **TARDY** – A student who arrives unexcused to class up to 10 minutes after the tardy bell.
- **LATE** – A student who arrives more than 10 minutes late after the start of the class without a valid excuse will count as an unexcused absence.

Four unexcused absences (**ATTENDANCE FAILURE**) for a class, a grade of “F” will be assigned for the grading period for that class.

For any questions, please contact the Lincoln Attendance Assistant Principal, Ms. Arva Demps, at 921-2516, ext. 1408 or at lincolnattendance@leonschools.net.

OUT OF FIELD TEACHERS

We work diligently at Lincoln High School to ensure that all teachers are highly qualified. Although all of our teachers are fully certified, there are instances where a teacher is not fully certified for the course, or students, they teach. Florida Statute requires that schools notify parents of situations where teachers are out of field. The teachers listed below are qualified, but do not meet specific state requirements.

1. Jonathan Williams (Physical Education)
2. Leroy Irvin (Physical Education)

Teachers who are qualified but have not met their English for Speakers of Other Languages (ESOL) certification.

1. Rose Bennett
2. Robert Harvey
3. Cheryl Henley
4. Jonathan Herrera
5. Sarah Karowski
6. Jennifer Stover
7. Mark Williams
8. Patrick Wise

GOLF

Opening season match.

Maclay hosted Florida High and Lincoln in what was an incredibly competitive and exciting opening match today at Golden Eagle Golf and Country Club.

The top three individual golfers were:

- Grayton Smith - 34 (Lincoln)
- Luke Urban - 35 (Florida High)
- Lee Poppell - 36 (Maclay)

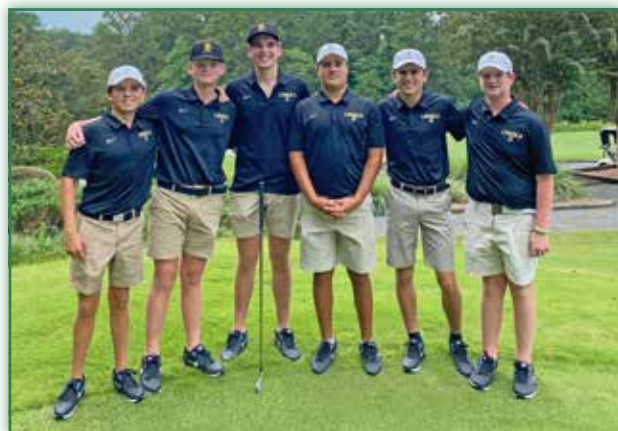

Grayton Smith came out on fire with birdies on the first two holes and never looked back, firing a salty 34. Luke Urban was not happy with his first hole but righted the ship quickly playing the last 8 holes at 2 under showing he is ready for his senior year. Lee Poppell was very steady with one mistake, one birdie and several missed opportunities, to finish even par.

The team totals were very solid for an opening match:

- 1st - Florida High at 153
- 2nd - Lincoln at 154
- 3rd - Maclay at 158

Great job by all the teams who were greeted to a warm but rain-free round for their first match of the season. These teams are all looking to do some damage in the post-season and this was a great start for all three with plenty of time to improve.

A big thanks to Golden Eagle Golf and Country Club, their members and head pro David Beck for allowing our student-athletes to experience their wonderful course.

ROCK ENS & ORCHESTRA

The Orchestra and Rock Ensemble programs have started off great this year: our Rock Ensemble class is HUGE (the size of four big bands), and two large orchestra classes. We have been extremely productive within the first three weeks of school, as we are bridging the gap between beginning and experienced players. Everyone has a place in Orchestra and Rock Ensemble. Since there are multiple classes of musicians who all play at different levels and might not know everyone, we organized a social committee. The Orchestra and Rock Ensemble Social Committee ensures that fun isn't confined to just playing music in class – but we can get to know each other outside of school. The social committee organized an Orchestra and Rock Ensemble kickoff, which took place on August 19th. This event was an ice cream social and game night; a time to get to know each other a little better without the strings and bows. It was a blast! We had so much fun, and the event prepared us for a wonderful year of collaboration, learning new music, growing our skills and talents, but most importantly having fun with music and each other. We are so excited to see what this year holds for us!

If you are looking for a cool musical family to be part of, you should definitely consider joining the Orchestra and/or Rock Ensemble. See Dr. Knotts for more information.

CONGRATULATIONS

Congratulations to the following Trojans who are among 62,000 students from across the country to earn academic honors from the College Board's National Recognition Programs! The students below earned this recognition by excelling on their PSAT/NMSQT, PSAT 10, or AP Exams and in their classrooms. These National Recognition Programs grant underrepresented students with academic honors that can be included on college and scholarship applications and connect students with universities across the country, helping them stand out during the admissions process. Colleges and scholarship programs use these honors to identify students from underrepresented groups through College Board's Student Search Service.

We proudly recognize the achievements of students below who participated in the AP Capstone Diploma program here at Lincoln High School. The AP Capstone Diploma program help students develop the critical thinking, research, collaboration, and presentation skills that are critical for academic success.

Unlike traditional AP subject exams with a single end-of-year assessment, AP Seminar and AP Research assessments are project based and evaluate skills mastery through group projects, presentations, and individual essays completed throughout the year. Instead of focusing on one specific academic discipline, AP Seminar and AP Research are interdisciplinary: students are empowered to create research projects based on topics of personal interest. Students are assessed on the critical thinking, research, collaboration, time management, and presentation skills needed to complete their projects.
