Dear LHS Parents, Guardians, and Students,

As you read this year's final issue of *The Heat*, the staff and students of LHS feel like we are in a jet flying toward EOC's, final exams, graduation, building renovations, and summer vacation. Our LHS class of 2019 excitedly looks forward to their next steps in life, our juniors impatiently wait to become the next LHS Senior Class of 2020, and there is a group of 8th graders, about a mile from here, who reluctantly anticipate making the move to LHS. We have had a great school year which has been marked with a number of successes, both academically and in extracurricular activities. You can read more information about these successes and keep up to date on everything going on at LHS by accessing the Loganville High School Facebook page or by viewing the public LHS calendar on our website: www.loganvillehigh.org.

As this school year draws to an end, there is much change on the horizon. If you have been to campus recently, you may have seen the construction fencing that has been put in place. Immediately after graduation in May, construction crews will be coming into LHS to begin our summer renovation. The summer facelift includes a new roof, all new HVAC systems, a total front office renovation, installation of the new touch panel instructional boards, and secure enclosures on the front and back of H-Hall. All of these improvements are meant to increase the security, comfort, and educational opportunities in our classrooms. Beginning May 31, all LHS offices will be moved to LMS for the summer. We do not have a projected reentry date yet, but we will make sure we let you know when we do. Once school begins next year, our new ten-classroom and auxiliary gym addition will begin. This new construction will have some effect on everyone as we will have to change parking and traffic patterns during construction. We will be sending out updates and changes as they occur. We are excited about these much-needed changes that are coming, and we thank our WCSD Board of Education and ELOST penny tax for making these important upgrades possible.

To the parents of our LHS Seniors, I wish a great last month of school for you and your children. Please keep up to date with any senior information on the LHS website by clicking Resources > Senior Information. This page includes very important information about graduation events, parking, and ticketing. Additionally, you can join the Remind 101 Senior group by using instructions from the 2019 Senior Letter tab. We excitedly look forward to graduation this year.

Finally, parents, I want to thank you for all of the support that you show to Loganville High School and for the hard work you put into your children. We have terrific students at LHS, and it is a pleasure to work with them and with you.

LHS COUNSELORS THANK OUR VOLUNTEERS:

As the 2019-2020 school year comes to a close, the LHS Counseling Department would like to take this opportunity to thank the many volunteers who have helped in the Counseling Office throughout the course of this year. There are many parents, students, office aides, teachers, and administrators that have volunteered their time for events like Registration, Parent Nights, and more. To all of our volunteers, please accept our deepest appreciation. Your enthusiasm, hard work, and commitment to helping serve the students of LHS is sincerely appreciated.

LHS SENIOR SCHOLARSHIPS

Students continue to accept financial aid awards from the LHS local scholarship program as well as from individual colleges and universities around the country, so the total earned scholarships will continue to climb! If students have received award letters, please submit a copy of those letters to Mr. Gilbert in the Counseling Office as soon as possible so that they can be recognized for their great accomplishments, and help raise the total LHS scholarship amount!

NEED A CURE FOR THE SUMMERTIME BLUES?

With summer right around the corner, now is a great time to plan summer activities that, in turn, will help your students plan for their future. Some recommended activities for students include:

- Get a job or participate in an internship in a field in which they are interested.
- Visit several colleges and universities to get a feel for college life and what they might be looking for in a post-secondary institution
- Work on their ever-changing resume by adding the jobs and activities they participated in this school year.
- Visit www.gafutures.com to explore their post-secondary options.
- Go to work with a friend or relative and shadow the employee to get an understanding of their responsibilities and decide if they are right for your student.

Now is the time for students to be exploring, goal-setting, and preparing for their futures. Students should be speaking to their parents and/or their counselors to discuss their plans.

CTI STUDENTS ATTEND STATE LEADERSHIP CONFERENCE

Career and Technical Instruction students from Loganville High School attended the CTI State Leadership Conference on April 17-19. The conference was held at Rock Eagle in Eatonton, Georgia. CTI students from all over the state of Georgia came to compete in various career/technical areas.

Attending the conference from Loganville High School were Lakota Garmon, Jasmine Lewis, and Katlynn Rutledge. They were chaperoned by CTI Coordinator, Trudy Shirah. This year's trip was a great success! Katlynn Rutledge won 2nd in the state in the Computer Applications Competition. The Loganville group was recognized as the highest contributor in the state for their fundraising efforts to benefit Children's Healthcare of Atlanta. Our students behaved wonderfully and represented LHS with pride.

FCCLA

Loganville FCCLA was represented at the Georgia FCCLA State Leadership Conference in March, 2019. Students competed in state events and national STAR events. The following students represented Loganville FCCLA: Indya Mills, Mashay Grady, Chelsea Carter, Emily Jordan, Kreasia Williams, and Elizabeth Clinton. Emily Jordan and Elizabeth Clinton are advancing to National STAR Events in Anaheim, CA this summer.

ATTENTION SENIORS!

There are many activities and deadlines this month, so please review the senior letter that was emailed and sent home. If you have additional questions email Lori Sargent at lsargent@walton.k12.ga.us.

Senior Boards:

Each year we distribute senior boards for parents (or friends or family members) to decorate for their seniors. Boards are decorated with pictures and memories and anything to celebrate seniors. Parents come to hang the board on Friday, May 10 from 6:00-7:00 pm in the cafeteria area. **This year we are asking that you hang the boards on COMMAND hooks, either by punching holes at the top of the board to hang on the hooks OR by punching holes for a ribbon to then hang on a hook, or COMMAND strips.** We are asking that no tape be used this year, so PLEASE bring your own Command hooks/strips to display the boards. Staff will be available to assist you with where to place the boards. **Do not use boards larger than what we distribute to seniors. The boards were distributed at lunch on April 10-11.**

Senior Letters:

We ask that family and friends write encouraging letters to the seniors, and we compile those letters in an envelope to distribute to each senior the day of the picnic. Please follow these specifications when writing these letters:

1. Letters should not be larger than an 8 ½ X 11.
2. Letters should contain first and last name of the recipient.
3. Letters should not contain any money or gifts.
4. Letters should be dropped off in the box in the front office labeled "Senior Letters" no later than **Friday, May 10.**

Senior Slideshow:

Picture submissions for the 2019 Senior Slideshow are due May 10. Students may submit up to 3 GROUP pictures by going to www.loganvillehigh.org > Resources > Senior Information > scroll down to the "Senior Slide Show" information. Click on the link to submit photos.

Senior Video Yearbook:

This year A/V Film is producing the Senior Video Yearbook. The DVD is a collection of memories of seniors (pep rallies, sports, senior highlights, picture slideshow, Senior Walk, Senior Picnic, behind-the-scenes on graduation day, and graduation ceremony). DVD's will be available for purchase after June 1 on mypaymentsplus.com for \$25.00. These DVD's make great keepsakes for years to come.

Senior Walk:

We will continue the tradition of the Senior Walk the morning of May 17. This is where we will travel to the local schools and walk the halls in cap and gown as an example to the younger students and as a celebration of your years here in Walton County. We will send home permission slips, so only those who return their slips will be able to participate. (Students won't want to miss this. It was AMAZING last year!)

Senior Picnic:

The senior class picnic will be held at LHS on May 17 under the supervision of class sponsors and the administration. Lunch will be provided. Students can bring chairs, blankets, frisbees, footballs, etc. Your student will receive their senior letters at the picnic.

Baccalaureate:

This is an inspirational service for Seniors in which participation is not required. Seniors attending baccalaureate should report to First Baptist Church Loganville at 6:15 pm on Tuesday, May 21, dressed in appropriate attire and cap and gown. Seniors can submit a baby picture and a senior picture to msorrow@wcccl.org by May 10 to be included in the baccalaureate slideshow.
