The mission of Loganville High School is to

Educate in meaningful contexts,
Encourage continual growth, and
Empower students for success.

Dear LHS Parents, Guardians, and Students,

As you read this year's final issue of *The Heat*, the staff and students of LHS feel like we are in a jet flying toward EOC's, final exams, graduation, and summer vacation. The LHS class of 2021 excitedly looks forward to their next step in life, our juniors impatiently wait to become the next LHS Senior Class of 2022, and there is a group of 8th graders, about a mile from here, that reluctantly anticipate making the move to LHS. We have had a great year this year, which has been marked with many successes, both academically and in extracurricular activities. You can read more information about these successes and keep up to date on everything going on at LHS by accessing the Loganville High School Facebook page or by viewing the public LHS calendar on our website: www.loganvillehigh.org.

LHS congratulates our 2021 STAR Student Anderson Holcomb. The STAR student each year is the graduating senior who achieves the highest score on the SAT in his/her graduating class. Anderson's composite SAT score this year is an incredible 1570, and he has selected his Advanced Placement Language and Composition teacher Ms. Tonya Pohlel as his STAR teacher. This is a great accomplishment for both Anderson and Ms. Pohlel.

To the parents of our LHS seniors, I wish a great last month of school for you and your students. Please keep up to date with any senior information on the LHS website by clicking Resources > Senior Information. This page includes very important information about graduation events, parking, and ticketing. We look forward to graduation this year.

Finally, parents, I thank you for all of the support that you show to Loganville High School and for the hard work you put into your students. What a blessing it is that we have been able to successfully get this far in this rather different school year. LHS thanks you for trusting us and for working so closely with us through the pandemic and all of the quarantining, uncertainty and worry it has brought about. We have terrific students at LHS, and it is an honor to work with them and with you.

CHILDREN'S HEALTHCARE OF ATLANTA FUNDRAISER

CTI students at Loganville High School recently finished a community service project that involved raising funds for Children's Healthcare of Atlanta. A contest was held among 3rd period classes to see which class could raise the most money to benefit this very worthy cause. The contest ran from March 8-19.

Thanks to the generous donations of LHS students, parents, faculty and staff we were able to raise \$4,611.74 for Children's Healthcare. The top three classes were:

Mr. Wisdom	\$2,571.74
Mr. Luther	\$834.00
Ms. Luther	\$387.43

These classes were rewarded for their efforts on Wednesday, March 31, with a pizza party. The pizza was generously donated by Papa John's.

ATTENTION SENIORS!

Many activities and deadlines coming up in the next two months, so please review the senior letter that was emailed and sent home. The letter has all you need to know about these dates. If you have any questions, feel free to email Lori Sargent at: lsargent@walton.k12.ga.us.

SENIOR BOARDS

Each year we distribute senior boards for parents (or friends or family members) to decorate for their senior. Boards are decorated with pictures and memories and anything to celebrate the senior. Parents come to hang the board on Friday, May 14, from 6:00-7:00 pm in the cafeteria area. This year we ask that you hang the boards on COMMAND hooks, either by punching holes at the top of the board to hang on the hooks OR by punching holes for a ribbon to hang on a hook or COMMAND strips. We ask that no tape be used this year, so PLEASE bring your own Command hooks/strips to display the boards. Staff will be available to assist you with where to place the boards. Do not use boards larger than what we distribute to seniors. The boards were distributed at lunch April 13-14.

SENIOR LETTERS

We ask that family and friends write encouraging letters to the seniors, and we compile those letters in an envelope to distribute to each senior the day of the picnic. Please follow these specifications when writing these letters:

1. Letters should not be larger than an 8 1/2 X 11.
2. Letters should contain first and last name of the recipient.
3. Letters should not contain any money or gifts.
4. Letters should be dropped off in the box in the front office labeled "Senior Letters" no later than Friday, May 14.

SENIOR SLIDESHOW

Picture submissions for the 2021 Senior Slideshow are due May 14. Students may submit up to 3 GROUP pictures by going to www.loganvillehigh.org > Resources > Senior Information > scroll down to the "Senior Slide Show" information and click on the link to submit photos.

SENIOR VIDEO YEARBOOK

A senior video of the year's events and activities, including senior end-of-the-year activities – Senior Walk, Senior Picnic, and Graduation – will be available for purchase at www.mypaymentsplus.com for \$25. More information is available on the school website under Senior Information.

SENIOR WALK

We will continue the tradition of the Senior Walk on the morning of May 21. This special event is where we will travel to the local schools and walk the halls in cap and gown as an example to the younger students and as a celebration of the students' years here in Walton County. We will send home permission slips, so only those who return their slips will be able to participate.

BAND

The LHS Band program has had an extremely busy school year. During band camp, we were able to operate at half capacity throughout July until August. Our fall 2020 half-time show was entitled "Top Secret" which highlighted music from the James Bond films, The Incredibles, The Pink Panther, Soul Bossa Nova and Secret Agent Man. The band competed at the Central Carroll High School "Super Bowl of Sound" on November 2 and received overall superior ratings in band, percussion, colorguard, and drum majors. Along with these ratings, the Marching Red Devils placed in 2nd place in percussion and 3rd place in all other categories.

We have been so fortunate to participate in music-making during the instructional day. The concert band had a fall concert on November 7 in the LHS gym. The concert band also performed for the Walnut Grove HS band members at a clinic performance of our Large Group Performance Evaluations (LGPE) at Walnut Grove High School on March 11. The band is currently working on music for a fun and music-filled spring concert on Tuesday, May 4, at 6:30 pm. in the LHS Gym. This event will feature our concert band, after-school jazz band, and many small ensembles working on music selections.

A big congratulations to three of our students who recently auditioned for the GMEA All-State Band and District Honor Band. Nathan Dermer scored the highest trumpet score in our district (8-10 surrounding counties) and is first chair of the 11th/12th grade band. Samuel Warren earned a spot in the combined 9-12 grade band. Evelyn Rose is currently an alternate for the District Honor Band.

We would love to invite you to our spring concert which will be held on Tuesday, May 7, at the LHS Gym starting at 6:00 pm. We will be featuring some pop and movie music, some serious band literature, and a medley of music from the hit-film saga "Star Wars" to celebrate May the Fourth. We look forward to another great year of music-making and hard work and cannot wait to share our 2021 half-time show with our awesome and supportive community!
