Principal's Message

Dear Mariner High School Parents and Families,

"Christmas waves a magic wand over this world,
and behold, everything is softer
and more beautiful."

- Norman Vincent Peale

As we enter the holiday season, I want to take a moment to express my heartfelt gratitude for your unwavering support and partnership. This year has been filled with challenges, but together, we have shown resilience and strength that truly embodies the spirit of our Mariner community.

During this special time of year, let us embrace the magic that surrounds us and share it with one another. May your homes be filled with love, laughter, and cherished memories. As we celebrate, let us remember the importance of gratitude, kindness, and compassion.

Thank you for being a part of our Mariner family. Wishing you a holiday season that is cheerful, bright, and filled with the joy of the season.

Warmest regards,

Dr. Thomas Michel
Principal

Sports Spotlight on Football

In the world of sports, every team is built on the foundation of talented individuals who possess the skills, determination, and passion to excel. Our team is no exception, and we are proud to introduce you to four exceptional players who have been making waves on the field.

The Triton football team ended the season with an 8-3 record. Demonstrating all the hard work and dedication they put in to make the season a success.

From their remarkable performances to their unwavering commitment, these players have proven themselves to be the driving force behind our team's achievements. Each possesses a unique set of skills and brings something special to the game, making them stand out among their peers. Let's take a closer look at these four extraordinary individuals who have become the leaders of the team.

Each player was asked about their thoughts on the season and here's what each of them said:

Tony Crump-Townsend, "Overall I like what's been started, I feel as if the younger guys see potential in this team and will carry it on. Throughout time we've built a lot on early mornings, and late nights. This season has taught me that consistency, discipline, and leadership is what it takes to prevail and is what is needed to be instilled into the upcoming group of young men. Not only will it set them up for success but it will also carry them later in life in different situations and circumstances.

Nick Purdy, "I think we've changed the culture at Mariner with this season because of our success and overall attitude was different."

Justin Lewis, "The season was great!"

Marcus Kelley Jr., "We were successful because of the strong sense of camaraderie and unity with the team."
