MARINER HIGH SCHOOL

Home of the Fightin' Tritons

VISION:

To provide a world class education.

MISSION:

To ensure student learning through purposeful student engagement.

701 Chiquita Blvd., N.
Cape Coral, Florida 33993

239-772-3324

Principal's Message

It is said that a person always remembers their first day at school and their last day at school. Indeed, school days are the best of our lives. A great deal of effort is placed on academics and developing the skills we need to be happy and successful in life. What seems to make the most impact in our memories are the joys of school found in what is sometimes referred to as the "hidden Curriculum." Think about Elementary School: Remember show and tell? You could bring in your favorite toy, your dog, or a can of soup. It didn't matter, you were proud to show it off and your peers were immersed in your story. When you went somewhere in the building you got into a line. If you were lucky you were the line leader, the door holder, the caboose, or the lifter (someone who boosted the little kids up at the drinking fountain). Remember snack time? Remember nap time? Recess? Remember field trips? I remember a one-hour bus ride in 3rd grade to see an old tree on a farm; it was all about the bagged lunch and chasing friends around all day! Remember holidays? Valentine's Day? You made a paper mailbox and attached it to your desk. You bought candy and cards and delivered them during class, your crush usually got the best lollipop or favorite Scooby-Doo card. We all got along and played games together. I once received a note from a girl in class that read "will you go with me check the box YES or NO?" I never spoke to her once, but apparently, we were going out and at some point, broke up (which I knew nothing about). Think about Middle School: You probably participated in your first competitive sport or found an interest in a club. Some of you were lucky enough to experience the fun of school lockers for the first time and how challenging the combination lock can be. Remember getting used to schedules and having multiple teachers for the first time? Seems like friends changed as well as an increased interest or noticeable no interest in personal hygiene. I remember how much fun dances were, mine was at night and we usually had live bands. The formula back then is still kind of the same today; usually, you have a couple or two dancing together and everyone else stands in a circle and watches or runs around slapping each other....good times! Think about High School: For some of you this is happening now, for others, it might be a close or distant memory. In High School academics change to GPA, credits, scholarships, rigorous classes, and Career Academies. Students turn 16 and some start to drive and others have their first real job experience. When I had my Temp Permit at 16, I used to wait for my dad to come home from work so I could park the car. He would stop in the road in front of our house and I would get in and drive his car up to our driveway, such a thrill! Sports and extra-curricular activities have more meaning in High School and for some, it becomes a possible future maker. Dances are special, like prom and homecoming. Friendships made are meaningful and lasting. In High School, students become young adults and the experience reaches a pinnacle as a parent's proudest day.... GRADUATION! The joys of school are an important part of who we are. Never lose your joy Tritons.

Dr. Michel,
Principal

Black vs Silver Days

Mariner runs on a block schedule. This means that student schedules are split into two different days. On black days students attend odd-numbered classes 1, 3, 5, 7. On silver days students attend even-numbered classes 2, 4, 6, 8. The flag displayed in the courtyard shows the color for the day. The black and silver calendar can be found on the Mariner High School web page mrh.leeschools.net.

Back on Track

Back on Track is an after-school credit recovery program. The purpose of the program is to assist students with needed credits. The program meets Monday through Friday from 2:15 to 5:15 in designated classrooms.

Schedule

- Tuesday – Ms. Chilton 343, Ms. Seif 333
- Wednesday - Ms. McKiernan 519, Mr. Fitzpatrick 153
- Thursday - Ms. Lewellen 521, Ms. Diamantino 302

Senior Info

Senior dues are \$55 and cover costs for graduation, senior picnic, senior shirt, and door prizes for senior breakfast.

Senior Breakfast

May 20th, 7:30 AM-10:00 AM

Senior Check Out Days

Friday, May 13th or Monday, May 16th from 7:30 AM to 1:30 PM.

If you plan to participate in the **Commencement Ceremony** on Saturday, May 21, 2022, at 2:30 PM at FSW Arena you **MUST** order a cap & gown. Visit herffjones.com to order.

Every member of the Class of 2022 participating in the commencement ceremony will receive a maximum of six (6) tickets.

How to Check Fees and Fines

Did you know you are able to check your student record for all current school materials that you have checked out along with any outstanding fees and fines?

- ✓ Go to your Launchpad.
- ✓ Open Instructional Apps.
- ✓ Go to Follett Destiny.
- ✓ Go to "More" at the top.
- ✓ Go to "Back Office"
- ✓ Select "My Info" at the top.
- ✓ There you will see if you have any overdue library books, textbooks or fees and fines.
- ✓ Fees or fines are paid in the Media Center. Cash or Check.

Note: It will not show your Chromebook because that is checked out in a different system other than Destiny.

Registration for the 2022-2023 School Year

Everything you need to complete the registration process for the 2022-2023 school year will be found in the google classrooms.

- **Incoming 9th Graders:** nsoxlyc
- **Future 10th, 11th, and 12th Graders:** 4unohja

If you have any questions, please email your school counselor or call the school at 239-772-3324.

Sports Highlights

Wrestling

The 2021-22 wrestling season was a success. The team successfully transitioned from the longtime hall of fame coach Dave Phillips to Coach French. The team finished with a dual meet record of 26-11. This was the most dual wins in school history. The Tritons also brought back the Best of the West trophy as we reclaimed the title of being the best wrestling team in Cape Coral. The team also took 1st place at the Tiger Duals in Palmetto. Clark Daley and Chaos Sanchez were very close to state births and should be in the hunt for a state medal next season. Mariner qualified 3 athletes for the state tournament. Senior captain Isaiah Castro earned a trip to the state tournament. He wrestled tough for the Tritons all season long and did the same at the state tournament. Freshman Maximus Brady was crowned the 113 pound Florida 2A state champion. He compiled a 54-2 record in his freshman campaign. During the state tournament, Maximus had 1 pin, 2 technical falls, and an 8-1 victory decision in the state finals. He only allowed one point in the entire state tournament. Junior captain Christopher Minto finished his perfect season with a record of 55-0. This was Christopher's second straight Florida state title. He also set the single-season win record with his 55 victories. The team finished in 7th place as a team at the state tournament. The future is bright for Mariner wrestling as both state champions will be returning next season and many younger athletes will be making their own mark on Florida wrestling.

Boys Soccer

After one of the roughest starts in recent history, the boy's soccer team came together at the right time to take its 5th district title in a row and make an appearance in the regional finals. Behind the leadership of Samuel Bedoya and Caden Sandrus the team stayed competitive and in good spirits even in those tough losses. Towards the end of the season seniors Nico Casallas, Mathias Arias and Dominic Shannon started contributing strong minutes to the team and leading the underclassmen into what would turn out to be a championship team. The boys never lost their fighting edge and believe that together they could achieve what they set out to do from the very beginning. The season-ending game at Tampa Jesuit was a lot closer and more competitive than the score indicated, unfortunate it was not enough to propel the team into the state final four, but the boys walk away from the season with their heads high knowing that they left it all on the field.

Girls Soccer

It was a season for the history books. The girls were able to win the first state championship for any team in school history after a fantastic 22-3 season. The ladies faced a little adversity losing the district championship in a narrow, hard-fought contest but bounced back in the strongest way possible. They played a near-perfect postseason conceding 0 goals and were powered by a young, dominant attacking quartet who scored 14 goals in 5 games. This is a team built for future success with depth as we are only losing two Seniors and will look to build upon this year's success.

Baseball

"The Boys Baseball Team is looking to build on last year's success which captured a District Championship and a Regional Final appearance. The Tritons return a great nucleus of players including Matt Morales (Sr.), Sam Duvall (Sr.), Zack Mills (Sr), Matt Diaz (Sr). In addition, Tayler Hawkins (Jr), Cole Sandifer (Jr), Gavin Ziccardi (So.), Anthony Pimentel (So.), Mason Blackburn (So.) all saw some Varsity action last year and are looking to build on last year's success. The Tritons have been blessed with move-ins Ryan Retzloff (Sr.), Jayce Blasetti (Jr.), and Landon Johnston (Jr.), as they all will create depth on our team. Players participating in their first Varsity season include Isaac Lopez (Fr.), DJ Dwire (Fr.), Sam Guth (So.) Anthony Velazquez (Jr), will all see action early to get us prepared to make another post-season run. So far, the Tritons are 4-4 on the season and have been battle-tested early by playing some playoff-caliber teams early. As we approach Spring Break, we hope to get into mid-season form, make a push to finish the season on a high note, and hopefully a post-season run.
