Parents,

Now that the 2022-2023 school year is underway, I am able to find time to send out the first parent e-newsletter! I want to start by letting you know that we made great efforts to plan and carry-out opening days unlike we have ever done at Maumees High School. Not only did our amazing LINK Leaders welcome over 200 freshmen into the "Panther Family" by orienting them to their new school, we were also able to celebrate with our returning high school students by decorating our hallways, talking about our four positivity themes, and finished with a cookout and field activities for the entire 10th, 11th, and 12th grades. We could not have pulled off such a positive start without the help and hard work of our custodians, secretaries, and staff members. I believe a good time was enjoyed by all.

I am extremely excited to be in a new leadership role within the same school I began teaching in 17 years ago. I believe this is the best high school and the best community. I am proud and humbled to serve as the new principal at Maumees High School. I look forward to working hard this year with our staff and students to further implement the positive behavior interventions that focus on Responsibility, Open-Mindedness, Appreciation, and Resilience. Together, these four expectations make-up what we call our "R.O.A.R.". If your student(s) is/are new to Maumees High School, they will hear a lot about R.O.A.R. in the first weeks of the school and throughout the entire school year. We want all of our students to embrace these character traits as we believe they will truly benefit from them as they grow and flourish.

Penta Career Center students have also started their school year. I had the opportunity to greet their buses as they dropped off at Maumees High School at the end of their first day of school. It is always exciting to see their faces after their first day at PENTA. It usually confirms their satisfaction in the path they have chosen for their education. I look forward to visiting PENTA this school year and seeing our Maumees Students actively engaged in their program of choice.

A good education is built on a solid relationship between parents and educators. The most important ingredient in that relationship is effective 2-way communication. During the school year, I will rely on multiple modes of communication, both direct and electronic. I will send this e-newsletter to your email address at the beginning of every month, but event dates and times can change throughout the course of the month. Please stay up-to-date on the school calendar through our website and other social media sources. If you have questions or simply want to discuss any matter with a member of our staff, PLEASE CALL or EMAIL. We do our best to get back to all inquiries within 1 working day. Let's work together to make the 2022-2023 school year a great one for your student(s).

Scott Perrotte,  
Principal

## A Strong Start Prevents Problems Later

Assure a strong start and successful school year by establishing a solid home-study routine with your student. Encouraging, supporting, and participating in this vital activity will improve your student's attitude and performance at school and support a work ethic that endures for a lifetime.

- 1. SET A SCHEDULE:** Establish a regular time-slot for this important daily activity. Seek your child's agreement and commitment to reserve this time each day for homework and study. Encourage this habit. In many ways, it's his/her job and should become routine. Your support and involvement in your student's home-study effort makes a huge difference in the high school experience.
- 2. CREATE THE ENVIRONMENT:** Students can be easily distracted. Teach them to create an atmosphere conducive for concentration. Having a defined study area works with some students but not all. The most important requirements are time, focus, and your support. Minimizing social media access, loud music, and other detractors will improve effectiveness and retention.
- 3. OBSERVE AND ENGAGE:** Psychologists suggest that it takes three weeks to break or establish a habit. When school resumes this month, commit three weeks to this routine with your student. Make it become a habit for both of you. Your daily assistance and attitude toward school have a huge impact on your child's success.
- 4. BE ON TIME:** School starts each day at 7:40 am promptly. Breakfast service runs from 7:15 am - 7:35 am. WHEN THE LED LIGHTS ABOVE THE FRONT DOORS TURN RED, your student is tardy and may face disciplinary consequences. The added stress and anxiety of being late is not healthy for your student. It does not make a difference "who's fault it is", students just need to be here with time to spare so that they can begin their day on a positive note, ready to learn.

## After-School Tutoring & Quiet Study with Transportation

MHS offers supervised after-school tutoring and quiet study opportunities every day from 2:30 - 3:30 pm. Transportation home is provided at 3:45 pm for students who are eligible to ride the bus (live more than 1 mile from the building). At 3:30pm, students who require a bus to take them home will be given a transportation ticket from the Supervising Teacher and can take that ticket to Wayne Trail to catch a bus. Bus eligible students who attend after-school club meetings may also catch the 3:45 pm bus at Wayne Trail (get "bus ticket" from the MHS office).

### M.H.S. Positive Behavior Intervention Systems

Positive Behavior Intervention Systems (P.B.I.S.) is a broad range of systemic and individualized strategies for achieving important social and learning outcomes in our school community while preventing problem behavior. The key attributes of PBIS include preventive activities, data-based decision making, and a problem solving orientation (Horner, 2000; Lewis & Sugai, 1999; Sugai et.al., 2000; Weigle, 1997).

- P.B.I.S. Reduces problem behavior
- P.B.I.S. Increases academic performance
- P.B.I.S. Improves the perception of safety
- P.B.I.S. Reduces bullying behaviors
- P.B.I.S. Improves students' social-emotional competence
- P.B.I.S. Increases positive school climate and culture

The Maumee High School P.B.I.S. Plan includes the following components:

1. Clear Expectations (R.O.A.R.)
  - Responsible
  - Open-Minded
  - Appreciative
  - Resilient
2. Comprehensive Instruction
  - Positivity Project
  - Restorative Circles
3. Consistent Systems of Acknowledging & Correcting Behavior
  - Panther PRIDE Nominations & Award
  - Teacher Recognition Monthly
  - Affective Language (Statements & Questions)
  - Restorative Conferences
4. Supportive Structure
  - Trauma Informed Practices
  - Social-Emotional Learning
  - Restorative Practices
5. Community Connections
  - SAIL Board
  - Harbor Behavioral Health
  - Maumee Police Dept. SRO
  - Maumee Fire Department
  - Positivity Project
  - International Institute for Restorative Practices
  - Crisis Prevention Intervention (CPI)
  - Spring Green (Maumee Churches United)

### Positivity Project

This year MHS is committed to introducing our students to the power of positive psychology. The "Positivity Project" is based on the tenets of this powerful psychology and introduces the students to characteristics of positive people and positive cultures. The goal is to make MHS an even more happy, accepting, and productive workplace for both students and adults by developing these characteristics. Beginning in September, students will be introduced to a different character trait each month through January. The character traits we will highlight this school year are **RESPONSIBILITY, OPEN-MINDED, RESILIENCE, BRAVERY, and PERSPECTIVE**. In the first homeroom of the month, teachers will conduct guided discussions focused on one of the specific character traits. Students will be given punch-cards for the specific character trait that they will take with them. Teachers, staff, and even parents can punch/initial these cards if they catch their child/student exhibiting the specific character trait. In the second homeroom of the month, homeroom teachers will follow-up with students to collect students' punch-cards and discuss what they did to get their cards punched and the impact these acts have had on them and others both in and out of school. Throughout the school year, we will share information on the character traits we are introducing to the students and how students can implement these traits in their day-to-day life. September's character trait is Responsibility.

## Graduation Academic Recognition

Graduating students at Maumee High School receive individual academic recognition at the graduation ceremony based on the *Latin Honors System* and the earning of a *State of Ohio Honors Diploma*. Every student who earns an honors diploma will receive an academic medallion at the graduation ceremony and will be recognized by name for that award. The earning of an honors diploma is NOT based on taking any honors courses, it is simply the culmination of 4 years of a prescribed college preparatory curriculum. To earn a state of Ohio academic honors diploma, the student must complete any 7 of the following 8 criteria:

- a. 4 units of English
- b. 4 units of math including Algebra I, Geometry, Algebra II, and another higher level mathematics course or a four-year sequence of courses that contain equivalent content.
- c. 4 units of Science including two units of Advanced Science
- d. 4 units of Social Studies
- e. 3 units of the same Foreign Language or at least 2 units in two different languages.
- f. 1 unit of Fine Arts
- g. 3.5 Grade Point Average on a 4.0 scale
- h. 27 composite on the ACT

## No Outside Food Delivery

We will not be accepting outside food deliveries for students during the school day. Thank you for your understanding and cooperation.

## Service Documentation

Students can receive a “diploma seal” from the state of Ohio by completing 60 hours of qualified community service/volunteerism during their 4 years of high school. Documentation of service hours for the span from MAY 1, 2022 through APRIL 30, 2023 can be completed by visiting the “Service Hours Log” located on the left menu bar on the MHS website.

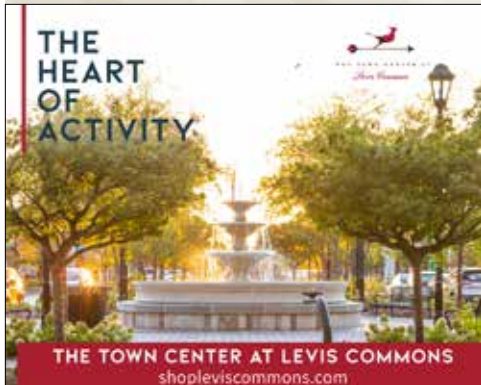

## Kroger Community Rewards - We Need You !!!!!

Many of us shop at Kroger. There is a way that you can help MHS by shopping at Kroger and there is no cost to you!!! If you list Maumee High School as your Kroger Community Partner, Kroger will donate to MHS every time you use your Kroger card. Monies raised benefit LINK crew, yearbook, Panther Pack, events and rewards for students at Maumee High School. Please follow the steps below to link your Kroger card to MHS:

Go to: [www.kroger.com/communityrewards](http://www.kroger.com/communityrewards) and click “enroll”. You can then type “Maumee High School” into the organization search or use the organization code “AE578”. From here, you should be able to select Maumee High School as the organization that you will support through this community rewards program.

We encourage you to invite your friends, family, neighbors, co-workers and acquaintances to enroll in the Kroger Community Rewards Program even if they did not participate in the past. How much Maumee High School earns will depend on how much members spend shopping at Kroger. All participants need to have a Kroger Plus Card (which can be obtained in any Kroger store at the customer service desk).

Thank you for participating in the Kroger Community Rewards Program and for helping the students at Maumee High School.

### Parent Committee Volunteers Needed:

Maumee High School is looking for parent volunteers to serve on a committee that helps support student events throughout the year. The committee would meet approximately once each trimester to outline needs and plan for the upcoming trimester. If you are interested in making a difference at MHS please contact the Maumee High School Principal, Mr. Scott Perrotte. Responsibilities will include:

- Securing and collecting donations for Sock Hops
- Fundraising for Homecoming, Prom, Graduation
- Organizing and Chaperoning After Prom\*\*
- Securing and collecting donations for Senior Events

**\*\*After prom is a parent run event. We will need a group of parents to take the lead on this if this tradition will continue.**

If you are interested in making a difference at MHS please contact Mr. Scott Perrotte at [sperrotte@maumee12.org](mailto:sperrotte@maumee12.org).
