From the Principal's Desk...

Hurricane FAMILY,

I am honored and privileged to be your principal at Mount Dora High School. The 2022-2023 school year will mark my 3rd year as principal. Mount Dora has always been close to my heart and I'm so excited to continue this journey with you. After working as a deputy sheriff with the Lake County Sheriff's Office for several years, I became a career-switcher in 2008 and started my educational career teaching social studies at MDHS. It has been a true blessing to return home to where it all began.

I'm proud to say that Mount Dora High School is officially a "B" school! We are currently the #1 ranked high school in Lake County! This is thanks to the hard work and efforts of our amazing faculty and staff, students, parents and community stakeholders. I believe it's also thanks to the belief that we truly are, One Team. While there is still work to be done, we have a lot to celebrate and be proud of. I have no doubt we are well on our way to being an A-rated school very soon.

Those who truly know me know will tell you I'm a firm believer in teamwork. I coached various sports in Lake County for nearly two decades, so I understand and value the power of teamwork. Thank you for your continued support of our school, and please know my door is always open.

As we just closed the chapter on a full century of MDHS history, here's to year 101 and the continuation of many more accomplishments! We are excited to have our community partners and stakeholders visit CANE Country and see the amazing things our school has to offer. I've come to learn that tough times don't last, but tough teams do. We are ONE TEAM. Go CANES!

With Hurricane Pride,

Marlene L. Straughan

Principal Mount Dora High School

Mount Dora High School ID Policy

Purpose

To ensure the safety and security of all individuals on Mount Dora High School campus, all employees, students, and guests will be required to obtain and wear a school issued identification (ID) badge while on campus.

ID's are important for safety and security. Everyone knows at a glance who is "official" and it is a quick way for emergency personnel who may not be familiar with our students to know who is who in an emergency situation. We want to provide a safe and orderly environment to foster student learning, and the ID badges will assist in the security of everyone on campus.

In addition, the ID's will help Mount Dora High School students prepare for the world after high school, where real-world identification is often needed. Identification badges are required in government and military facilities, colleges and universities, and in most work-places to emphasize the importance of identification and security. We believe that school is an important place too.

ID's provide the school with an efficient way to manage our computerized library and cafeteria systems thus improving services to students.

Policies and Procedures

1. Each student will be issued an ID card on the first day of school.
2. Students must **WEAR** their ID at all times while on campus.
3. ID badges are to be worn above the waist on the outermost garment.
4. ID's may not be changed or altered **IN ANY WAY**.
5. The first ID and one (1) from fall pictures are free. Since IDs are required, the cost of additional replacement ID's is \$5.00. ID's may be obtained at the Front Office.
6. Students are to adhere to the following guidelines, procedures, and consequences:
 - a. Damaged or defaced ID cards will be confiscated and must be replaced at the student's expense.
 - b. Students are responsible for their ID cards. A student who has lost his/her identification card should apply for a replacement in the Front Office.
 - c. ID badges shall not be duplicated.
 - d. Any student with unauthorized possession of an ID card not belonging to him/her will be subject to disciplinary action.
 - e. A student must surrender his/her ID card to any staff member upon the staff member's request.
 - f. Anyone without an ID badge may be stopped and questioned as to their purpose.
 - g. Students withdrawing from school must return the ID badge in order to complete the checkout process.

Hurricane the Horse

Come celebrate the 101st year of Mount Dora High School with our new mascot, Hurricane! The time has finally arrived and this football season Hurricane the miniature horse will be making his debut and will be storming the field at the beginning of each varsity home football game. Hurricane has spent many months preparing and is excited and ready to amuse the Mount Dora community as the only live high school mascot in Lake County and one of only a handful of live high school mascots in the country.

Join Hurricane on this new adventure and let's all make the 101st year of Mount Dora High School the best yet! A big thank you goes out to Kim Varnadore at State Farm Insurance in Mt. Dora for her sponsorship of Hurricane. We are ONE TEAM!

Mount Dora Air Force JROTC Does It Again!

The cadets of Mount Dora High School Air Force Junior Reserve Officer Training Corps (AFJROTC), have once again been recognized by Headquarters Air Force JROTC by earning the "Silver Star" Community Service with Excellence Award for AY 2021-2022! This prestigious award recognizes the top 5% of all AFJROTC units based on community service in support of schools and local communities. Of the 74 AFJROTC units in the state of Florida, only three earned this honor this year! This is Mount Dora AFJROTC's fifth time receiving this recognition in the last seven years!

The mission of AFJROTC is to "Develop citizens of character dedicated to serving their nation and community." The importance of service and understanding how it positively impacts our cadets, schools, communities, and our nation is a critical component of what we strive to teach through our program and is a central part of our mission in AFJROTC. The award is earned by units with the highest per cadet average of community service hours that are planned and conducted by cadets under the supervision of our instructors, Maj (Ret) Andrew Scott, and SMSgt (Ret) Dennis Crum. This award also recognizes the personal growth and accomplishments of the cadets, contributions of the instructors as mentors, and the support of the school and local community. Congratulations to Mount Dora Air Force JROTC!
