

# Principal's Message

Dear Golden Eagle Family,

As principal of Naples High School, I am excited to welcome everyone back for what will surely be a fantastic school year. We are busy here preparing for the return of our students to campus as they bring our sense of school pride to life. I would especially like to welcome all of our incoming Grade 9 students and their families. This summer is extra special for them and we know how important it is to start this new journey on a positive note. At Naples High School we know that the foundation for being college and career ready by the end of four years with us starts with the positive, constructive relationships we develop with each other.

While most of our learning community takes the summer months to relax before refocusing, we have been working diligently to improve the quality of learning experience we provide. One of the highlights of this summer has been the extra curriculum work completed this summer. NHS faculty and staff have worked over 300 hours this summer in direct preparation for next school year. This work extends well beyond the increased counseling office hours we added last summer. Members from across all departments have spent time working on curriculum projects such as; new modules for intensive reading, increased student resources using our new Canvas learning management system, writing focused units in social studies, vertical alignment of our math courses, an improved procedure for composing student goals within an IEP, embedding VEX robotics units within some of our established courses and many other curriculum enhancements. Each of these projects is a result of NHS being supported by our School Advisory Council which I encourage all parents to get involved with next year.

This summer we have also made changes to improve the safety, beauty, and function of our campus. We have

## Principal's Message

...continued from cover page

added a wall to separate the Guidance Office from our reception area which provides both safety and privacy for students. We are having new carpet installed in the Auditorium as well as redesigning our Media Center layout. And finally, we continue to add new signage and landscaping to better show the pride we have in being Golden Eagles.

Looking ahead, Naples High School will maintain its focus on communication next year. Two years ago we added a weekly email message to parents and families. Last year we added biweekly grade updates for students who were struggling academically. This year we will add more opportunities for input from our families as we increase both the use of surveys as well as adding more opportunities for informal conversations with school administration.

While we have been successful in many ways, there is still much work to be done in order to ensure that every student has the opportunity to reach their full potential. Again, I welcome you to a new school year. Please enjoy these last remaining weeks on summer break with family and friends. See you on August 13. Go Eagles!

### Counselors Available in August

All counselors can be reached by email or through the counseling office at 377- 2216 beginning August 7. The office is open on Wednesdays only in July during the hours of 7:30 a.m. – 2:30 p.m. for new student registration and transcript requests. Students who have scheduling questions may contact their counselor via email or phone to request an appointment.

### Freshmen Expo! Auditorium Monday, August 12, 2019

All incoming freshmen are invited and encouraged to attend the annual NHS Freshmen Expo on Monday, August 12 at 9:00 a.m. Incoming freshman will have the opportunity to tour the school, meet teachers and peers, and learn more about just what it means to be a Golden Eagle. As we are gearing up for a successful first day this is a “student only” event. Students need to report to campus before 9 a.m. and will be ready for pick up at 11:30 a.m.

### Parent Orientation

Thursday, August 8, 2019—  
Auditorium—6:30 PM

### Curriculum Night/ Open House

Monday, August 26, 2019—6:30 PM

Remember to bring student schedule with you!

### Important Dates

- Aug. 13: Students Start
- Aug. 26: Open House/Curriculum Night
- Aug. 28: Early Release
- Sep. 2: No School/Labor Day
- Sep. 13: Interim Period Ends
- Sep. 20: Interims Available
- Sep. 30: No School

## A Message from Assistant Principal of Curriculum and Instruction

Hope you are enjoying your summer break. Our office has been working hard to make sure that the 2019-2020 school year is off to a good start. A new school year brings the promise of a fresh start; a promise of renewal. Students and parents should take this opportunity to sit together and plan a course of action for success. Whether you are a freshman, entering Naples High for the first time, or a senior, contemplating life after school, or somewhere in between, be sure to take advantage of everything Naples has to offer. Don't be afraid to try that club, sport, activity, or take that class you've been wanting to do.

A new school year also brings new challenges. As most of you know we begin our year with pre-tests. This important testing provides information to teachers about each students' level of understanding about the subject matter that is going to be taught. These tests are followed up with quarter one assessments, and/or mid-term exams. A great way to stay "mentally fresh" over the summer is to read a good book or two.

If you are going to be taking an Advanced Placement (AP) course or two this upcoming year, don't forget to take a look at the NHS website for your summer assignment(s). ([www.collierschools.com/nhs](http://www.collierschools.com/nhs))

Finally, make sure you make time for yourselves, your family, and your friends. August will be here before we know it!

See you soon!

## Early Release Days 2019 - 2020

The School District of Collier County's 2019-2020 school calendar is now available online, and in checking it out, you will notice that it contains five early release days. Remember, similar to last year, the early dismissal time for all students will remain at three hours earlier than the dismissal time on regular days.

Early release time will be 11:05 AM on the following scheduled early release days during the 2019-20 school year:

- August 28
- December 20
- February 26
- May 25
- June 3

To view the entire 2019-20 school calendar, go to the home page of the district Web site ([www.collierschools.com](http://www.collierschools.com)).

## Daily Bell Schedule and Early Dismissal

Being in class on time and ready to learn is the first step in the learning process. While NHS does have a few other schedules it uses for assemblies and mentoring, here is the daily bell schedule:

Period	Time
1	7:05 – 7:59
2	8:04 – 8:53
3	8:58 – 9:55 (includes announcements)
4	10:00 – 10:49
5	10:54 – 11:43
Lunch	11:43 – 12:17
6	12:22 – 1:11
7	1:16 – 2:05

We ask that parents/guardians keep these guidelines in mind when scheduling appointments. Our goal is to keep students in an undisturbed learning environment at all times. In order to limit the number of classroom interruptions, we ask that parents/guardians please attempt to follow the school procedures for early dismissal:

- Please send in a note with all dismissal information for your student to present to the Main Office at the start of the day.
- A photo I.D. will be required and the adult picking up student must be on the student's contact list.
- Early dismissals should be scheduled for the following times:
  - 8:00
  - 9:00
  - 10:00
  - 10:50
  - 11:45
  - 12:20
  - 1:15
- Students will be called to the office once parents/guardians have arrived in the office, have shown I.D. and have been cleared for pick up.
- The latest time for pick-up is 1:15 PM. This is STRICTLY ENFORCED. Any student after this time will be notified that a parent/guardian will be waiting for them in the front office when the bell rings at 2:05.
- In the event that you need to drop off materials or a message to a student, we will contact the student at the end of the period. If it is a message about bussing or after school transportation, we will provide it to the student before the end of the day.

We ask that parents/guardians keep these guidelines in mind when scheduling appointments. Our goal is to keep students in an undisturbed learning environment at all times.

## Parent Portal Contact Information is Important

Anyone who has moved, changed a phone number and/or email address is reminded that updated parent contact information is very important to our school and District. Please follow these simple directions: 1) Visit the [www.collierschools.com](http://www.collierschools.com) website and click on the "Parents" Icon on the top right. 2) Select the Parent Portal Icon to go to the Parent Portal. 3) Login to the Parent Portal using your Parent ID and Password. If you do not know your Parent ID or need to create an account, click the "Begin Now" icon and follow the directions given. 4) After you are logged in, click on the Parent Access Image to go to the update page. 5) On the home screen you have two options available.

The Combine Parent Accounts option will allow you to combine multiple Parent ID(s) into one account. This will allow you to access all your students using a single Parent ID. The second option will allow you to update your Parent Contact information. To do this click on the Update Parent Account Contact Information link. 6) Follow the instructions on the screen to update your parent contact information. Once you are finished click on the Update button.

## Be Sure to Get the Latest Golden Eagles News

Please be sure to follow Naples High School on social media for the latest updates. While we will be sure to communicate emergency information through the phone dialer, email, and text system we will also be sharing information on a regular basis through both Facebook and Twitter. Facebook is used to share updates while our Twitter account is used to share up to the minute news on our school and students. Follow or like us on: Facebook: @ccpsnhs; Twitter: @NaplesHS.

## Naples High School Parking Permit Application Details

On May 14 the office of Attendance and Discipline began distributing parking permit applications during lunch. A parking permit costs \$25 and certain criteria needs to be completed prior to the submission of an application:

- Seniors have priority
- All applications will be queued according to when the completed application is returned
- Applications need to have a copy of their car registration, licensure (or permit if license will be obtained before the start of the school year), and insurance card all copied onto one sheet of paper
- Any obligations to Naples High will need to be satisfied before being considered for a decal

Decal distribution and payment will occur in August. The date and time will be announced later in the summer. Students must have their payment with them when they come to pick up their decal. If a student is approved to receive a parking permit, they will be notified through a dialer.

Please remember that purchasing a student decal is a privilege. Students who violate parking rules or the Student Code of Conduct may receive a ticket and may ultimately lose their decal and permission to park on campus. Students also park at their own risk. Naples High School and Collier County School District take no responsibility for loss or damage of personal property.

## Naples High School Student Parking Regulations

Student parking at Naples High School is limited to only juniors and seniors due to space available. Owning a student decal is a privilege rather than a right. Students who violate parking rules may receive a ticket and ultimately lose their decal and the privilege to park on campus. Students park at their own risk. Naples High School and the Collier County School District take no responsibility for loss or damage of personal property. **Students must follow the parking regulations below at all times to remain in good standing as a student driver at Naples High School.**

- Display decal on the rear view mirror facing forward.
- Honor the 7 mph speed limit on campus.
- Park only in the assigned parking space in the student parking lot.
- Lock vehicle and leave valuables at home.
- Leave the parking lot and move to class immediately upon arrival to campus.
- Stay out of the parking lot during the school day unless accompanied by a staff member.
- Keep vehicle free of bumper stickers, decals, etc. that include profanity, sexual innuendo, non-American flag symbols, and/or reference drugs or alcohol. (CCPS Code of Student Conduct, Rules 8 and 12).
- Keep volume from radio/sound systems low while on campus.
- Refrain from using cell phone while in student parking lot. Being on the phone while driving in the parking lot is immediate grounds for losing decal.
- Purchase a new decal immediately if the original decal is lost. The cost of a replacement decal is \$20.
- Students who lose their parking privileges will be unable to reapply for at least one month, and their name will be placed at the bottom of the waiting list. Parking violations include but are not limited to the infractions listed below. Fines for violations range from \$15-\$25. The monies collected for parking violations fund scholarships for graduating seniors and supplies for the PRO shop. Repeated violations may result in loss of parking privileges for an extended period or permanently.

## Parking Violations

- Parking in any space on campus other than the one assigned in the student parking lot
- Parking in the staff parking lots or other unauthorized areas\*
- Blocking an exit or other cars\* v Speeding (the speed limit on campus is 7 mph)
- Driving recklessly (i.e. unnecessary horn blowing, disrespectful actions from behind the wheel, etc.)\*
- Placing decal on/in car improperly
- Being in the parking lot at unauthorized times without permission and/or without a staff member
- Transferring of decal to another student's vehicle
- Producing or using a forged decal v Committing any other serious infractions
- \*Immediate loss of decal for a period determined by the administration.

**NOTE:** Any student who parks in the student parking lot without a decal will receive a parking ticket. Habitual violators of this rule will face additional disciplinary consequences.

All financial obligations to NHS need to be resolved before an application will be considered. Decals are issued in order by application receipt, and the cost is \$20 payable at the time of pick-up. Issued decals may be picked up in the Attendance and Discipline Office Wednesday, August 7 through Monday, August 12 from 9 a.m. – 12 noon only. If you have questions, please call 377-2229 and ask for Mrs. Gatis.

## NHS School Advisory Council

The School Advisory Council (SAC) sets priorities and student performance standards that serve as guiding principles for schools. The SAC is composed of the principal and a balanced number of elected teachers, education support employees, students, and parents, along with appointed business and community people, who are representative of the ethnic, racial, and economic community served by the school.

A School Advisory Council looks at aspects of their school as suggested by the priorities and develops a written School Improvement Plan as part of the school and District's continuous growth model. The 2019-2020 SAC Meeting dates are as follow:

- August 19
  - November 18
  - March 23
  - September 16
  - January 13
  - April 20
  - October 21
  - February 10
  - May 11
- Membership to the NHS School Advisory Council requires vote. Interested parties should complete the following and submit as requested. Voting for new members will occur at Open House on Monday, August 26.

## Naples High School Band Information

The Naples High School Golden Eagle Marching Band is excited to be gearing up towards its fall competition season again with Director of Bands, Mr. Brian T. Grieb.

Calling all Mad Scientists! The band is excited to perform its 2019 program "Heavy Metal", featuring the music of the rock band Led Zeppelin! The Golden Eagle Marching Band will be rocking out under the Friday night lights on the Saturday competition circuit bringing their own spin on "STEAM".

Performance highlights for the Golden Eagle Marching Band include the Florida Marching Band State Championships in Daytona Beach, Florida in November and a performance at the Military Bowl in Annapolis Maryland this December, along with numerous football games, competitions, and local parades.

The following dates are for the 2019 Naples High School Golden Eagle Marching Band Camp:

- July 29 - August 2: ALL band members from 8:00 a.m. to 5:00 p.m.
- August 5 - 9: ALL band members from 3:00 p.m. to 9:00 p.m.
- August 9: Friends and Family Show (In the Gold Gym) and Picnic (Green Space)

If you have any questions about band, please do not hesitate to contact Mr. Grieb, at [griebb@collierschools.com](mailto:griebb@collierschools.com).

If you would like information on how to become a member of our Band Boosters, please contact our Band Booster President, Ms. Bettina Roedig at [president@napleshighband.com](mailto:president@napleshighband.com).

## From the Office of Student Relations

Thank you from the Office of Attendance and Discipline for another great year. We finished the year with a 47% increase in positive referrals compared to the previous school year, which is a testament to the great things our students continue to do on campus. Two of those outstanding students are Carolina Leon and Alanna Jaron, who were the winners of the NHS planner and hang tag competition. Carolina's planner design and Alanna's hang tag creation will be on display for all to see in the fall.

Even though everyone will be on summer vacation, we have an important reminder for students and parents as they prepare for the new school year. As you shop for clothing for the upcoming school year, please keep in mind the dress code here at Naples High School.

- Any jeans or pants with holes must have leggings underneath
- Dresses, skirts, and shorts must come down past the bottom of the student's fingertips when their arms are held straight at their sides
- Tube tops, halter tops, muscle shirts, midriff shirts, and backless shirts and blouses are prohibited
- Tops must be three inches below the waistband
- Leggings or yoga/work out pants must be under a dress, skirt, or shirt that is long enough to reach past the student's fingertips when the arms are held straight at the sides.

Enjoy your summer, be safe, and see you in August!

## Naples High School Transition Program

*By Mike Wexler*

Our Naples High School transition program is a post graduate educational platform that offers graduating seniors with disabilities who had participated in the Unique modified curriculum or IB12 (autism) units during their diploma track.

The families of our students have the option of deferring their son/daughter(s) diploma for continuation of public school services per their individual education plan (IEP).

Within our program, our students learn life skills as well as intricate daily components to assist them with future employment opportunities. While in our program, the students intern (job shadow) at a wide variety of job sites within our local community. We currently have 23 job sites which is more than any other school in our county.

Our students are clustered into 2 categories:

- Independent interns – Student works unassisted at a job site where they are supervised by that specific job sites employees and management team
- Assisted interns – Student works assisted with either our NHS assistant(s) or job coach on a specific job site. They are supervised by CCPS employees.

Our goal is to get our students ready for the workforce with the expectations of securing them employment while in our program or thereafter.

We also have a component inside our program that involves hobbies and leisure activities. This was unveiled this past fall. We have integrated that with work experience in our local community and it proved to be extremely successful.

We have a very active unit as our students are heavily involved in the Special Olympics, both local and regional. We have paddleboard champs, track champs, bowling champs, and golf champs to name a few. Our goal is always about inclusivity in and around our community.

## Important Fall 2019 Sports Athletic Information

Although the first school day for students in the Collier County Public Schools is Tuesday, August 13, Naples High School fall sports practices begin earlier than that. The Florida High School Athletic Association (FHSAA) determined this school year's fall sports official practice start date for cross country, football, golf, swimming, and volleyball will be Monday, July 29, 2019.

BEFORE A STUDENT IS PERMITTED TO ATTEND PRACTICE (in any manner including pre-season and/or summer conditioning) he/she must have a pre-participation health screening, proof of medical insurance coverage and parental consent documentation on file in the NHS athletic office. All forms must be "current"---that is, not older than 365 days---and, upon expiration during any part of the participation, must be renewed before the student can continue to take part. All forms are available either at Naples High School in the activities office in Building One or online on the following Naples HS website link: <http://www.collierschools.net/Page/3685>.

For more specific and/or additional information about fall sports at Naples High School, please contact the head coach of each fall sport via e-mail:
