FEBRUARY 2021 VOLUME 26 ISSUE 1

## PRINCIPAL'S REPORT

Welcome to the new year – 2021 and the start of the second semester which began on Wednesday, January 20th. Principal's List and Honor Roll certificates will be distributed on Tuesday, February 9th. Certificates will be sent by e-mail to the primary contact's e-mail address listed in Focus.

Parents, when you need to change your phone number or your e-mail address you must use your parent Focus account. Go to the student reservation tab and click "change phone and e-mail address only". Please remember that updating contact information on the yellow clinic card you complete at the beginning of each school year will not update your contact information in the system for automated phone calls and e-mails. Parents must use the process outlined above. You can also change your home address information as needed utilizing your parent log in credentials and clicking the "change of address tab".

On Wednesday, March 3rd, 2021, ALL juniors will take the SAT at school, during the school day for **FREE**! Please encourage students taking the test to utilize the free SAT practice tools available. Sign up or sign in at [SATpractice.org](http://SATpractice.org) for personalized practice on Khan Academy. Using this tool is the best way to get ready for the SAT.

We are still holding our monthly Boosters, SAC, PTSA and senior meetings virtually through Microsoft Teams or Zoom. The links are placed on the school website the afternoon of the meeting dates and a reminder school messenger call is sent out ahead of the time.

Congratulations on our school receiving a 99.5% graduation rate for the 2019-2020 school year. This is truly a testament to the passion, dedication and daily commitment put forth by our teachers, support staff, student and our OFHS families as a whole. Great job by all involved!

Our winter sports are wrapping up their seasons and getting ready to start FHSAA district and state level competition. We wish all of our teams the very best.

In closing, I want to thank everyone for doing their part in maintaining a safe and healthy educational environment for all involved. Our Plant Operations staff is doing an amazing job in their school cleaning and sanitizing efforts. Teachers and staff are going over and above to assure safety protocols are securely in place to the best of their abilities each and every day.

Thank you for choosing Osceola Fundamental High School for your child's educational needs.

The very best to everyone in 2021.

Michael C. Bohnet
