OUR MISSION

To provide personalized learning opportunities that create independent thinkers.

A MESSAGE FROM THE PRIDE LEADER

Dear Oslo Middle School Wildcat families,

I am Eddie Robinson and I am honored to be appointed as the new Principal of Oslo Middle School. This is going to be an incredible year as we continue to provide rigorous and relevant academic experiences for our students. As a team, we will help them build relationships while making real-world connections so that we can continue to increase student achievement.

As a lifelong learner, I believe that every child is unique and has the ability to learn. I believe that every child needs a secure, caring, and stimulating atmosphere in which to grow and mature in their learning. It is my aspiration, to help students meet their fullest potential; by providing them with a safe and stimulating environment. I believe that every child brings something special to their learning environment and I work to assist them in the development of their uniqueness.

Along with the teachers and staff, I will work hard to continue the legacy of success established by Oslo Middle School by building strong relationships with parents, students and community partners. I look forward to working with you as a team to ensure each student at Oslo Middle School meets their goals and has a successful school year!

Best Regards,

Mr. Robinson M.A., Ed.S

Principal of Oslo Middle School

POSITIVE FOOD FOR THOUGHT BECAUSE TODAY IS GOING TO BE A GOOD DAY!

I'm thankful for waking up today.

I'm going to school so I can learn and even go to college or Trade school to be the leader I was created to be.

I'll be educated by my teachers and empowered with tools to be successful within my community and throughout our country.

I apply myself daily, I study, I ask questions when I don't understand and When I'm confronted with a problem or a conflict

I think before I act.

I ignore all the negative influences in the classroom and throughout the day.

I'm extremely proud to be the next generation of leaders.

I accept responsibility and love the challenge.

When I'm confronted with a problem or a conflict

I think before I act.

STUDENT ATTENDANCE

School attendance is one of the strongest predictors of student success. Good attendance provides students with opportunities to learn in the classroom and develop into strong students and citizens. Absenteeism has a negative impact on students' educational progress and sense of responsibility.

PARENTS REPORTING ABSENCES

Please call the attendance line referring to its alphabet order:

- **Attendance line: 564-3995**

Only registered parents and guardians may report the absence of a student.

WHAT ARE THE HIGHEST PAYING JOBS YOU CAN GET WITHOUT A BACHELORS' DEGREE?

During our ROAR classes one of the assignments students are doing is logging onto Naviance to look at colleges and do research on possible careers. Please take a moment to discuss with your student what career fields interest them and join them in the journey of researching those careers and the scholastic track your student can expect in preparing for a career of interest. Below is a list of 13 of the highest paying jobs that can be expected with a High School Diploma or an Associate in Arts Degree.

Some of these jobs can be attained without an Associates in Arts Degree but do require some field of study course work.

1. **\$122,530 per year:** Air-Traffic controllers are highly paid due to its intense and stressful responsibility of being alert and on task constantly. You don't have to have a bachelor's degree.
2. **\$77,560 per year:** Radiation therapists work in the healthcare field and are responsible for checking equipment, observing patient's after their treatments, and documentation of sessions. You'll need an Associate degree.
3. **\$76,650 per year:** Elevator installer and repairers typically start with an apprenticeship. It is preferred that the apprentice have a high school diploma but in some rare cases may be attained without one.
4. **\$80,000 per year:** Nuclear reactor operators perform technical and mechanical work around nuclear reactors, monitoring and operating equipment and controls, and recording meticulous data. High School diploma and on the job training.
5. **\$74,000 per year:** Detectives and criminal investigators assist enforcement and private citizens in tracking down suspected violations of laws, to prevent or solve crimes, or find and recover private property. You'll need an Associate degree.
6. **\$73,000 per year:** Commercial pilots operate with a commercial pilot certificate in addition to a high-school diploma or equivalent.
7. **\$71,000 per year:** Power distributors and dispatchers coordinate, regulate and distribute electricity or steam, these positions are available in a technical facility or plant. You'll need a High School Diploma and long-term on-the-job training.
8. **\$70,000 per year:** Dental hygienists are required to provide dental cleanings, examine patients for oral ailments, and provide preventative care. You'll need a high school diploma and college.
9. **\$70,180 per year:** Nuclear medicine technologists scan patient's bodies to create images and administer radioactive drugs to patients undergoing scans. You'll need an Associate degree.
10. **\$70,060 per year:** First-line supervisors of non-retail sales workers are basically the middle management of a corporate sales force; including, supervision of workforce activity, sales goals and company revenue. You'll need a high school diploma and to stay competitive a history of similar experience or Associates degree in marketing or sales.
11. **\$69,300 per year:** Farmer, ranchers, & other agricultural managers take a roll in the operation of farms, ranches, greenhouses, aqua-cultural operations, nurseries, timber tracts or other ag establishments. You'll need a high school diploma and to be competitive a degree in agriculture.
12. **\$66,130 per year:** Power plant / Water plant operator control, operate, and maintain the machines that generate electric power. You'll only need a high school diploma and long-term on-the-job training.
