PRINCIPAL'S MESSAGE

We are excited to have you on campus for the first time, or as a returning member of our PPHS family! I look forward to working with students, families and faculty to maintain our focus on instruction and learning. We know that getting students involved in school has a direct impact on their academic success and one of our goals is to ensure every student is connected to a class, program, club, sport, performing art, or other group that helps support a well-rounded experience in high school and increases daily attendance. Additionally, maintaining a challenging schedule increases engagement and opens doors and opportunities in the future. Pinellas Park High School offers, content elective classes, 30 college level courses and more than 40 clubs. Remember, the more involved you are in school, the more success you will find on your path to tackling high school and preparing for college, career and life.

Patriot PRIDE (Preparation, Respect, Involvement, Determination, and Excellence) encompasses the guiding elements that are key for success. Being Prepared for learning, Respecting oneself and others, getting Involved in school, Determined to be on-time, and dedicated to Excellence, are the benchmarks to a successful student. Incorporating Patriot PRIDE in our daily expectations for every student will continue individual and collective growth.

Thank you for trusting us with your educational needs and expectations.

Sincerely,
Brett Patterson
Principal

SUPERVISION TIMES

This is a reminder that the Code of Conduct states parents “will not leave their child at school more than thirty (30) minutes before the start of the school day or pick their child up more than thirty (30) minutes after the school day. Supervision will not be provided beyond that time. This also includes school activities outside the regular school day such as clubs, dances, carnivals, practices, and games.”

It is important that parents plan to pick up their student in a timely manner. After school hours students must be with a coach, teacher or club sponsor to remain on campus. Parents must make arrangements to pick up students within 30 minutes of an after-school game or other event.

CALLING ALL VOLUNTEERS

It's that time again when we need mentors and volunteers to help our students, teachers and coaches with mentoring, field trips, club activities, practices and games. You may volunteer for a one-time activity or for the entire year, it's up to you. For those that will be signing up for the first time, you must fill out the volunteer registration form found on the PCSB website <https://focus.pcsb.org/volunteer> and return it to Carolyn Demartino, our Family and Community Liaison. If you are a returning volunteer, the district will be placing you on an in-active status the end of July so remember to update your information and re-activate your profile on the district Volunteer System. For any additional information or questions, please contact Carolyn Demartino at demartinoc@pcsb.org or (727)538-7410 ext. 2132.

TITLE 1 AT PINELLAS PARK HIGH

Title I is a federally funded program available to select schools, based on the percentage of students eligible for free and reduced lunch. Title I funds are supplemental to district funds given to schools and are to be used to increase student achievement.

According to Federal Guidelines, all schools must hold an Annual Meeting. Our Title I Annual meeting will be held at Pinellas Park High School on August 3, 2022, at 5:30pm. Information will be presented about the school's Title I program, curriculum, and plans for highest student achievement. Families will learn about how Title I funds are used to enhance the educational program for their children. If you are unable to attend this meeting, we will hold an additional Title I meeting on August 30, 2022, at 5:30pm, or you can view the PowerPoint on the school's website www.pp-hs.pinellas.k12.fl.us.

Children do better in school when their parents/guardians are involved. Building home, school, and community partnerships is an essential part of the Title I Program. One way to encourage this partnership is through the compact. A compact is a voluntary pledge that asks students, teachers, and parents/guardians to agree to work together so that children are successful in school. Signing the compact symbolizes that all agree to work together to ensure student success. The School, Parent, and Student Compact will be distributed to students the first 2 weeks of 2022/2023 school year. Questions about Title I at Pinellas Park High should be directed to Brett Patterson, Principal; pattersonb@pcsb.org or 727-538-7410 ext. 2020.

Where to Access 2022/2023 School & District Title I Plans & Parent Involvement Policies

Families and community members are invited to read individual Title I School Improvement Plans, School Parent Involvement Plans, the District Title I Parent Involvement Plan, as well as Pinellas County's 5 Year Plan for Title 1. These plans and policies are available in the school's front office. A translation can be provided upon request. The district and school parent involvement plans are also available on the Pinellas County Schools district website www.pinellas.k12.fl.us.

SCHOOL BUS TRANSPORTATION

The transportation department will notify each student by postcard, prior to the start of school, of the bus route, location and time of pickup each morning. If you would like to keep up to date on the daily schedule of your students' bus, you can sign up for the bus bulletin by going to <https://app.busbulletin.com/register.php>.

Students transported by school bus are expected to follow the directions and behavior guidelines set forth by the bus driver. Bus rules are posted in the bus and are necessary in order to provide safe transportation for all students. Failure to follow the behavior expectations may result in a bus discipline referral being sent to the program administrator. Consequences for student misconduct on the school bus will range from a warning to suspension from bus riding privileges and possible suspension from school, depending on the seriousness and frequency of the misconduct.

Students are responsible for arranging their own transportation home from after-school activities or if detained for disciplinary reasons.

- Residency Questionnaire
- School-Based Healthcare Services
- Student Clinic Card

You can access these within the individual student's record in Focus. See screenshot

ATTENDANCE

There are times when circumstances prevent a student from attending school. In case of illness or other family emergency, absence from school is expected and appropriate. However, in high school, attendance is directly related to academic success.

PASS TO LEAVE (PTL)

If a student needs to leave school during the day, the student should email their student's office clerk before the first class period. The email should include the reason for leaving, the time the student will be picked up, the name of the person coming for the student and a phone number of a parent to verify the note. If a student leaves during the day or arrives late to school due to a doctor's appointment they must bring a doctor's note to the office clerk or in the Administrator's bins in Admin A upon return to school in order for the absence to be excused. Emails for office clerks are as follows:

- Traditional Students A-G: Mrs. Velazquez - velazquezme@pcsb.org
- Traditional Students H-Q: Ms. Robinson - robinsonde@pcsb.org
- First Responder and Traditional Students R-T: TBA
- Criminal Justice Academy and Traditional Students U-Z: Ms. Cruz - cruz-riverac@pcsb.org

GRADES

Ninth grade is typically the beginning of grades being calculated and used for satisfying state graduation requirements, college admission, scholarships, etc. One of the primary reasons for less than satisfactory grades in ninth grade is missed assignments. A zero grade is recorded for a missed assignment. Even one missed assignment can have a serious negative effect on the final grade. Students should utilize a system of keeping track of daily assignments, homework and make-up work, as well as scheduling time to review those assignments each night.

The best way to monitor student attendance and/or grades is by logging on to the PCS Portal/Focus system. This is also how you can contact your student's teachers should you have any specific questions regarding his/her grades or attendance. If you have any issue you're your Focus username and password, you can go in to any Pinellas County School to have it fixed.

Students will receive report cards every 9 weeks. Weekly progress reports will also be emailed by Mr. Patterson. In order to ensure you are receiving this update, please make sure your email address is up to date in Focus. You can contact your student's office clerk to update your email.

LANGUAGE ARTS NEWS

Alina Leszczynski's poem, "The Golden-Haired Bride," has been officially registered in The American Library 2022 Poetry Contest. Her poem will be published in Resilience and has now been entered into the division competition which will be decided in late September. Congratulations Alina on a job well done.

ABSENCES

In order to excuse your child's absence, you must report the absence to the office clerk within **48 hours** of the absence occurrence. The easiest way to report an absence is by going to our website and using the menu item on the left that says, "Report a Student Absence". According to School Board policy a tardy, pass to leave, or absence will be **EXCUSED** for the following reasons:

- The student is ill or injured with a doctor's note.
- There is a major illness in the student's immediate family (this means parents, brothers, sisters, grandparents, or others living in the home).
- There is a death in the immediate family.
- The student attends religious instruction or there is a religious holiday in the student's own faith.
- The student is required by summons, subpoena or court order to appear in court. A copy of the subpoena or court order must be given to the principal.
- Special event. Examples of special events include important public functions, conferences, state/national competitions, as well as exceptional cases of family need. The student must get permission from the principal at least five days prior to the absence.
- The student has a scheduled medical or dental appointment with a note.

Any absence that does not meet the above requirements will be considered unexcused.

Pinellas County School Board policy states that if a high school student misses more than four days of school during a semester (this includes both excused and unexcused), the student will not be eligible for exam exemption regardless of their final semester grades.

After an absence, the number of days allowed to make up the work shall be the same as the number of days the student was absent. It is the student's responsibility to see each classroom teacher to arrange for make-up work and turn the completed work in on time.

ABSENCES AND DRIVING PRIVILEGES

Any student who accumulates 15 unexcused absences in a period of 90 calendar days will have their name sent to the Department of Highway Safety and Motor Vehicles. The Department of Highway Safety and Motor Vehicles may not issue a driver license or learner's driver license to and shall suspend any previously issued driver license or learner's driver license of, any such minor student.
