## PRINCIPAL'S MESSAGE

Dear Patriots,

The PPHS Positive Behavior initiatives continue to recognize the work students are doing in the classroom and school. Students are being celebrated for regular attendance, no tardies and going above and beyond as a student. Being on time and ready to learn maintains your student's path to academic success. We continue to reduce the number of failing grades and increase the number of students receiving honor roll and dean's list each marking period. This reflects the success of our collective efforts to support every student, every day.

To help your student, please continue to monitor grades and attendance through your Focus account. We are approaching final exams and your assistance is key to your student's growth and success in all areas. The Learning Success Lab, G2, is open every day during lunch and after school until 3:00pm Monday through Thursday. Students that utilize the resources in the Learning Success Lab increase their GPA and overall test scores.

My goal is to maintain a safe campus, instill high academic expectations coupled with appropriate support and provide a positive atmosphere for your student to thrive. I am excited to be part of your student's journey and look forward to a strong beginning of second semester.

Thank you for your continued support.

Brett Patterson

## SUPERVISION TIMES

This is a reminder that the Code of Conduct states parents “will not leave their child at school more than thirty (30) minutes before the start of the school day or pick their child up more than thirty (30) minutes after the school day. Supervision will not be provided beyond that time. This also includes school activities outside the regular school day such as clubs, dances, carnivals, practices, and games.”

It is important that parents plan to pick up their student in a timely manner. After school hours students must be with a coach, teacher or club sponsor to remain on campus. Parents must make arrangements to pick up students within 30 minutes of an after-school game or other event.

## SCHOOL ADVISORY COMMITTEE NEEDS YOU!

Our School Advisory Committee (SAC) meets the 3rd Tuesday of every month at 6:00 pm in the Media Center. We welcome parents, community members and school staff to join us and be a contributing member to our success.

## THANK YOU

Ms. Foley appreciates the generosity and graciousness of the Achieva Credit Union for supplying her classroom with brand new pens for her students to write their work. She would especially like to thank the branches in Seminole, Pinellas Park, and Dunedin. Ms. Foley knows that at any time she can ask the branch managers and they will come through with supplies of pens for our students, and for this she is truly grateful. Thank you Achieva!

## FIRST RESPONDERS

Our 10th grade classes have been in the Emergency Management and Incident Command Units so we went outside to have an Incident Command Parade. The students were all assigned a position and wore silly hats to designate what their job was in the IC chart. One class even had to maintain their structure while “bystanders” tried to distract them and steal their people. Here are the 5th period EPR 2 students assigned to the Command Staff.

## PERMISSION TO LEAVE

If you know in advance that your child will need to leave during the school day, please provide a note with the following information:

1. Name of student
2. Grade level
3. When they need to leave
4. Why they are leaving
5. Signature of the parent/guardian

Please have your student take it to their assistant principal's office for processing.

## LIVE FREE CLUB

We are proud of our PPHS student "Live Free" Club members. The first photograph is the Walk Like Madd Event at Albert Whitted Airport where we attended and won an award for Top Academic Team. The second photograph is of our club members involvement in an event that surrounds "Red Ribbon Week". The members placed Red Ribbons around trees throughout the entire school campus referencing staying Drug and Alcohol Free and making sound life decisions...

## CRIMINAL JUSTICE NEWS

Students in the Criminal Justice Academy recently got to experience some hands on learning through their Principles of Public Service Course when they attended a field trip that allowed them to explore various city buildings within Pinellas Park and interact with employees. Students toured the Pinellas Park Police Department where they met with records personnel, dispatchers, data analysts, the special operations unit and toured the K-9 training compound. Students then met with members of Pinellas Park City Hall to include the City Manager, Human Resources, the City Clerk, the IT Department, and they even held a mock council meeting. Next on their agenda was touring Pinellas Park Fire Department Station 33 and Station 35 Fire Administration where students were taught about escaping home fires, administering CPR, and firefighter duties. The Fire

Department even offered snacks and the Fire Chief let students use the fire hose! After a picnic lunch in Freedom Lake Park students headed off to the Public Works Building where they truly learned the ins and outs of how the City of Pinellas Park functions and the importance of all public services in our community. The students had an incredible experience and we are truly grateful for our partnership with the City of Pinellas Park.
