PRINCIPAL'S MESSAGE

Thanks and happy almost break!

This year continues to be filled with excitement, resilience, and pride surrounding the dedication and accomplishments of our students and faculty. The continued dedication to build positive relationships throughout the PPHS Campus is reflected in classroom instruction and our First Friday Activities. The goal is to maintain a positive academic environment that provides the best opportunity for learning. To reach that goal we expect students are in class and on time to every class, once they are on campus. Your support with our collective efforts related to attendance and grades is appreciated and easily done through the monitoring of weekly progress reports. If you are not receiving the weekly progress reports, please email me directly at Pattersonb@pcsb.org. Staying informed of your student's progress is critical to their success.

Thank you for your support.

Brett Patterson
Principal
