PRINCIPAL'S MESSAGE

Dear Riverview Families,

As we enter the season of giving, our annual RHS Foundation Giving Tree will be available in the Main Office if you would like to support any of our families' needs this holiday season. It is through your unwavering support that all our students can learn to the best of their ability by having their needs met. I want to thank everyone for the enormous support already given to our school community through jackets, school supplies, granola bars and gift cards.

We have so much to celebrate this fall. Nina James was nominated as Teacher of the Year. Ms. James is our Testing Coordinator who manages and supervises over 2700 students taking/passing various tests for graduation. Her enthusiasm and positivity are her trademarks and we are so grateful that she has dedicated the last eighteen years to the students and families at Ram Nation. We look forward to celebrating Ms. James and all her accomplishments at the annual Teacher of the Year Celebration sponsored by the Ed Foundation later this month.

In addition, we have several celebrations of our fall sports programs as well as our extracurricular activities:

- Girls' Swimming 4A State Champions
- Gracie Weyant, Addison Sauickie, Taylor Schwenk and Angelina Lista - Girls 200 Yard Medley Relay State Champions and State Record
- Gracie Weyant, Addison Sauickie, Brynn Lavigueur and Brianna Deierlein - Girls 400 Yard Freestyle Relay State Champions

SAT & ACT REMINDER

Registration for SAT is completed at www.collegeboard.org and ACT registration at www.actstudent.org. Fee waivers are available for those who qualify for free/reduces lunch. Fee waivers may be obtained by seeing Ms. Fulmer in room 5-331, and test registration will be required at that time.

GRADE POINT AVERAGES

Grade Point Averages (GPA) are computed as both weighted and unweighted for specific purposes related to athletic eligibility, graduation, class ranking, scholarship opportunities, etc. and are determined by averaging the quality points per credit earned by a student.

The achievement of a cumulative unweighted grade point average of at least a 2.0 on a 4.0 scale in the courses needed for graduation is required. All courses must be included in the unweighted GPA calculation unless the grade has been forgiven.

Grade Point Average weight is dependent upon the course. High School grade point averages shall be calculated on both a weighted and unweighted scale. Students earning credits in honors level courses and all level three instructional courses will earn an additional 1.0 quality point. Students earning credit in AP, DE, AICE, and IB courses will earn an additional 1.5 quality points.

Selecting Class

Students will begin selecting classes for the 2024-2025 school year beginning in January. Students should begin thinking about classes that they may be interested in taking for the upcoming school year. Counselors will be meeting with students to discuss choices and the schedule process in the new year.

SCHEDULING

Second semester will begin on January 10th, 2024. Students should check the Student Portal for schedules prior to the first day of the 2nd semester as some schedules may have changed from semester 1.

Scheduling for the 2024-2025 school year will begin with rising seniors at the end of January and will continue with rising juniors and sophomores during the months of February and March. Counselors will visit classrooms to share scheduling information and answer questions prior to students meeting one on one with their counselor to select their courses for next year. We encourage students and parents to access the Riverview Program of Studies on the Riverview website for graduation requirements and information on specific programs and courses available at Riverview.

Current sophomores who are interested in attending **Suncoast Technical College (STC)** for the 24-25 will have the opportunity to learn more about the programs they offer on Wednesday, January 18 during their World History class.

Current sophomores who are interested in the **International Baccalaureate Career Program (IBCP)** can apply online starting December 5th. Applications can be found on the RHS IB website and on RhsActivities.com/ibcp.

ATTENTION: IBCP APPLICATIONS

IBCP Applications are now open on rhsactivities.com/ibcp and riverviewib.com. They will close Monday, January 29th at 3:00pm. Decision emails will be sent on February 1st, 2024.

A part of student success is being informed and prepared for the next steps of your journey! In addition to visiting the Student Success Center, here are a few reminders of what you should be working on. Seniors: Do you have a plan for after high school? Don't know where to start? Visit the Student Success Center for assistance so we can help you develop your plans for after graduation!
