PRINCIPAL'S MESSAGE

Dear Riverview Families,

Welcome to second semester! This month, students have begun selecting their classes for the 2022-2023 school year. We encourage parents to get involved with this process and support your children in next steps. All course selections can impact a student's GPA, transcript or options for post-secondary education, so we strongly encourage parents to reach out to their child's school counselor for guidance. Graduation requirements are based on what is required by the state so please work with your counselor if you decide to take any classes off campus (e.g. FLVS, SVA, DE, etc.). Our counselors are trained with the most up to date information and can give you the best route for your student's success.

Thank you to everyone who came out to our annual SPIN Night (Student Parent Information Night) on February 16th. If you are interested in any clubs or activities on Riverview's campus, please check out the RHS Activities website: <https://www.rhsactivities.com/> for more information.

Additionally, testing season is upon us. Starting in April, students will showcase their learning through FSAs, EOCs, LEOCs, industry certifications, AP and/or IB exams. Please collaborate with your student to know which assessments are required this year and how to help him/her perform best. All assessments can impact a student's graduation requirement or course selection for the following year. Whether it is gently reminding your child to go to bed early, eat a healthy breakfast or try their best, we appreciate your support. We know how hard our students have worked this year and want to ensure they display that knowledge to the best of their ability.

For our seniors, it is officially your last semester in high school and we are elated for your next steps. Make sure to continue working on your deadlines, get your FASFA application completed, visit Mrs. Berris in the Student Success Center and check with your counselor on any post-secondary plans. This is your final semester to show your brilliance and explore your passion before you walk across that stage. Make every moment count.

Wishing everyone a prosperous 2022 and I look forward to what spring brings to Ram Nation.

Sincerely,

Erin del Castillo

SAT & ACT REMINDER

It is recommended to start preparing for the ACT and SAT the spring/summer before junior year. Registration for SAT is completed at: www.collegeboard.org and ACT registration at: www.actstudent.org. Fee waivers are available for those who qualify for free/reduced lunch. Students may receive up to 4 fee waivers (2 ACT & 2 SAT). Fee waivers may be obtained by seeing Ms. Fulmer (5-331) and test registration will be required at that time.

GRADE POINT AVERAGES

Grade Point Averages (GPA) are computed as both weighted and unweighted for specific purposes related to athletic eligibility, graduation, class ranking, scholarship opportunities, etc. and are determined by averaging the quality points per credit earned by a student.

Grade Point Average weight is dependent upon the course. High School grade point averages shall be calculated on both a weighted and unweighted scale.
