PRINCIPAL'S MESSAGE

Dear Riverview Families,

Welcome to second semester! Congratulations to our very own Mrs. Stacy Lahdenpera, who won School Related Employee of the Year for the district! Ms. Lahdenpera is the first Riverview High School employee to win this incredible honor. Ms. Lahdenpera is known as the "heartbeat" of our school, and we wish her the best of luck as she competes at the state level.

This month, students have begun selecting their classes for the 2024-2025 school year. We encourage parents to get involved with this process and support your children in next steps. All course selections can impact a student's GPA, transcript or options for post-secondary education, so we strongly encourage parents to reach out to their child's school counselor for guidance. Graduation requirements are based on what is required by the state so please work with your counselor if you decide to take any classes off campus (e.g. FLVS, SVA, DE, etc.). Our counselors are trained with the most up to date information and can give you the best route for your student's success.

Additionally, testing season is upon us. Starting in April, students will showcase their learning through FSAs, EOCs, LEOCs, industry certifications, AP and IB exams. Please collaborate with your student to know which assessments are required this year and how to help him/her perform best. All assessments can impact a student's graduation requirement or course selection for the following year. Whether it is gently reminding your child to go to bed early, eat a healthy breakfast or try their best, we appreciate your support. We know how hard our students have worked this year and want to ensure they display that knowledge to the best of their ability.

For our seniors, it is officially your last semester in high school and we are elated for your next steps. Make sure to continue working on your deadlines, get your FASFA application completed, visit Ms. Ruiz-Tagle in the College and Career Center and check with your counselor on any post-secondary plans. This is your final semester to show your brilliance and explore your passion before you walk across that stage. Make every moment count.

Wishing everyone a prosperous 2024 and I look forward to what spring brings to Ram Nation.

Sincerely,
Erin Haughey

COURSE SELECTION FOR THE 2024-2025 SCHOOL YEAR

Students have begun selecting their classes for the upcoming school year. All students will be meeting with their counselor one-on-one to review their class choices before Spring Break.

The Program of Studies describing the classes that Riverview High School has to offer can be found online on the RHS Activities page, www.rhsactivities.com under the Guidance tab.

GRADE POINT AVERAGES

Grade Point Averages (GPA) are computed as both weighted and unweighted for specific purposes related to athletic eligibility, graduation, class ranking, scholarship opportunities, etc. and are determined by averaging the quality points per credit earned by a student.

The achievement of a cumulative unweighted grade point average of at least a 2.0 on a 4.0 scale in the courses needed for graduation is required. All courses must be included in the unweighted GPA calculation unless the grade has been forgiven.

Grade Point Average weight is dependent upon the course. High School grade point averages shall be calculated on both a weighted and unweighted scale. Students earning credits in honors level courses and all level three instructional courses will earn an additional 1.0 quality point. Students earning credit in AP, DE, AICE, and IB courses will earn an additional 1.5 quality points.
