Message From The Principal

Greetings Chief Families!

I cannot believe the 4th quarter of the school year will begin on April 19, 2021. Time is passing so fast! I cannot stress enough the importance of students finishing the year strong. Even though it has been one of the most challenging we have experienced, my goal is to ensure all of our students pass their classes successfully. Parents, we will need your help. If students are in need of additional support, please contact their teachers and counselors who will provide you with assistance. Students who are on the virtual platform and would like to return to in-person learning during the 4th 9 weeks may contact their guidance counselor. A waiver must be completed and approved by the Principal before a student may return.

The coronavirus remains a threat in our community. It is important we continue to follow all CDC guidelines while on campus to ensure the safety of students and staff members. Our students are adhering to safety guidelines and I am confident they will continue to do so, great job Chiefs!

State, accelerated and industry certification assessments are underway. In preparation for upcoming assessments, there are extended learning opportunities for students to get support if needed. Please speak to your student in regards to their upcoming assessments and encourage them to take advantage of these opportunities and do their very best. If you have any questions regarding testing, contact our assessment coordinator at glenn.brown@palmbeachschools.org.

Kudos to the Class of 2021! Our graduation ceremony is on Monday, June 7, 2021 at 8:00 am at the South Florida Fairgrounds. Pertinent information regarding senior activities, etc. will be shared later this month. All seniors who are participating in our graduation ceremony must purchase a cap and gown from Herff Jones, our graduation representative. If you have any questions, email our graduation coordinator at jim.krupa.palmbeachschools.org.

Finally, thank you for your continued support during this very unusual year. We appreciate the support of our parents and community members.

Take care and stay safe!

Sincerely,
 Tameka Robinson,
 Principal

APRIL 2021

Santaluces Singing Chiefs!

"Congratulations to our Singing Chiefs Samantha Lima and Jennifer Arreola for earning Superior and Excellent ratings for their solo performances at the District Solo and Ensemble Assessments!

Also, congrats to Samantha for receiving her plaque for making it to Florida All-State!

Getting Ready for the AP Human Geography Exam

Students have been working hard all year in preparation for the AP Human Geography exam, for many students this will be their first Advanced Placement CollegeBoard exam!

Starting March 25, and continuing every Tuesday and Thursday until the exam date in May; I will be holding after school review sessions via google meet. Each review session will cover a specific unit topic and practice of a critical exam skill. Review sessions begin at 2:45 and end at 3:30 pm, students can join virtually or in person.

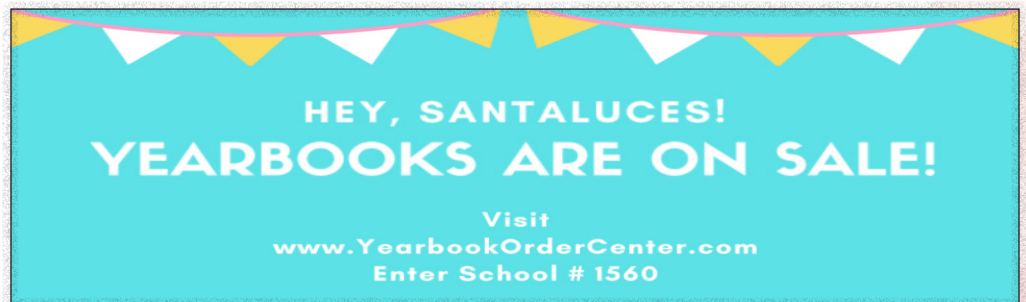

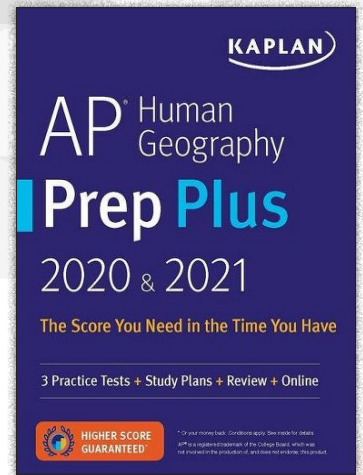

Additionally, I highly recommend purchasing a review book, if you have not already done so. As this course covers a great deal of content, a review book is a great tool to help students study and prepare for their upcoming exam.

I know as a parent I am always looking for ways that I can help my children; here are a few tips and suggestions:

Here's how you can help.:

- ★ Watch the national and international news daily and talk to your child about what is going on (I do not have a preference of which channel; I just want students to start making connections).
- ★ Designate specific areas in your home for schoolwork and study.
- ★ Remind your child to prioritize classes, activities, and work commitments.
- ★ Encourage your child to form a study group.
- ★ Ask your child questions; have them explain to you what we are discussing in class.
- ★ This has been a unique year to say the least, and I want to do everything I can to make sure students finish strong!

~Ms. Alonzo,
AP Human Geography Instructor

A few spots are left!

We need you!

Advertise in the Smoke Signals!

This is a wonderful way for your company to get community recognition and exposure, and at the same time help support your local schools!

AP/AICE Testing Update

Advanced Placement:

Just a reminder, student personalized testing schedules will be sent from Mrs. Cacace by April 15th. Please remind your students to keep an eye on their school email for this schedule. Additionally, April 8th the Digital Testing Application is available for download on The College Board website. This application will allow students practice with sample questions and become comfortable with the digital testing platform. Reach out to Mrs. S. Robinson at Shakeica.Robinson@palmbeachschools.org if you or your student has any AP test related questions.

AICE:

Students participating in AICE courses will be required to come to campus to test in May. Please be sure they keep an eye out for emails regarding AICE testing. Emails will be sent to their district accounts. The testing schedule is set and will be posted on our school website. Additionally, it will be shared with all AICE students via student email. Reach out to Mrs. S. Robinson at Shakeica.Robinson@palmbeachschools.org if you have any AICE test related questions.

School Counseling Corner

Freshmen, Sophomores & Juniors:

Palm Beach State College will host a Virtual Dual Enrollment Open House, via Zoom on the following dates from 6:00PM-7:30PM on the following Wednesdays: April 14th & May 12th

- The intent is to provide interested families with information about the benefits of the program, and to answer any questions you may have.
- Registration is required. Go to www.palmbeachstate.edu/DualEnroll. Select the date you would like to attend.
- Minimum Cumulative GPA - 3.0 with applicable test scores on the ACT, PSAT, SAT or PERT.

Sophomores and Juniors:

CollegeBoard Big Future will host regional virtual college fairs to help your child connect with colleges, admissions officers and current college students. Students can register for events in our region and/or the region that they are interested in attending college.

- Go to cb.org/bigfuturedays for more information and to register.
- The Sun-Sentinel and Tribune Publishing are hosting a virtual college fair. The event is now through March 20th.
- Students may register for this event at <https://tribpubcollegefair.com/>.

Juniors:

The College Board has a program for the Class of 2022. The Opportunity Scholarship is a 6 step college planning program for 6 separate chances at \$500. After completing all 6 steps, students' names are entered into a drawing for another scholarship. Visit opportunity.collegeboard.org for more information.

Seniors:

Has your senior completed the Free Application for Federal Student Aid (FAFSA)? As of February 2021, approximately 27% of our seniors have completed the FAFSA Application.

It's not too late to apply. Please visit <https://studentaid.gov/h/apply-for-aid/fafsa> to complete your application.

Scholarships are posted on the 12th Grade School Counseling Google Classroom. Please look into these opportunities.

Guidance Department Google Classroom

Attention Chief parents and students: make sure that you are visiting the SCHS School Counseling Dept. Google Classroom often. Each student has been added to their grade level Google Classroom. Google Classroom include:

- Community Service Opportunities - both in person and virtual
- 2020-2021 Bright Futures Initial Eligibility Requirements
- FAFSA Parent Night - Free Application for Federal Student Aid for Colleges, Universities, and accredited Trade Schools.
- Dual Enrollment and Early Admit information
- 2020-2021 SUS Admissions Tour MATRIX - (unofficial) State University System Admissions - an overview of admission requirements and application deadlines

Santaluces JROTC

A Raider's Story

This pandemic hasn't been able to stop our ROTC's mighty cadets! The Raider team has performed exceptionally this season, demonstrating growth as a team and as individuals. Ranging from all kinds of events that tested the cadet's strength and endurance, the team showed proficiency in every field.

A team of six male and four female cadets competed against two to three other schools. Each competition includes a PT test, rope bridge, litter carry, and a team run. Some schools will add fun events, like a Humvee push. The team with the faster average time places.

These cadets wake up early on Saturday mornings to test themselves. This is more than a competition. First Sergeant Lemly, ROTC instructor, stood in the teams corner the entire time. His motivating words fueled the team to perform beyond the best of their abilities. The raider commander, Daniela Martinez, led the team with a heavy fist. Practice was held four times a week for two hours, and there were mandatory weekend runs for the team to ensure no slacking.

Their last competition titled "Best Raider" took place at Atlantic High School. Each school chose two cadets per category to represent the school. Our male and female teams both placed second! Our coed came in fourth place. It was definitely a tough competition, but there is nothing our cadets can't handle.

Moving forward, this was an incredible season for the Raider team. Until next year.

Go Chiefs!
