### Message From The Principal

Hello Chief Families,

Thank you for a great start to the school year! Our students are doing well and working hard. There are only 43 days in the second quarter of the school year. It is extremely important for students to attend school each day and focus on performing well in all of their classes. **Students who have more than nine absences in the first semester will have to take and pass the semester exam to exhibit mastery of the course.** Extended learning opportunities are being offered to assist students who need extra help. Please take advantage of the opportunity if needed.

Sincerely,  
Principal Robinson
