A MESSAGE FROM OUR PRINCIPAL

Hello Shark Family,

The first quarter of the school year is almost complete and it's been quite a remarkable few weeks. The climate and the culture of our school has been the focal point for this year. We want to continue to build the positive relationships between our students and staff. All students were given a free 25th Anniversary "Shark Nation" t-shirt during their lunch period to generate school spirit on our campus. All students seem to be really pleased with the design of the t-shirt. Also, our teachers are starting to recognize students for demonstrating good and positive behavior and attendance through our PBIS "Shark Waves" program. Currently, our average daily attendance rate has increased to 93% and our office disciplinary referrals have decreased by 72% out of 1934 students. Our school campus recently scored an 88% for cleanliness and building maintenance, which we will continue to strive toward the 100% range. And lastly, we will be honoring our students with good attendance and zero referrals at our Fall Festival Celebration on October 17th, so parents please be on the look out for the parent permission slips, which will need to be signed in order for your child to participate. We are truly excited about the success that we as a school have accomplished in our first 9 weeks and we are looking forward to more of the same. Thank you parents for your support.

Enjoy Two Great Courses
at one destination...
Sandridge!

Sandridge Golf Club, located in Vero Beach, features not one but two fantastic 18 hole championship layouts. The Dunes Course, which opened to the public in 1987 is a classic layout that winds around an old ridge that runs up the East Coast of Florida that was once used for mining operations. The Lakes Course opened in 1992 and features one of the toughest holes in all of South Florida, the par 4 14th. Players visit from around the globe to take a shot at the 14th hole and its challenging island green.

Sandridge Golf Club is a must-play experience for serious and casual golfers alike. An experience not to be missed.

NJROTC

The NJROTC Shark Company is proud to announce the closing of our annual event known as Basic Leadership Training (BLT). On September fifth through the eighth over sixty cadets stayed in the NJROTC building for four days and three nights. Within these days the newly-minted first years in our company were taught the information needed to pass their first promotion test, which gives them their first rank as Cadet Seaman Apprentice. Not only did we have a 100% promotion rate, but we've even taught them the skills necessary to pass their next basic drill test. Events during training were led by the cadet company staff. BLT was staffed by not only the official company staff, but also by other productive upperclassmen throughout the unit as drill and academic Instructors. It may sound like a very serious event, but our cadets sure know how to have fun via dodgeball and bursting out randomly into the classic song "Take Me Home, Country Roads" by John Denver.

FINS & PINS GOLF TOURNAMENT

The SRHS Boys and Girls Golf Teams would like to thank everyone who played in our annual "Fins & Pins Golf Tournament" fundraiser. A big THANK YOU to the following sponsors for their generosity: Affordable Water & Coffee Service, Drs. Pirkle and Chapman, Dr. Michael Venazio, Steve Supplee Construction, and Scott's Sporting Goods.
