Principal's Message

Dear Parents,

We are nearly the end of the final quarter of the 2016–2017 school year. Right now, your student's focus should be on a strong finish, and you can help. Your attention and involvement in that finish will reinforce the importance you place on education, dedication, and performance. Please take these steps to support your student during this critical time:

- Reinforce positive and successful school habits. Homework, test preparation, and attendance are key factors in a strong finish to the school year.
- Access and review your student's class progress and testing schedules on our website: www.seminoleridge.org.
- Help your student set goals and create an appropriate plan to improve current weaknesses and prepare for final exams.
- Coach your student to increase focus and effort. 'Coasting' is a natural temptation—but a deadly tendency at the conclusion of the school year.

Your involvement is a tremendous positive factor for a strong finish. Your interest, willingness, and dedication to helping your child succeed provides an unmistakable and often-appreciated message—your child will thank you for it someday. Should you or your student require any additional assistance, please let us know.

On behalf of our faculty, staff, and administration, I wish you all the best this summer.

Sincerely,

James C. Campbell, Ph.D.
Principal

*Educating the students of today for
the challenges of tomorrow.*

Health Care District of Palm Beach County

From the desk of your Health Care District school nurse:

As the school year comes to an end, it will be necessary for you to pick up your child's medication from the clinic.

You may pick up any extra medication between now and Friday, June 2, Mondays through Fridays from 7:00 to 3:00. Any medication not picked up after that day will be disposed of properly.

Please remember that if you need to bring medicine for the 2017-2018 school year, the school district requires that a 'physician authorization of medication/treatment for a student at school' form be filled out and signed by the child's physician. In addition, a photograph of the student must be kept in the clinic file.

The American Academy of Dermatology has named May as 'National Skin Cancer Awareness Month.' More than 10,000 Americans will die from skin cancer this year. Skin cancer is preventable and, if detected early, almost 100 percent curable. Skin cancers can appear on any area of the skin, but they often occur where there is a mole.

Become familiar with your moles and note any changes. Watch for asymmetry (one half does not match the other); border irregularity (the mole's edges are ragged, notched, or blurred); color not uniform (different shades of tan, brown, or black; patches of red, white, or blue); and diameter (wider than six millimeters, or growing larger).

Practice frequent self-examination of your skin and moles, and consult a dermatologist immediately if you see any of your moles exhibit any of these signs.

Guard against skin cancer: guidelines to follow:

- avoid the sun between 10:00 and 4:00, when its rays are strongest;
- wear clothing that covers as much of the skin as possible;
- if you're outside in the sun, use sunscreen with an SPF of 15 or higher on exposed skin;
- wear sunglasses to protect your eyes and the sensitive skin around them;
- avoid using sunlamps and tanning salons.

Remember that early detection and treatment are the best ways to avoid the suffering and death caused by advanced skin cancers!

From the Ground Up

The Weitz Academy of Construction at Seminole Ridge High, in partnership with Habitat for Humanity, turned over the keys of their latest home to a proud new Belle Glade homeowner May 4—the fifth house in as many years that our construction academy students have built from the ground up in conjunction with Habitat for Humanity from the ground up.

Future Business Leaders of America

Future Business Leaders of America members Caitlin Hetchler and Emma Thiery will travel to Anaheim this summer to represent Seminole Ridge at the FBLA National Leadership Conference. The duo won third place in the 'Hospitality Management' category in district and in state competition to be eligible to compete at the national level.

Membership in our Future Business Leaders of America chapter is open to all Seminole Ridge students. Contact Mrs. Ashurst at candice.ashurst@palmbeachschools.org for more information on FBLA, which celebrates 75 years as a career and technical educational organization this year.

Business courses offered next school year at Seminole Ridge will include Principles of Entrepreneurship, AICE Business, and Accounting Applications 1 and 2.

For more than 20 years, K & R has been Palm Beach County's first choice for water treatment system installation and repairs.

- ◆ Family Owned & Operated
- ◆ Well Water Treatment
- ◆ Monthly Maintenance
- ◆ Salt Delivery
- ◆ Re-Bedding Carbon & Iron Filters
- ◆ Sales & Service of Reverse Osmosis Water Systems, Water Softeners, Well Pumps, Pressure Tanks

Athletic Department

The Seminole Ridge athletic department will be hosting sports physicals for the 2017–2018 school year on Wednesday evening, May 24 from 6:00 to 8:00 in the gymnasium. Physicals will be \$10.00, and for minor students to be seen by the doctor, a parent must be present. A notary will be available to notarize paperwork at no charge. Additionally, there will be free heart monitoring from 3:00 to 8:00 as well.

Athletics eligibility papers are available now in the front office and will also be available in the gym on May 24. Questions? Contact SRHS athletic director Mr. Scott Parks in the athletic office: 561-422-2611.

Cheerleading

Tryout dates for the SRHS competitive cheerleading team: Monday, May 15 through Thursday, May 18 from 3:00 to 5:15. For incoming freshmen: Monday, June 5 through Thursday, June 8 from 1:00 to 3:00. All tryouts will be held in the school cafeteria.
