The Spanish River Vision

Our vision is to create a nationally known high school highly regarded for its academic excellence, while helping all students prepare for and be accepted into post secondary education or careers.

A Message from the Principal

Shark Nation,

It has been an outstanding start to 2024 for Shark Nation. GPAs for most classes are updated at the semester time, so please check SIS to ensure your child is on track to graduate and meet their postsecondary goals. Our graduation date has been announced as May 13th at 1:00 PM. There will be no school that day for students.

We had an amazing time honoring our 224 Cambridge Diploma Recipients in late January at our annual AICE Diploma Breakfast. The queen and her royal staff honored all of our stellar students that earned this remarkable achievement. These students, as long as they meet other curricular and community service requirements, will be able to receive the Bright Futures scholarship and go to college in the state of Florida tuition free. Special thank you to Mrs. Calenzani and our AICE ambassadors that planned this special event.

We are looking forward to hearing about the rest of our seniors' college acceptances and scholarships next month. Congratulations to our Class of 2024 Valedictorian Tejas Chaudhari. Spanish River's 2024 Salutatorian is Allison Hollander. These two students both earned over a 5.6 H.P.A. while at Spanish River. We look forward to recognizing them with all of our seniors on May 13th. Please look inside the newsletter to see River's TOP TWENTY that will sit up front for graduation and have the name of their university read at graduation. Congrats to these students as this is no easy feat at Spanish River HS and we are so proud of all of you.

We are gearing up for testing season so please be on the lookout for emails from the testing coordinator. All students should know their IMPORTANT test dates. Remember there are NO MAKEUPS for AICE exams. Our testing schedule is published on our website as well. Course selection for SY25 has begun so students should have already chosen their elective courses for next year.

Winter sports are wrapping up and we are moving into our Spring sports. Our chorus students are participating in district competition and our theater students are busy preparing for their Spring Musical. Our LIA students are also busy preparing to perform at FAU in May at their conference. Almost 200 of our DECA students qualified for the state competition in March. We are sending numerous students to the state Science Fair and HOSA competition in Orlando. These are just a few things that come to mind when I think of our last few months at River. I consider myself fortunate to be surrounded by such an amazing school community.

Best,
Mrs. Allison Castellano

Class of 2024

Seniors, please make sure that not only is your 20 hours community service completed prior to April 1, 2024, but you also need to submit these via the form which can be found on our website or in physical copies in the suites.

Letters to Elders is a new opportunity here at Spanish River to earn community service hours! It's very simple, all you have to do is:

1. Choose an elder from the LoveForOurElders.Org website
2. Write a letter that meets the letter guidelines - handwritten, legible, minimum 5 sentences, no glitter, no religion
3. Turn in the letter to the Blue Suite

That's it! No postage or envelopes are required. Each letter is worth 0.5 hours.

This month, there is a special opportunity as well. National Letter to an Elder Day is February 26 and to celebrate we are allowing all letters submitted that day to be worth 1 hour each!

Elders replenish each month, therefore you must submit your letters by the last school day of each month to get credit. You can get as creative as you would like and do this in your free time and submit here at school. If you need supplies, please see Mrs. Wheatley in the Blue Suite.
