MESSAGE FROM PRINCIPAL SPARGER

I hope this letter finds you healthy and **happy and enjoying the New Year**. In some ways, this year looks much different than others, but in other ways it has followed a similar pattern. We want to commend all those on campus who are consistent with following CDC guidelines and allowing this school year to take place. A special thank you to those faculty, staff and administration that have embraced the role of “essential worker” and put the school’s needs ahead of their own.

Despite all of this, as strange as it may sound, we are already thinking about next school year. Over the next several weeks, students will meet with their school counselor to begin the process of **selecting classes for next school year**. These meetings will take place during the school day during the month of **February**. Please reach out to your student’s high school counselor with questions on the registration process. For our seniors, they will begin to finalize their plans for life after high school. All seniors are encouraged to stay current with **graduation dates and deadlines** and to look for the next edition of the senior letter. We anxiously await celebrating with the **Class of 2021** at their graduation ceremony on **Saturday, June 5 at 12:30 pm**.

All students in grades **9 and 10** are scheduled to take the **Florida Standards Assessment (FSA) / English Language Arts (ELA)** exam during the second semester. The **FSA Writing** will be administered on **April 5 and 6** followed by the **FSA Reading** from **May 3 – 6**. The required **End of Course (EOC)** tests for students currently enrolled in **Algebra, Biology, Geometry, and United States History** is scheduled to take place beginning the week of **May 3rd**. For more information regarding these FSA assessments and sample questions visit <https://fsassessments.org/>. For students enrolled in **AP and IB classes**, those exams are scheduled to be administered during the **month of May**.

As a result of the collective efforts of our students, faculty and community, the Hawks continue to soar. Our **graduation rate rose to above 94%** and over **1,800** of our students earned honor roll status for the first semester. Nearly **250 students** earned **straight “A” grades** for the first semester and many of our fall and winter sport student-athletes placed on the all-area team for their sport. **Conference, district, and regional championships** were also won by both teams and individuals. *It’s truly a great time to be a Hawk!*

In an effort to **stay informed** with events on campus, please visit our school’s **website** at www.sprucecreekhigh.com and follow us on **Facebook** and **Twitter @GreatDay2BAHawk** and **Instagram** at **sprucecreekhawkhawks**.

It’s a Great Day to be a Hawk!

German Club

Hallo Leute!

Here at German club, we meet on Teams every other week on Friday. We do lunches in person on Thursdays, about once a month, where we get to taste German food (with precautions taken to ensure the safety of our members and visitors), play German card games, and learn about German culture. You are not required to speak German or take German in order to attend meetings. In the past couple months, we have held a fundraiser for the Halifax Humane Society in Daytona Beach, and have had an Adventskalender fundraiser. In addition to these, German Club went bowling at Ormond Lanes on January 22nd. German Club has big plans for the future, and should you wish to join us, talk to a club member or Frau Strauts (Club Sponsor/German Teacher). We hope to see you at our next meeting!

-Bis dann,

Victoria Hill, Reporter

Guidance Newsletter

Happy New Year Hawks!

We hope everyone enjoyed their holiday break and returned ready to soar through the final semester. Seniors going to college that have not already completed the FAFSA for federal financial aid online at www.fafsa.ed.gov need to do so immediately. Also, if you did not register for the Bright Futures Scholarship, which is state financial aid, please see Mr. Schaffer in the Guidance Office right away for information on how to apply. Class of 2021 students also need to stop by the Activities Office to pick up your Senior letter from Mrs. Rocco, which contains dates and details for upcoming events. Check our school website, www.sprucecreekhigh.com, for an updated list of available scholarships as well.

Juniors and Seniors that have taken Algebra 2 or higher should register for the SAT and/or ACT for college acceptance and to meet testing requirements for a Bright Futures Scholarship. If you qualify for free/reduced student lunch, see Mr. Schaffer in Guidance for a fee waiver. The SAT and ACT can also be used to earn concordant scores to meet high school graduation requirements if you have not already passed the FSA ELA and/or Algebra 1 EOC.

Please listen to daily announcements and visit our school website often. You can email Mrs. Rocco (rrrocco@volusia.k12.fl.us) and ask for her to add your email address to the daily announcements distribution list so you don't miss news. The announcements will be delivered to your inbox daily!

Registration for next school year is scheduled to begin soon. The Counselors are looking forward to meeting individually with students to review recommendations and elective choices and to request courses for next school year. Remember foreign language is NOT a graduation requirement, but it IS required for university admission and for Bright Future Scholarships. If you need to remediate any courses you did not pass, talk to your Counselor about summer opportunities to get caught up with your credits!

Advance Registration for currently dual enrolled students begins March 29th at DSC. For all others, Open Registration begins April 1st. After registering, remember to bring your DSC schedule to your Counselor. If you have questions or are interested in starting dual enrollment, please visit the Guidance Office before/after school or during your lunch.

Please remember that students may see their Counselor without an appointment before/after school or during student lunch. Visit the counseling department website at www.sprucecreekcounseling.weebly.com throughout the year for valuable information. Or use the QR code here or in the Guidance office to access the site through your phone! You can contact your Counselor directly through the QR code to ask a question or request an appointment.

ROTC

January Newsletter 2021 Happy New Year from the Hawk Battalion! 2020 has been a turbulent year for us all, but the Hawk Battalion is determined to step into the new year strong. Beginning in January, we "transitioned to" precision drill movements and uniform issue; instructing cadets on proper wear of the uniform. Soon our cadets will be wearing them every week. Following our strong intro into the year, there are some major events from January: On January 12th, our JROTC Leadership and Academic Bowl (JLAB) teams took their Level 1 exam. Both the Academic and Leadership Teams participated at the National level. Our Academic Team consisted of cadets Trinity Schmidt, Connor Kress, Jordin Schiebe, Julia Ramblas, and Cora Anderson. Our Leadership Team consisted of Emily Kraft, Isabella Ramnath, Kari-Anna Kiad, Taylor Dawson, and Thomas Prigge. Great job cadets! We are looking forward to seeing you all move on to Level 2 and beyond. As mentioned earlier, the Hawk Battalion has issued uniforms to all our cadets. Due to Covid-19, these past months, we were not able to do many things that most cadets from prior years were accustomed to. The Battalion's more routine requirements such as wearing the uniform every Wednesday and having Physical Training on Fridays are happening again. We are all quite excited to be able to perform these JROTC activities! We were also present for the school's Academy Virtual Showcase. If interested in joining the Hawk Battalion please be sure to select JROTC (Junior Reserve Officers Training Corps) as an elective. See your SCHS counselor to join. For additional information about our program, refer to our website: <https://schsarmyjrotc101.wixsite.com/schs/jrotc>. Looking forward, our future events consist of adjusting to the new year and acclimating back into a new schedule, encompassing all that JROTC normally does.

Asian Association

Both Asian Association lunch meetings were held November 12th in C-14 where Japan was our country theme. Each student was taught how to say "Good Morning" in Japanese: "Ohayogozaimasu!" Each attendee was also reminded that dues of \$15 would include our club shirt and are due online by December 1st. We are grateful to LeAhn, proprietor of LeAhn's Restaurant on Nova Rd., who provided us with chicken katsu, sticky white rice, and broccoli. President Claire Bellas introduced her mother who spoke about growing up in Japan and going through Japan's school system except for a couple years of schooling here in the USA.

Many thanks to Emily Hagan for creating our Holiday Decorated Door on C-14 which included an Arbor Day theme from the movie titled: Nightmare Before Christmas.

On December 10, 2020, Alice LeRoux made a delicious and popular Burmese cold noodle dish with a peanut sauce and chives for garnish. She brought a man's cultural and popular daily garment from Myanmar which Joey Colletti kindly modeled. Alice also brought an Asian facial skin moisturizer for anyone willing to try it. We appreciated Alice sharing her stories about helping at an elementary school in Myanmar to which we donated \$300 last spring. She arranged for a sweet picture of the students holding the letters of a message that said "THANK YOU to the Asian Association of SCHS." As per the season of giving, Mrs. Keith gave each person attending today's meeting a token of the word "Prosperity" written in Asian Calligraphy which could be hung on a Christmas tree as an ornament.

Ethan Alves, our service chair organized a Campus Cleanup on December 2nd for first semester. Another project completed was the wrapping of a personal hand sanitizer to all 25 of the new Creek teachers. They were placed in the teachers' boxes as a "Welcome to the Hawk Family" gift. Ethan also heads our toy collection for Valentine's gifts to the Friends to Family Foster care agency in Daytona. We hope to present the toys to the agency on February 13th.

January 14, 2021 was an important day because club shirts were distributed to new members and our club picture for the yearbook was taken in the media center. Our meeting was held in Mr. Griffith's room for first lunch and Mr. Gufford's room for second lunch. On the Menu from LeAhn's was a Korean meal with spicy chicken and kim chee rice. We played a Trivia game as lead by President Claire and members of the board.

We look forward to our next meeting which will be held February 11 in honor of New Lunar Year of the Ox. China will be the country highlighted with a discussion about the traditions of the Eastern Lunar year which will be shared by the board members. We are especially looking forward to LeAhn sharing with us a Chinese New Year meal.

Spruce Creek High School Young Republicans

The members of Spruce Creek High School's Young Republicans will fundraise all year to earn money for at least 6 students to attend the Lincoln Day dinner slated for April 25, 2021 at the Ocean Center. Each meal cost \$100. SO our members are selling wreaths online to be placed on veterans' graves the third Saturday in December.

This past December, several of our members participated in the Holiday Door Decorating contest by posting a scene from A Charlie Brown's Christmas. Many thanks to those who helped.

Co-advisors Mrs. Keith and Mr. Beatty welcomed those members who attended the Wreaths Across America Ceremony at the Edgewater Cemetery on December 19th. Attending included: Club President Chris Cherian and his mother, Club Secretary James Hall and his father, Tyler Healey and his mom, plus Club Historian Donny Pultz. Chris and Donny helped place a special wreath on two different stands representing two of the branches of the armed services.

James Hall reported at our January 8th meeting that approximately a hundred people attended the Wreaths Across America ceremony at noon on December 19. Members are currently asking friends and relatives to help purchase wreaths in honor or in memory of a veteran. What money earned beyond the Lincoln Day dinner effort will be used to purchase flags to replace the worn ones on Creek's campus. Each of the boys attending the ceremony helped distribute the wreaths to attendees who walked through the grave stones looking for the word veteran. Once found, the wreath is placed on the stone and the name of the service personnel is said solemnly and out loud so we do not forget those who served the USA to help maintain our freedoms. Very moving speeches were made by Florida State Senate Tom Wright and newly elected Jeff Brower, chair of the Republican Party of Volusia County.

If you would like to make a donation of a wreath for \$15, our club members would greatly appreciate it. Go to the following site and SPRUCE CREEK HIGH SCHOOL'S YOUNG REPUBLICANS (FL0029P) will be the ones to receive credit and a \$5 donation from Wreaths Across America will come back specifically to Spruce Creek High's Young Republicans! <https://www.wreathscrossamerica.org/pages/17897/Overview/?relatedId=15633>

Library Media Minutes | WITH MRS. MURRAY

Your media center continues to be in the middle of things. During the school closure and hybrid opening, we have remained accessible to students for books and technology support. We have served as the school help desk, checking out laptops, webcams, textbooks, and hotspots to students who need them and walking students and parents through how to use Volusia Live technology.

Who Visits the Library? YOUR STUDENT!

With lower numbers of students on campus and more social distancing, our media center doesn't feel quite as busy as it normally does, but we are remaining open to serve student needs from 8:00-4:00 daily. Even with significantly fewer students on campus due to virtual learning, the number of books we have checked out has remained consistent from first quarter last year. Students were excited to get back onto campus to be able to check out books!

Volusia Live Students Book Check-Out and eBooks!

Did you know that Volusia Live students are able to email us the titles of the books they would like to check out and we will happily put them in the main office for pick-up? Just email Mrs. Murray at shmurray@volusia.k12.fl.us. Did you know that you can also check out eBooks from your school library? We have some of the hottest new titles in young adult literature! Access them by clicking on Destiny inside vPortal. You can read the books from inside your browser or download the Destiny Read app to your phone or tablet. Your login is the same as your school login. Choose SSO (single sign-on) and enter your vcs2go email address and password.

Thank you for your continued support of the Spruce Creek High School Media Center! Please never hesitate to provide me with feedback via the media center website or by e-mailing me at shmurray@volusia.k12.fl.us.

Need Technology Help? Contact your teachers first! If they can't help, our media specialist Mrs. Samantha Murray is running the SCHS Help Desk for students and teachers. Contact her at shmurray@volusia.k12.fl.us or by calling her inside Microsoft Teams.

A NOTE FROM Mr. Beatty and Dr. Sparger:

Hello Hawks,

During this time of online and in-school learning it is important to **check** your vcs2go.net email account daily.

Your teachers, administration and testing coordinator use this communication method to **give you important updates and information**. Checking your vcs2go.net email daily will allow you to keep current with school events, clubs, sports, and important testing information you may need. **Please check your email daily.**

It's a GREAT day to be a Hawk!

National Honor Society | BY ALISA VAN DEIJCK/ DKEITH

Despite the challenges presented by COVID-19 this year, we have managed to provide a plethora of service activities available for our NHS members both online and live students. We have completed over 1,500 service hours collectively as a club for the second quarter with about ten community service opportunities! Our general club-wide Microsoft Team meetings were held after school on November 18, December 16, and we will have our last one for the second quarter on January 20.

During this time, the first NHS District meeting was also held virtually on November 7th run by our district president Meryl Liu and had an abundant amount of student participants. We were able to incorporate the yearly creation of Plarn (plastic yarn), yet again, and even created face masks out of clean socks. We also wrote appreciation cards for our first responders.

From October 26th-November 20th we were also able to hold two extremely successful drives: the annual Thanksgiving Food Drive and the new Cleaning Supplies Drive. The Thanksgiving Food Drive was started with the goal to obtain three boxes of canned goods to provide a Thanksgiving dinner to students' families in need at Creek. We were able to surpass this goal by creating an incredible 13 boxes, fully packed with food for multiple nights, which we provided to students as well as two teachers whose families were impacted by COVID. The rest of the canned goods we received we were able to donate to our school food pantry. For the cleaning supplies drive, we were able to provide over 20 boxes full of goodies to Campbell Elementary in order to help the staff currently struggling to provide a safe environment for their students. Seeing the success and bright faces from all of the recipients made these drives more than a quantifiable success and will surely occur next year as well.

One of the new opportunities we were able to offer this year was actually run by two of our new members, Miriam Girgis and Aleena Rahman who created Hope in an Envelope. By creating and decorating cards, students were able to convey their gratitude and thankfulness to nurses as well as provide a feeling of hope to families in the hospital during the Holidays. This opportunity was available in the month of November and December, providing a wonderful opportunity to spread holiday cheer.

We then continued this safe way to convey our thanks by making cards for our own teachers and staff at Creek by creating holiday-themed cards. These cards were created by over a hundred students and were an amazing way to show our teachers just how appreciative we are and how much their hard work means to us.

In order to spread a little bit more holiday cheer while also bringing our members closer together, we participated in our annual Door Decorating Contest. The members voted on the theme, Holiday Classics, in which they participated in a friendly competition with groups of 3-4 students to transform teacher's doors. The theme allowed them to use their creativity and wit to come up with a way to include their chosen teacher into a Holiday movie classic. The results were amazing and our judge, Ms. Murray provided us with the results: Mr. Griffith C-9 was best in show; best use of theme was Seabolt/Ramirez F-4 and Fuller B-31; highest quality was Roos D-9; and two tied for most creative - Costner C-8 and Phillips B-12.

Rounding off the month of December we had two more drives. Operation Shoebox, headed by Olivia Wilson, provided boxes of personal goods to our troops overseas. Our other drive, spearheaded by Jordyn Gasowski, supplied over 700 blankets to the homeless in need of some warmth during the holiday season. Both drives, yet again, resulted in an overwhelming amount of support by the incredible NHS members.

In order to end the quarter, before submitting our hour documents, we held two beach cleanups, one on December 18th and one on January 16th. Both were in partnerships with BETA club, allowing our members to work with others for the same goal, supporting our theme this year of "Many Minds, One Mission". These beach cleanups are always a big success and something a lot of students look forward to as it provides a way to help our lovely Florida beaches.

We look forward to the upcoming quarter as we start off with the District Meeting on January 31st and transition into some of our annual service opportunities. These include the Valentine's day cards as well as the Black History Month Jeopardy game. We are excited to continue to push our students to show their fantastic character and leadership skills in the most creative of ways under the current circumstances.

All About AVID

AVID is a four-year elective class for students who are serious about succeeding in high school and college. Our goal is to provide capable students with the support to thrive in any curriculum and course they desire to take through developing and practicing useful academic skills. The class is composed of classwork led by the AVID teacher and tutorial groups led by high school tutors. AVID methodologies focus on WICOR strategies:

- **Writing** – practice writing conceptual questions, reflections, reports and essays
Inquiry – use Socratic questioning to help students develop independent thinking that apply directly to their studies
- **Collaboration** – work together with others to brainstorm and develop strategies and ideas around subject-specific tutorials twice a week
- **Organization** – learn to organize your binder, notes, agendas, study schedule, etc.; then carry these techniques into your home life to become a better student who is always prepared
- **Reading** – understand and analyze a variety of texts
Several benefits await prospective AVID students. AVID is a “class community” composed of peers, teachers and tutors geared towards encouraging academic and personal success.

We have created a supportive community environment to allow a consistent source of support for all four years of high school with the same AVID teacher. AVID teachers coach students through high school course selection, high stakes test preparation, and college applications. You may be well-suited for AVID if this list describes you: You work well with others. You have a positive attitude in school. You do your homework. You want to challenge yourself. You are willing to try different methods for learning and keeping track of assignments. You want to understand class material (math, English, science, history, etc) more thoroughly. You may not have support at home for academic and college planning. You would earn better grades with more support in learning methods and organization. You would enjoy being a part of a mini-community in high school. If so, this class may be for you! Who is not well-suited for AVID? This class is not for you if you prefer to work alone, don't plan to go to a 4-year college or have a career in mind, don't take learning seriously, or repeatedly miss class assignments. This is not a course for remedial or at-risk students; it is not intended to be a last resort for students who are failing courses. Students will be selected based on their aptitude for the program, determined through an application as well as an interview. Applications are due March 12, 2021, and can be found on the Spruce Creek High School website. For more information, please contact AVID Coordinator, Susan Henderson at skhender@volusia.k12.fl.us.

Senior Information

CLASS OF 2021 TEXT: @SCHAWK21 TO: 81010 FOR REMIND NOTICES AND UPCOMING EVENTS

MARK YOUR CALENDAR FOR THESE UPCOMING SENIOR EVENTS

January 5, 2021 Graduation Fee – Paid by all seniors- You may pay online with a credit card or debit card or with cash or check or card to the Student Activity's office. Make checks payable to Spruce Creek High School. Graduation fees are \$80.00.

If you have a cap and gown from a sibling who graduated from Spruce Creek less than six years ago or if you do not plan to participate/walk with the Class of 2021. Your graduation expenses are \$50.00. Contact Mrs. Rocco regarding the reduced fee.

February 2-11, 2021 Grad Bash Tickets on Sale - See Mrs. Rocco in the Activities Office before or after school or during lunch to purchase your Grad Bash Ticket. Tickets will only be sold on these four days, or until they are sold out. The cost is \$120 and includes admission and charter bus transportation. Grad Bash Night is April 30, 2021. Ticket purchases will be refunded in the event Grad Bash is cancelled.

April 5, 2021 Senior Speaker try-outs – Sign up in advance in the Activities Office. For the audition, prepare a two-minute speech to present to a committee at commencement ceremony. Tryouts are based on verbal presentation and speech content. One senior will be selected to read their speech at graduation.

April 13-15, 2021 Cap & Gown Delivery Days – Caps & gowns will be distributed to those who have paid their Graduation fee. Announcements and other graduation supplies ordered will be distributed at this time by Jostens.

April 19, 2021 Purchase Graduation Tickets and Parking Passes – Prices TBA – Every guest attending our Graduation ceremony must have a ticket to enter the Ocean Center. The number of tickets to be sold will be determined in April.

April 24, 2021 Prom – Daytona 500 Club, 7PM – 11pm. To purchase a ticket, all obligations must be paid, and detentions served. This event is tentative until cleared by CDC guidelines.

April 30, 2021 Grad Bash - At Universal Studios / Islands of Adventure from 7pm – 2am (Buses leave at 5:00pm) Tickets are only sold for this in February. This event is tentative until cleared by CDC guidelines.

May TBA 2021 Senior Breakfast - 9:00AM at SCHS Cafeteria. Location may change

May 27, 2021 Senior Awards Program - Location to be determined. Begins at 7:00PM. All Seniors, families and friends are encouraged to attend and share in the various accomplishments of the senior class. Seniors must report at 6:30PM dressed in cap and gown. Honor cords are scheduled to be distributed that evening. Families are welcome! Will last approximately 3 hours

June 1, 2021 Baccalaureate Service, A Night of Reflection - Location to be determined. Planned and produced by the Parent Advisory Committee. Students must arrive at 6:30PM dressed in cap and gown. The program will start at 7pm. Families are welcome! The event is for all graduating seniors. Will last approximately one hour.

June 2, 2021 Graduation Practice – MANDATORY, (students only) 7:30am at the Ocean Center. All students must provide their own transportation. This is a required practice for all seniors planning to participate in the Graduation ceremony. Students who do not attend this practice may not walk at Graduation. Do not wear your cap and gown.

June 5, 2021 Graduation Ceremony – Ocean Center, Daytona Beach at 12:30pm
Seniors should report to their assigned area at the Ocean Center by 11:30am dressed in cap and gown, to line up for the processional. The graduation ceremony will last approximately 90 minutes.

GRADUATION ATTIRE

ALL GRADUATES should remember that hair styles are to be kept simple so that graduation caps will fit on the head properly. Caps are worn level on the head, not at an angle. **ONLY CORDS, PINS AND MEDALLIONS DISTRIBUTED BY SPRUCE CREEK HIGH SCHOOL MAY BE WORN WITH GOWNS. YOU MAY NOT DECORATE YOUR CAP.**

YOUNG LADIES: Wear a cool, comfortable dress under the gown; choose a style with a simple neckline which will not interfere with the neckline of the graduation gown. Dresses should not hang below the graduation gown. Black shoes only, preferably with medium height heels. Heels and wedges must be black. No dangling earrings.

YOUNG MEN: Wear black color dress pants and black dress shoes and socks. NO jeans, sneakers, deck shoes or flip flops permitted. Wear a white dress shirt with a black tie / bow tie.

IMPORTANT INFORMATION FOR ATTENDING GRADUATION : Each ticket holder, including children, may carry an approved clear bag and a clutch purse: One clear bag no larger than 12"x 6"x 12" or a one-gallon clear Ziploc, or similar bag. One small clutch bag or purse no larger than 6.5"x 6.5", with or without a strap. -Diapers and wipes may be carried in a clear bag; however, diaper bags are not permitted. -Additional clothing, blankets, etc. are permitted if carried loosely (preferably over the shoulder to be screened more quickly) or in an approved clear bag. Small cameras, binoculars and cell phones may be carried loosely or in an approved clear bag.

Parking for graduation is available at the Ocean Center and surrounding parking lots. Guests will pay \$5.00 to park. Carpooling is HIGHLY recommended. All seniors and guests are asked to plan accordingly so that you arrive on time for Graduation. Doors will close at 12:15pm and guests will not be admitted until after the graduates have entered the Ocean Center and the ceremony has begun.

I hope that in these remaining months you find a balance between studying, planning for your future and having fun! If you have any questions please stop by the Activities Office, email rrrocco@volusia.k12.fl.us, or call 322-6272 extension 37809.
