A I C E News

Congratulations to the AICE Class of 2019!! Believe it or not – AICE exams continued until Friday, June 14th!! Unfortunately, the schedule is set by Cambridge International Examinations, not us – and these exams are taken all over the world at the same time, so there is no way we can avoid this type of scheduling...sorry!! We are SO PROUD of the Class of 2019 and wish everyone well as they head off to college this summer or this fall – or wherever your plans take you now that you've graduated. Good luck - we'll miss you!

During the Spring 2019 exam session, with almost 800 students involved in AICE level courses, the students took more than 3,500 exams!! In every case, each subject consisted of two or more "papers" – which are individual tests that make up the overall subject exam. No wonder everyone is tired! Also – THANK YOU to each of our WONDERFUL parent and alumni volunteers who helped with proctoring all of these exams, there is no way we could do it without your generous help and willing spirits.

Spring 2019 exam results will be available for viewing on Tuesday, August 13th, 2019 on the CIE (Cambridge International Examinations) website. Each student received an information sheet with the CIE website address, as well as their personal login & password for accessing their scores on the 13th. **This information was distributed to ALL students before the Spring Exam Session began.** If your student does not know his/her login information, they can check with the teachers to get their results, or they can e-mail Mrs. Bechtle at Dena.Bechtle@stjohns.k12.fl.us beginning August 5th during the teacher pre-planning week to get their login and password information (School Counselors are not at school over the summer).

The future looks bright for the AICE Program at SAHS! The AICE Class of 2023 brings in over 130 new freshmen this fall! Congratulations to all of the new students – we look forward to seeing everyone at orientation in August! Students please check the SAHS website for summer reading book lists & summer assignments. **Be sure to check ALL of the AICE courses for summer assignments – not just the English courses!**

Many times there are questions about the requirements for students who are part of the AICE Program. For clarification about course requirements and course progression for AICE, please go to the AICE Website and click on "Tell Me About AICE". Students may use different courses to satisfy the AICE curriculum, so please **look at the information on the website or ask Ms. Bechtle rather than ask another student.** Although there is a typical progression of courses, we do have the flexibility to tailor a student's course selection to play to their strengths. That's the beauty of AICE! So please don't assume that every student takes the same courses during the same year. And yes...AICE students can (and do!) take Dual Enrollment courses!!

Thank you also to our wonderful AICE BOOSTER CLUB and everyone who worked SO hard on the Annual Silent Auction! Thank you to the SAHS Band Program for allowing us to collaborate with them on this fund-raiser, and to all of those who submitted bids on the donated items. We were able to raise over \$6,000 this year!! That money will certainly come in
