Volume XXXV Number 4 For the Parents, Students, & Community January 2020

Principal's Message

"...Committed to providing a first class educational experience..."

Dear Green Devil Families,

I hope everyone had a relaxing and peaceful holiday break. It's hard to believe that this school year is already half over. We have enjoyed many successes here at SPHS both in our classrooms and in our many extracurricular activities. Specifically, we had seven students who were named as National Merit Semifinalists. In our athletic programs, Green Devils have excelled in volleyball, golf, cross country and football with several of our student-athletes and teams qualifying and competing in the state playoffs. Our music and drama departments continue to produce superior performances from the outstanding production of "Steel Magnolias" to the band's many awards from competitions and the Pitchforks' performance at EPCOT's Candlelight Processional this past December. Furthermore, we are extremely proud to announce that our 2019 graduating class had the highest graduation rate in school history with a rate of 96%. I am extremely proud of our students' talents and efforts and I look forward to seeing what the spring semester brings.

I am asking that you please take a few minutes and read through all the valuable information provided in this newsletter. If you have any questions or concerns about your student's preparation moving forward into second semester, please contact us. The Guidance department and administrative team will be conducting parent workshops related to the AP and dual enrollment opportunities as well as course schedule options for the 2020-2021 school year starting this month. Please look for these dates!

Finally, I truly appreciate the parent support that is provided here at SPHS. It is one aspect that makes our school great. Please feel free to call if we can assist your son/daughter in any way as we provide our students with a first-class education!

Go Green Devils!
 Sincerely,
 Principal Darlene Lebo

PROPOSALS FOR A MORE SUSTAINABLE SCHOOL

Students in Mrs. Torres' Spanish 6 Higher Level class completed a unit about sustainability. The main goal was for students to reflect on how they could personally reduce their ecological footprint. With this goal in mind, the students were challenged to write a proposal (an IB text format) on how to make our school more sustainable and eco-friendlier. Each student wrote an individual proposal and then they were grouped by fives to come up with only four proposals. The objective was for them to learn how to negotiate their personal opinions/proposals and decide on the top 2-3 ideas most likely to be adopted/selected by our school Principal Darlene Lebo.

Proposals included ideas such as carpooling, bicycling to school, recycling plastic, using Led lightbulbs in the classrooms or natural day light, having a compost, growing some vegetables at school, using cardboard trays in the cafeteria, and even solar panels! All ideas had to include an associated cost, suggest where the funds would come from and the responsible party. For the most part, students recommended the school clubs to be active participants in this ecological effort.

Group #4 consisting of **Kristen Javate, Darsha Bhatt, Tommy Dunham, Allison Hillier and Ruth Iglehart** (pictured left to right) were selected by Mrs. Lebo as the team with the best ideas.

CURRICULUM FAIR AND COLLEGE NIGHT

Our Curriculum Fair and College Night are joining forces! Please join us on **February 5th** from 6:00pm to 7:30pm for this exciting opportunity to hear what courses are available for your student next year. Look at what courses they have selected and make updates as well as hear from college admissions officers from a wide variety of schools across the country. We will begin with an information session in the auditorium at 6:00pm but please try to arrive at 5:30pm so you have time to get a copy of your student's course request before the evening begins. We will transition into the gym after the presentation to allow families the opportunity to talk with teachers, current students and colleges in one central location. If you have any questions please email Ms. Vragovic at vragovicj@pcsb.org.

SIXTY-FOUR HUNDRED KNOTS OF LOVE!

Students in grades 10th thru 12th from both the Traditional and the IB Program at St. Petersburg High School participated in the making of knot blankets. The project was initiated by Mrs. Torres as her own personal CAS Project. The Creativity, Action and Service (CAS) Project is a required component for graduation in the IB Diploma Program. The project was designed in the spirit of motivating students to help their community. The Rojans, Interact and Key clubs also got involved and provided service hours for their members' participation.

In total 32 blankets were made and donated to the Wimauma Refugee Center. Special recognition is extended to the only three boys who made blankets: **Jaime Christoffersen, Ilan Kohan and Trent Zanghi**. *Real men make blankets!*

ETHIC BOWL WINNERS

In December, two SPHS teams competed in the 13th annual Ethics Bowl. Both teams rose above the call of duty and represented our school with intellect, honor and Ethics. Both teams placed, talking 3rd and 4th place. Please congratulate our team members: Team 1 came in 3rd Place: **Camille Lying, Arielle Noah, Jack McKyton, Victor Xie, Tiffany Zhou** and Team 2 came in 4th Place: **Lydia Silverstone, Madison Ferguson, Robert O'Brion, Hubert Puzlys, Hana Skipper**. Alternate: **Yamira Patterso**.

GRATITUDE ABOUNDS AMONGST IB SENIORS

For the fourth year in a row, students in the IB Program at SPHS extended a sincere gratitude to their teachers and administrators. This year Mrs. Torres, coordinator of this CAS Activity, selected seniors to express their appreciation for the hard work their teachers do to assure they are successful in their academic pursuits.

Seniors selected a teacher or administrator who has made an impact in their education and wrote a personal thank you note. The note was accompanied by a pair of fun socks for the recipient to enjoy during the Thanksgiving Holiday.

ART DEPARTMENT

The following student art works were accepted and exhibited at The Morean Art Center for the Word & Image Art Show. There were 266 county works submitted for adjudication and 82 works were accepted for display. Five out of eight SPHS submissions were accepted, two of which were marked with distinction. **Ella Babb**, Top Award (of 3 awarded), **Anna Jones**, Honorable Mention (of 10 awarded), **Sophie Bock, Piper Bond, Jacqui Foronda and Ava Abrahams**.

DUAL ENROLLMENT PROGRAM AT ST. PETERSBURG COLLEGE

St. Petersburg College offers college classes to qualified high school students in Pinellas County at no cost to the student. These courses allow students to earn credits toward a high school diploma and a college degree. Dual enrollment course grades are recorded to the student's high school transcript and his/her permanent college transcript. Therefore, students must give their best performance in dual enrollment coursework because the resulting grades can greatly impact post-secondary education opportunities, scholarship opportunities, and financial aid eligibility.

Courses on the Dual Enrollment Approved Course List are available on SPC campuses and some local high school campuses. Dual enrollment courses that are offered by a credentialed instructor at a student's high school must be taken on the high school campus.

To take Dual Enrollment classes through SPC during the first semester, students must:

1. See their school counselor to see if they qualify and obtain an ID number for SPC.
 2. Take the PERT, SAT, or ACT prior to obtaining permission to take dual enrollment courses.
 3. Students eligible for on campus Dual Enrollment courses will have an opportunity to register for on campus dual enrollment courses during the in-house registration in the month of February. Please see your School Counselor for more information regarding eligibility requirements for Dual Enrollment.
 4. Obtain a completed Dual Enrollment Permission Form (for off campus classes.)
 5. Register for the class(es) through the SPC Dual Enrollment Office (for off campus classes) no later than one week after the last day of school.
- To be eligible to take an academic dual enrollment course a student must have a minimum unweighted cumulative GPA of 3.0. To be eligible to take a career dual enrollment course, a student must have a minimum unweighted cumulative GPA of 2.0.

Students who are registered for dual enrollment courses will have three grades per semester recorded on their high school transcript. Therefore, students will need to work hard and commit to academic excellence as they perform at their best with the required PTC coursework. Please keep in mind that the resulting grades can greatly impact postsecondary education opportunities and/or scholarship opportunities.

In order to take Dual Enrollment classes at PTC during the fall and spring semester, students must:

- Be at least 16 years old and entering their junior or senior year in high school
- Have a minimum cumulative unweighted GPA of 2.0, or 2.5 GPA for medical-related programs
- Show responsibility through high school attendance and behavior.
- Obtain a Dual Enrollment Application from their high school counselor.
- Return completed application to their high school counselor, with all necessary signatures. *Once the PTC counselor has received the application, the student will be contacted regarding a shadowing date.

ABSENCES

If you are absent from school, a doctor's note, phone call or written excuse from the parent, is required within 48 hours of the absence. Parents may also send an email to excuse their student's absence to StPetersburgHS.Absence@pcsb.org. A written excuse should include the student's name, reason for absence, and parent telephone number. A parent may excuse 5 days in a semester. Further absences cannot be excused without a doctor's note. Absences should be for the following reasons: student illness, family emergency, death in family, medical appointments, and religious holidays.

Note: The Florida Legislature has enacted requirements that schools report to the Department of Highway Safety and Motor Vehicles (DHSMV) the names of students who fail to satisfy the attendance requirements. This refers to students who accumulate 15 unexcused absences (excludes out-of-school suspension) within 90 calendar days. Students who fail to satisfy attendance requirements will be INELIGIBLE for driving privileges.

NEED TO USE THE ELEVATOR?

If you ever need to use the elevator at school, you will need to bring in a doctor's note stating how long the elevator will be required. Before the elevator key is issued the student will have to put down a \$20.00 deposit that will be returned by check in the mail once the key is returned. Elevator keys can be obtained in the bookkeeping office.

DROP-OFF AND PICK-UP PROCEDURES

Thank you to all the parents who are using the Car Line to drop your students off in the morning and to pick them up in the afternoon. Student safety is our number one priority and using this designated area ensures that all students are out of harm's way.

Please **DO NOT** enter the Student Parking Lot or the Faculty Parking Lot to drop off your child. The safe drop-off and pick-up locations are the car circle by Devil's Drive on 27th St. off 5th Ave. as well as 28th St. and 7th Ave. Working together we can keep St. Pete High safe!

CHECK OUT PROCEDURES

Parents requesting early check-out of their student can write a note and the student can go to the Front Office Room 110, that morning to get a Permit to Leave slip. This alleviates any wait time for you when you come to pick up your student. If you call or come in, please understand that we do need time to get your student for you. Please allow at least 30 minutes. This will give the school the opportunity to look up the student's schedule and send for them to meet you in the front office. Parents, it is important that we check the driver's license of anyone picking up your student early from school. This will be done to ensure the safety of your child. After 1:30 pm there will be no permission to leave slips written, due to the time constraints on using the proper method of getting your child from class.
