Timber Creek's Vision: "Together We Will Ensure Success for All Students."

PRINCIPAL'S NOTE

Greetings Timber Creek Wolves,

As we near the end of 2018, I reflect on the amazing year we have had. Not only have our students continue to excel in academics, arts, athletics and extra-curricular activities, but they have continued to represent Timber Creek High School with class. Thank you.

Senior Information:

Graduation will be held May 22, 2019 at 2pm at the Amway Arena and the last day of school for Seniors will be May 15, 2019. Please make sure to follow us on social media at <https://www.facebook.com/Timber-Creek-Seniors-151588538834837/> or on the web at <http://www.tchsseniors.com/>. You can also sign up for updates via text. Just text @tchssr2019 to 81010, then respond with your first and last name.

Back the Pack:

As we get ready for 2019, we are asking for your support. The Timber Creek Stadium is used by hundreds of students taking wellness classes and HOPE during the day. It is home to TC Regiment, Majorettes, Lacrosse, Soccer, Flag-Football, Track & Field and Cheerleading. It is the hub of our community hosting events including Pop-Warner and Relay for Life. Over the past 18 years our stadium has supported thousands of students and community members and now it's time to bring The Den to the next level.

The TCHS Foundation's Back the Pack campaign will allow us to build a new, state-of-the-art, turf field and an upgraded rubberized track. This new field will allow all our teams, classes and community more opportunities to be off the sidelines and on the field. But we can't do it without you. Please visit <https://backthepacktchs.org/> to learn how you become a sponsor or donate a custom amount. Anything you can give gets us one step closer to our goal.

Will you help Back the Pack.

Thank you for your continued support.

Sincerely,

Kelly Paduano, Principal

**TIMBER CREEK REGIMENT HAVING
A FANTASTIC SEASON**

The Timber Creek Regiment has been rehearsing for many long hours since June, preparing their 2018 show, "The One You Feed." They have been rolling out the show at home and away football games.

The Regiment competed at the FMBC Regional competition at Leesburg High School on October 6, 2018. With outstanding performances in both the preliminary and final rounds of competition, the Regiment swept all the categories (Music, Visual, General Effect, Percussion and Color Guard) and won the competition with a score of 86.8!

Just one week later on October 13, 2018, the Regiment followed up that victory with an amazing fifth place overall finish at the Bands of America Orlando Regional competition! This performance is the most significant competitive accomplishment for the Regiment in the past six years. The bands that placed above the Regiment are all nationally-recognized programs. We are so proud our students!

On November 4, 2018, the Regiment earned straight Superior ratings at the District Marching Music Performance Assessment held at University High School in Orlando! This is the 18th consecutive year that the Regiment has earned the state's highest rating for marching music performance achievement.

The Regiment's marching season ended at the final competition on November 17, 2018 at the FMBC State Championships in St. Petersburg, Florida. What a year the program has had!

TIMBER CREEK AFJROTC VETERAN'S DAY CEREMONY

On Friday, November 9, 2018 over 200 cadets and students from social studies classes met at the Performing Arts Center to partake in the Timber Creek AFJROTC Veteran's Day ceremony to honor all service members, living and dead. The Honor Guard Teams performed the POW/MIA table ceremony and Changing of Guard. A ceremony was also done for one of our own, 2007 Timber Creek Alumni, Corporal Patrick David Deans, who died in service for our country in 2011. The Timber Creek AFJROTC also visited Timber Lakes Elementary and Discovery Middle School to perform a Veteran's Day ceremony for the students.

Veteran's Day originated as "Armistice Day" on November 11, 1919, the first anniversary of the end of World War I. Veteran's Day pays tribute to all American veterans, living or dead, but especially gives thanks to living veterans who served their country honorably during war or peacetime. Timber Creek High School
 Kim Dobson • kimberly.dobson@ocps.net

We're thrilled to announce this exciting, community-driven initiative through the Timber Creek High School Foundation to renovate the stadium and track. The plan calls for a state-of-the-art, synthetic-turf field and a rubberized track. We can't do it without you.

With over 3,500 students and actively involved parents, faculty and administrative staff, Timber Creek High School is poised for change. Our student athletes compete in 23 different team sports, including, football, soccer, water polo, track and field, and basketball. Our Wolf Pack pride shines on these student athletes as they are consistently recognized for their academic achievements and high graduation rates.

Since the school was founded in 2001, it has been difficult to find funds to bring our football stadium — up to par with other, newer high schools. Upgraded facilities will not only help Timber Creek athletes better compete with other public and private schools, they will increase student safety — a top priority — and restore community pride. They'll also create opportunities for our school that otherwise would not have been available to us.

Please visit <https://backthepacktchs.org/> to find out how you can “Back the Pack.”
