February 2020

For the Parents, Students and Community of Venice High School

Principal's Message

Dear VHS Families,

The first semester is now behind us and the second semester is well underway. The remaining months of this school year will be very busy for everyone. Our seniors are focused and working towards meeting their goal of graduation in May.

We are rapidly approaching end of course, state testing that begins in early April. All ninth and tenth grade students will take the English/Language Arts portion of the Florida Standards Assessments (FSA). The State of Florida also requires all high school students studying Algebra, Geometry, Biology, and American History to take an end-of-course exam. In May, we will be administering a variety of Advanced Placement and International Baccalaureate exams. Clearly, our students live in a world of "high stakes" testing.

Throughout the month of February, underclassmen will meet with their respective school counselors to select their academic courses for the upcoming school year. You will be pleased to know that Venice High School offers a wide range of academic offerings to meet all our students' needs and interests. These include the latest in accelerated course and program offerings such as our International Baccalaureate Diploma and Career Programmes, Advanced Placement Capstone Diploma Program, and Dual Enrollment courses. Programs like these allow our students to earn college

credits while attending high school and possibly earn Bright Futures Scholarships. We also offer a variety of Career and Technical Education programs that lead to industry certification. I encourage you and your child to consult with our guidance counselors regarding course selections that best align with your child's college and career aspirations.

I must remind everyone of some school policies that we all need to be aware of and comply with. Attendance, tardiness, and dress code are key areas where parents and guardians can help. To ensure a high-level of student success for all our students, I encourage parents and guardians to visit the Parent Portal to check on their student's attendance, grades, and academic progress in their classes. There will be additional information available throughout the school year. Please check the Venice High School website (www.sarasotacountyschools.net/schools/venice) for new and updated information.

I am honored and thankful to be your principal, and I appreciate our collective commitment to ensuring academic success and growth for all students throughout the school year.

Sincerely,
Eric Jackson

Scholarship Deadlines Are Passing!

SENIORS—Scholarship deadlines are passing daily. Almost all scholarships will be due BEFORE APRIL 1st! Visit the Rotary Futures College Resource Center NOW to start the scholarship search and application process. (This is a process for Seniors ONLY.)

Get organized. Most scholarships will need the following:

1. Three (3) letters of recommendation (2 academic and 1 community)
2. Copy of transcript – fill out Transcript Request in Rotary Futures
3. Résumé of school and community involvement, activities and awards.
4. Completed FAFSA (www.FAFSA.gov)
5. Scholarship applications will outline exactly what is needed.

Important Upcoming Scholarship Deadlines:

- Gulf Coast Community Foundation – Due March 4th – Over \$30,000 awarded to VHS Seniors last year! Apply online at www.gulfcoastcf.org/scholarships
- SCF Foundation – Due March 20th – www.scffoundation.net – Must have applied to SCF and have an SCF I.D. number. \$1.6 million awarded last year.
- Selby Foundation – Due March 25th – 40 students are chosen to receive scholarships of up to \$7,000 for 4 years! Apply online at www.selbyfdn.org

There are many more scholarship opportunities. Get started now!

SENIORS MISSED OUT ON \$2 MILLION IN FEDERAL AID!

www.FAFSA.GOV

Last year, over \$2 million was unclaimed by eligible students in Sarasota County who did not complete the FAFSA – Free Application for Federal Student Aid. The information gathered on the FAFSA provides the federal and state government, as well as most postsecondary institutions, with the financial information needed to determine the amount of financial aid that a student is eligible to receive, i.e. Pell Grants, Federal Direct Student Loans, etc. It is very important to complete the FAFSA as soon as possible.

FAFSA IS EASIER! The FAFSA uses “prior prior year” income tax returns, so you will use your 2018 return (which was submitted in April of last year)! You may also be able to link the FAFSA to the IRS and transfer your information.

It's not too late to file! File online NOW at www.FAFSA.GOV Step by step instructions are on the VHS Website > Resources > Venice High Downloads > FAFSA Steps.

BEWARE—Only use the FAFSA.GOV website! Do NOT use FAFSA.com, FAFSA.net, etc.! These are NOT the federal government's websites!!! They will collect your personal information and then charge you a \$70 - \$80 fee for the “free” application.

For help with the FAFSA, contact or stop by the Rotary Futures College Resource Center.

SCF Now Taking Applications!

Seniors—Do NOT delay in applying to State College of Florida (SCF). Applications are currently being accepted. Students must pay a \$20 enrollment deposit, which will be credited to their first semester. Also, SCF scholarships are dependent on your admission and completion of the FAFSA. Apply today at www.SCF.edu

All seniors receiving scholarships will be recognized at Venice High School's Senior Awards Celebration on Thursday, May 14, 2020, at 7:00 pm in the VPAC. COMMUNITY SERVICE HOURS

Complete instructions are available on the VHS website > Resources > Venice High Downloads > Community Service Hours Info. Sheet.

Any student wishing to complete their volunteer hours for the Florida Bright Futures Scholarship MUST complete the ONLINE Sarasota County School District registration process and have the plan approved. Students register online at www.SarasotaCountySchools.net, click on the "Parents & Student" menu at the top of the page, under "Other Resources" follow the link "High School Community Service."

Remember, community service is an excellent way for students to build their resume and obtain valuable experience for college essays and scholarship competitions.

Important information and requirements:

- Do NOT start the registration application until the student knows where they are going to volunteer. The registration application does NOT save and you will be "locked" out if you do not complete the application when you start.
- Each organization/activity must be approved before the student volunteers. Once approved the student will be able to print a unique log sheet at any time. New organizations/activities may be added for approval at any time!
- Don't wait for an approval email (because sometimes the system has problems sending emails). You may log in anytime to see if you have been approved. If you can print out a log sheet, you know you've been approved!
- Students MUST volunteer in the Sarasota County area.
- NO MORE THAN 8 HOURS may be earned each day (due to child labor laws).
- NON-PROFIT and CHURCH RULES: All volunteering must take place with a non-profit organization--exceptions include hospitals and assisted living facilities (enrichment activities only). Church Community Service must be outreach to the entire community--no religious instruction or activities that are part of being a member of the church will count, i.e. no activities during church services.
- Hold on to your log sheets! Log sheets are turned in when at least 75 hours have been accumulated.
- Questions? Go to the Rotary Futures College Resource Center.

JUNIORS—TAKE YOUR SAT and ACT NOW!

SENIOR—IMPROVE TEST SCORES FOR BRIGHT FUTURES!

Seniors—You may test through June 2020 to qualify for the Florida Bright Futures Scholarship program.

Juniors—Do not wait to take your first test until your senior year. Take your SAT and ACT before the end of your junior year. We suggest you take both the SAT and ACT to determine if you score better on one

test than the other. Since you may take these tests multiple times, you will be able to focus on the test you score best. Colleges will accept either test, and they will use the best score—no matter which test. Colleges will not even begin to review your application for admission until they have received your test scores and other required materials.

SAT AND ACT TEST DATES

REGISTER ONLINE

- **SAT:** www.collegeboard.org
\$49.50 + \$15 optional essay
- **ACT:** www.actstudent.org
\$52.00 + \$16.00 optional writing

Optional Essay/Writing tests are not required by Florida colleges and universities, but they may be required by other colleges/universities. Check specific colleges for requirements. The following are the remaining test dates and registration deadlines (without late fees) for the SAT and ACT:

SAT	March 14, 2020	Late fee will apply
ACT	April 4, 2020	Late fee will apply
SAT	May 2, 2020	Deadline – April 3rd
SAT	June 6, 2020	Deadline – May 8th
ACT	June 13, 2020	Deadline – May 8th

Test scores will be posted to your online account about 2-3 weeks after the test dates.

Waivers for test fees are available for students who receive free or reduced lunch. To obtain waivers, go to Rotary Futures.

COLLEGE NIGHT at Venice High

March 3, 2020

State Universities Admissions Presentation, 5:30 – 6:30 pm, VHS Gym
College Fair, 6:00 – 7:30 pm, VHS Cafeteria

Mark your calendar! On **Tuesday, March 3rd**, VHS and Rotary Futures will host the 18th annual South Sarasota County College Night.

At 5:30 pm in the VHS Gym, four of our state universities (USF, UCF, FSU, and UF) will give a COMBINED presentation on their schools' admissions process, news, etc. This is a great opportunity to hear from the 4 state universities our students choose the most. Afterwards, head to the cafeteria to check out the many, many other colleges in attendance.

From 6:00-7:30 pm in the VHS Cafeteria, 65+ colleges, universities, and technical schools from Florida and around the country will be available to students and families. This college fair is open to anyone in the area, and it is MUCH LESS crowded than the county college fair that is held at Robarts Arena in the fall. Last year, 700 students and parents attended! Don't miss the opportunity visit with college representatives here on our own campus.

Pay It Forward

Do you have any of those Christmas gifts/gift cards laying around that you will never use and can't return? If so, we would be glad to take them off your hands.

Each year VHS likes to be able to provide gifts in the form of gift cards or items to some of our less fortunate students. This year we were able to surprise several of our students with a Christmas gift. Our goal is to make it even bigger and better next year. So, we are starting early and asking for your help in hopes to reach our goal for next year.

All donations can be dropped off at the VHS Attendance office in the front office. If you have any questions, feel free to call Christine Pomerleau 941-488-6726. Thank you for your continued support!

Out of Field Assignments

The Florida State Department of Education requires that school districts notify parents/guardians when their children are being instructed by a teacher who is "out-of-field." "Out-of-field" is a term used for teachers who are assigned teaching duties in a class dealing with a subject matter that is outside the field in which the teacher is certified.

The following teachers are teaching out-of-field in certain subject for 2019-2020 school year:

- Dean Ball – German K-12
- Joshua Grant – ESOL (English for Speakers of Other Languages)
- Alexis Harmon – Business Education 6-12
- John Hearon – Drama 6-12
- Courtney Opsatnick – ESOL (English for Speakers of Other Languages)

It is important to note that the district requires "out-of-field" teachers to actively pursue certification requirements.

Cedric Hameed, reading his poetry to the students.

Thanks to a generous grant from the EdExplore/Patterson Foundation, students in the Pre-IB visual arts class have been working on developing shadow puppets and skits with the Florida Studio Theatre. The FST have been in residency with Venice High School for the past six weeks embracing all things theatrical and providing the IB Students to weave through their knowledge of Social Emotional Learning through theatrical play.

Adam, (FST) working with Chris Blow (9th) and Cara Painter (9th)

World Renown artist and poet, Cedric Hameed, came to our school for a short artist-in-residence program, thanks to the sponsorship by the Patterson Foundation. Students in Mrs. Donofrio, Capt. Krom, Mrs. Bizieswki, and Dr. Henson-Dacey's classes went through a 'ME' poem structure with Cedric to form a connection between self-identity with goals (another Social Emotional Learning Activity). The poems/writing and illustrations will be published in an anthology at the end of February for all faculty, staff, parents, and students to enjoy.

The following art students have received scholarship money to continue in the visual arts in college:

- Keanna Jones = \$44,000

Project Graduation

CLASS OF 2020

This year the Class of 2020 will celebrate the 32nd year of Project Graduation events for Venice High School. We are happy to provide a positive, memorable, and safe all-night celebration for Venice High School graduates on the night of graduation, Friday, May 22.

Project Graduation depends on the support and generosity of businesses and individuals in our community. Some of the ways that you can support Project Graduation are with donations of food, prizes, or monetary contributions.

We also need parent volunteers to help in lots of ways – planning the event, helping running concessions at sporting events, fundraising, and help the night of the event.

Volunteers to help run the concession stand during sporting events in the VHS gym are needed! If you are interested in volunteering please let us know.

If you are able to volunteer, would like to donate or would like more information, please contact Lisa at 941-234-6141 or email venicehighprojectgraduation@gmail.com.
