For the Parents, Students and Community of Venice High School

Principal's Message

Dear Families,

Our 2022-2023 school year is moving along. During my visits to several classes, I have seen great learning and instruction. We are about to end our first nine weeks grading period on October 14th. Please visit your parent portal for up to date information regarding your student's grades and attendance. For more information on how to use the parental portal, please visit <https://parentportal.sarasotacountyschools.net/>.

Our sports teams are offering great athletic games and exciting events for our students and community. Our coaches are working hard to mold our student athletes to be competitive and outstanding citizens in the classrooms. To see a complete listing of our upcoming sporting events check out <https://www.sarasotacountyschools.net/Page/3026>.

How about volunteering for Service Saturdays? We invite our entire community to join us on Oct.8th from 9-noon to help beautify our campus. Sign-up is required. Lunch is served! More information is available in this edition of the Pathfinder

VHS truly has something for everyone. If sports are not your thing, how about joining one of our 30+ clubs. Extracurricular activities can add to your students VHS experience by gaining new friends, giving back to their community and having some old fashion fun. A list of our clubs is available at <https://www.sarasotacountyschools.net/Page/3030>.

A final option for getting involved is to check out one of our Performing Arts events. How about the Fall Chorus Concert on Sept. 21st at 7:00? Or the Orchestra Concert on Oct.7th at 6:00? Band Concert on Oct. 12th at 7:00? Or the fall school play "Rumors" the weekend of Nov. 4-6th. All events are in the VPAC and accept donations.

We want every student to graduate on time, college and career ready. Our mission is to create lifelong learners and engaged citizens. If your child needs extra support, please reach out to your student's teacher and/or your student's school counselor for extra help.

Best Regards,
Zoltan Kerestely
Principal

OPERATING HOURS:

Closed Mondays and most school holidays
Open Tuesday – Friday, 8:30am – 3:00 pm

The Rotary Futures College Resource Center is a non-profit, community-based organization that is located in Heritage Hall directly across from the main Administration office. Rotary Futures assists Venice High students with college and technical school decision-making, school admissions applications, résumés, essays, scholarships, financial aid and much more. All services are FREE!

VHS students are welcome to visit at any time during our operating hours. Encourage your children to visit us when they have a free period, lunch, after school, or permission from a classroom teacher.

Welcome to our Venice High's new Career Advisor, Michele Tippman!

Mrs. Tippman will be helping students who are interesting in looking at community colleges, technical schools, military opportunities, and employment/apprenticeships. Over 50% of our graduating class attends community college or pursues technical education and careers. Visit her in the Media Center to get assistance with any of those endeavors.

Community Service is now coordinated by Michele Tippman, NOT Rotary Futures.

Students should turn in community service log sheets to Mrs. Tippman's office in the media center. If you have any community service questions, please contact Michele Tippman at Michele.Tippman@sarasotacountyschools.net

Stay in Touch with Rotary Futures with REMIND!

Sign up for REMIND text messages from the Rotary Futures College Resource Center regarding college admissions, scholarship deadlines, and community service opportunities.

All personal information is kept private. No phone numbers are shared with us. You will receive occasional reminder texts about meetings, application deadlines, and scholarships, etc.

October 1st, 2022: Scholarship Season Kickoff!
FAFSA Federal Aid Application Assistance

The FAFSA (Free Application for Federal Student Aid) opens on October 1st. It is very important for Seniors seeking financial aid for their post-secondary education to complete the FAFSA as soon as possible after October 1st.

- **On Tuesday, October 4th**, we will be hosting a FAFSA Help Night for Senior Families in the Media Center. Stop by between 4:30pm and 7:30pm to receive assistance completing the FAFSA.

Rotary Futures can help Seniors start the FAFSA, and then student can go home to complete the application with their parent(s.) To get started, students must have a Social Security Number (SSN) to complete the FAFSA (but parents are not required to have an SSN.)

Scholarship Database

Rotary Futures has a scholarship database that students can only access in our resource center. After students complete the FAFSA, they can set up an account in our database. It contains roughly 250 scholarships and includes many local scholarship opportunities. It takes students about 15 minutes to create their profile. The database matches specific scholarship opportunities with each student. Kids leave with a printed Scholarship Worksheet that gives them pertinent information to apply for the specific scholarships for which they meet the criteria!

Bright Futures Scholarship Requirements for the Class of 2023

Seniors MUST complete the Florida Financial Aid Application (not to be confused with the FAFSA) **to receive Bright Futures.** Only Seniors may complete the application, and we encourage Seniors to do so ASAP. The application must

be completed so the Senior is in the system to be evaluated. The first evaluation is done in January, and the FINAL evaluation for the scholarship is done in July 2023 after high school graduation. Students have until graduation to meet all requirements. Senior may take the SAT or ACT through June of their Senior year to qualify for Bright Futures.

To complete the Florida Financial Aid Application (Seniors Only,) go to:
floridastudentfinancialaid.org

Under First-Time Applicants, click on Create Student Account. This is only step 1 of the process. After submitting the student account, you must click on a link to finish completing the Florida Financial Aid Application. After submitting the student account, the student will receive an email with their log in and initial password. After submitting the Florida Financial Aid Application, the student will receive an email in 2-3 days with instructions for logging in and tracking their evaluations.

Bright Futures criteria are subject to legislative changes. Check the Bright Futures website for the most up-to-date information: www.floridastudentfinancialaid.org/SSFAD/bf Here is the current Bright Futures test score and community service hours requirements:

Community Service Hours (Rotary Futures no longer coordinates Community Service)

Any student wishing to complete their volunteer hours for the Florida Bright Futures Scholarship MUST complete the ONLINE Sarasota County School District registration process and have the plan approved by the High School Community Service (HSCS) Manager. Mrs. Michele Tippman is the HSCS Manager for Venice High School. Once approved, the student may print out a unique log sheet for EACH organization/activity.

Complete registration instructions are available on the VHS website under Resources > Downloads > “Community Service Hours Info.” Please review Page 2 of this flyer for “What Qualifies as Community Service.” Page 3 and 4 give instructions for submitting the hours (bring to Mrs. Tippman in the media center).

Employment hours now count towards Bright Futures (from June 2022). Students must still request a log sheet and attach their pay stubs to the back of the log sheet. This will be turned in to Mrs. Tippman in the media center.

Remember, volunteering helps students build their resume and obtain valuable experience for college essays and scholarship competitions, too. Questions—contact Michele Tippman at Michele.Tippman@sarasotacounty.k12.fl.us.

Student Accident Insurance

The Reliance Standard Life Insurance Company will insure the voluntary Student Accident Insurance program for 2022-2023. The servicing agent is **School Insurance of Florida, Inc.**, P.O. Box 784268, Winter Garden, FL 34778-4268, telephone number 1-800-432-6915.

The costs of the plans are as follows:

	Basic Plan	Enhanced Plan
School Time Coverage (Includes Sarasota non-football interscholastic sports coverage)	\$ 15.00	\$ 26.00
24 Hour Coverage (Includes non-football interscholastic sports coverage)	\$ 45.00	\$ 88.00
Senior High Football (Includes August tryouts, regular season play and Spring 2023)	\$ 65.00	\$ 95.00
Spring Football Practice only (During FHSAA 2023 sanctioned Spring)	\$ 25.00	\$ 35.00

The program does not require school staff to collect the insurance premiums. Online enrollment is highly recommended, as it provides the capability of printing an ID card as proof of coverage. This is especially helpful for student athletes who need to show proof of coverage before being permitted to participate in any athletic program. If the parent is not able to enroll online, all enrollment forms and premiums are mailed directly to the servicing agent by the parents. Please be sure to read all the enrollment materials you receive, in order to familiarize yourself with the program.

Please remember that injuries to students participating in interscholastic football are not covered under the regular Student Accident Insurance Policy. These student athletes should elect to be covered under the appropriate special policy. If students participating in interscholastic sports do not enroll in one of the Student Accident Insurance plans, they must provide a signed statement from their parents/guardians certifying that the student is covered under a major medical plan and they wish to waive the district offered plan.

Student IDs

As a reminder, all students need to wear their school issued ID while on campus. It may be worn on a lanyard or can be clipped to their collar or belt as long as it is visible to staff. This is an extra measure of security that we have implemented as a school and as a district to ensure that every staff member and student can be identified. Students not wearing their ID will be asked to put it on before entering class, and any student who has forgotten or does not have an ID will be sent to their Admin Suite to check in and pick up a temporary ID for the day.

Students who continue to forget or wear their ID properly may face disciplinary action. If a student loses their ID, they may purchase a new ID card for \$5. They should notify the secretary in their Admin Suite if they need to order a new ID.

Thank you for helping make VHS a safe learning environment for all students and staff!

Art News

Submitted by: Dr. Jackie Henson-Dacey

Students in the IB Visual Arts Program are actively exploring textile designs with loom weaving. As part of their international program they are to explore the expressive potential of variety of media forms, such as photography, drawing, painting, printmaking, sculpture, architecture, and digital design. As they prepare for their final examination/ exhibition written evidence will aid in the understanding and interpretation of their intentions as emerging artists.

Students in Pre-IB Visual Arts are researching art from a wide range of cultural and artistic movements throughout history. They are designing bottles to represent their research and will have their bottles on exhibition in the Heritage Hall showcase.

Ringling College of Art and Design will be visiting campus and showcasing their degree programs on Wednesday, Sept. 14th in Dr. Dacey's room (1-138). Savannah College of Art and Design are scheduled to visit in mid-October. Students will learn about scholarship programs and a variety of degrees offered at their Savannah, Atlanta, and Southern France campuses.
