## A Message From The Chief

We are looking forward to a tremendous school year 2023-24 at Vero Beach High School! Summer is an ideal break and opportunity for reflection on the past school year and to set goals for this coming year.

At VBHS our teachers and staff are actively engaged to consummately improve our instructional practices to inspire student learning. No matter our job title, we are all educators at VBHS, working diligently to provide the best instruction, learning environment, and facility possible for our students and families. Our school supports the goals of our school district, and greater school community as an asset. Our families are proud to say that their child attends VBHS. With great pride in their school, our students are happy and exhibit honorable qualities of respect, tolerance, hard work, and perseverance in all that they do. Working collaboratively, our instructional staff seeks to answer the critical questions of learning and develop learning goals that are strategic, specific, measurable, attainable, results oriented, and time bound, to realize our collective educational aspirations. Together, we are goal oriented, supportive, consistent, and our decisions and actions keep the best interests of our students and stakeholders at heart.

With another incredible and productive school year at hand, we have been spending these summer months in preparation for our student's return. We have been working on improving our campus with some much-needed athletic facility improvements and additions including a newly installed synthetic turf surface in the Citrus Bowl, 6 new beach volleyball courts, a new regulation track and field facility construction will be underway soon, and our weight room has been outfitted with all new equipment. We also have newly painted our interiors of our academic hallways, and our fantastic custodial staff have spent the summer thoroughly cleaning all our facilities. We thank the school district and our community for making these investments in our students.

We invite you to attend our Incoming 9th Grade Parent Night the evening of July 27th as well as orientations by grade level the morning of August 7th. Please see our orientation schedule in this newsletter. It sends a very powerful message when both family and faculty are "on the same page" when it comes to the importance of education. We are happy to see you here on our campuses, and hope you will continue to be frequent visitors to your children's "home away from home." Please know that you are always welcome.

Students will return for this 2023-24 school year on Thursday, August 10th! Please review this newsletter carefully, so that you are adequately prepared for the first days of school. Please make use of our website, [www.vbhs.org](http://www.vbhs.org) for additional and updated information to "stay tuned". I hope you enjoy the last days of summer and return to us in August with renewed energy and enthusiasm for what promises to be another outstanding school year. Together we achieve success at VBHS!

For the VBHS Family,  
Shawn D. O'Keefe  
Principal

## Parking Sticker Sales for 2023-2024 School Year

Parking permit applications must be completely filled out and signed by both student and a parent/guardian. In addition to the two forms, the following must be brought in at the time the application is submitted: Proof of on-line payment, valid driver's license (not a learner's permit), current insurance card, and current vehicle registration.

If all paperwork is not complete and current, you will **NOT** be issued a permit. If you do not have a license yet, but will have a license on or before **October 20, 2023**, you may reserve a parking spot by submitting all other paperwork and making payment. Reserved spots will be held **only until October 27, 2023**. At that time, the spot may be sold to another student and there will be NO refund of the parking fee.

**PARKING IS A PRIVILEGE - No refunds will be given if parking privileges are revoked.**

In addition to the specific parking lot rules contained on the signed Parking Permit Rules authorization form, the following apply to acquire and retain your parking privilege:

- You must maintain a 2.0 or above GPA.
- You must meet and maintain the 90% attendance requirement.
- You must not be on the school's Obligations List.
- A school suspension, 9 or more unexcused absences, or excessive tardies may result in the loss of your parking privilege.
- Leaving campus during the school day without authorization **WILL** result in the loss of your parking privilege.

**Any vehicle parked on campus without a permit or in a spot belonging to another, will be given one written warning. A second offense may result in the vehicle being towed.**

You must come on the date and time specified based upon your end of year unweighted GPA for advance parking selection. If you are unavailable on the assigned date, you may send all documentation with a third party. Keep in mind that the person who represents you will be choosing your parking spot. After the

date assigned, students can get a parking spot from 7:30am to 2pm beginning on July 31st. Once school starts, you can get a parking spot before school, after school, or during lunch only.

## Guidance – Scheduling

We are working on schedules for the 2023-2024 school year and would like to let you know about some exciting opportunities you may qualify for.

1. **Senior Privilege:** If you are an on track with your courses and have a GPA over a 2.3, you are eligible for a period off.
2. **Credit for Work:** If you have a job and maintain your employment throughout the school year, you are eligible for 1 period off for every 5 hours you work. Maximum 2 periods off.
3. **Still need your online course:** You may take a FLVS course from home.
4. **Dual Enrollment courses through IRSC:** You must have a 3.0 GPA and the correct test scores to qualify. You may take your courses at the college and decrease the number of courses you need to take at VBHS. Four college courses equals a full course load.

If you are interested in any of these options, please reach out to your counselor.

Your parent will need to complete the VBHS Nontraditional Contract on FOCUS, we can assist you and complete the form over the phone as well.

## Graduation 2023

We would like to take this opportunity to recognize our students that have joined the military:

- US Coast Guard: Jasmine Clarke, Hayden Cooper, Cole Ventura
- US Marine Corp: Anthony Carvallo, Caroline LeClaire, Noah Rettemnier
- US Air Force: Ryan Hart, David Hollar, Logan Starck
- US Army: Johanna Moreno

Thank you for your decision to serve our country.

Congratulations to all our 2023 graduates!

## Class of 2024

You are about to enter your final year of high school and should be preparing to start the college application process. Most college applications are due no later than November 15. In the fall, you will be meeting with your counselor to assist you throughout the process. There will be a schedule of application and essay workshops sent out the first week of school as well.

Many applications will require a counselor email so that your transcripts and recommendations can be uploaded. We are requesting that all students use the following email address for their college applications this year instead of their individual counselor emails: [dist.vbhs.collegeapp@sdir.onmicrosoft.com](mailto:dist.vbhs.collegeapp@sdir.onmicrosoft.com)

This common email address will provide a streamline approach to monitoring student applications and deadlines. If you have any questions, you may reach out to your student's counselor when they return on July 20 or to Mrs. Wood, Guidance Director.

We are looking forward to the upcoming year and see you soon.
