A MESSAGE FROM THE PRINCIPAL

Hello Lion Family!

It has been a great start to the school year. I welcome many new students and a large 9th grade class with over 300 students. I would like to personally commend our 9th graders on their behavior. It has been a pleasure starting the 19-20 school year with such a positive group of young adults.

At this time students should be well into content and learning with grades reflecting their performance. Parents should be checking Schoology regularly to mentor students with grade monitoring. This year one of our school improvement plan goals is to reduce the number of students ineligible for extra-curricular activities and athletics. We take extreme PRIDE in our achievements outside of the classroom. Before we can build championship teams we must first nurture students who champion learning and academic achievement. We believe that every student should find an activity of interest to participate in while in high school. Engagement in extra-curricular directly correlates with higher academic performance. When parents, students and educators share the responsibility of grade monitoring and management overall student achievement increases. Our teachers have shared Schoology access codes with all their students and many have sent letters home to parents with instructions for access. A good rule of thumb is to check your child's grade every 6-8 school days.

As part of our mission to be strong and unified we value maintaining a culture that is welcoming for our students. Parents are encouraged to be familiar with FCPS Policy 443 and Regulation 400-36 as well as Regulation 400-48. This information can be found on the FCPS webpage under the Board of Education tab in the Policy and Regulation link. Regardless of race, ethnicity, gender, sexual identity, socio-economic stability, community familiarity, disability or academic placement; all students at Walkersville High School are valued and have equitable access to support. Our teachers, counselors and administrators believe every student is to be given an opportunity to be successful in a nurturing environment with fair and consistent expectations for the safety of all who co-exist inside our walls. This too is an area where parents play a major role in school climate. Monitoring your child's use of technology, social media and peer interactions is essential during the adolescent years. Nearly all bullying and harassing cases investigated at the school level root from social media or text communication. Please be familiar with current apps, chat platforms and interactive sites. Parents are welcome to contact a counselor or administrator with questions or to solicit more information on current trends.

Just a few reminders to close out my thoughts for the fall semester. Please make sure students are arriving on time. Students can fail or lose credit in their block 1 class for repetitive late arrivals and time missed unlawful. Thank you for your cooperation in our car-line drop-off each morning. Pulling all the way up to the blue drop off sign increases the number of cars unloading students at one time. This directly impacts traffic and allows for a more consistent flow of cars entering and exiting the front circle. HATS and HOODS are not permitted in school. This tends to be a daily issue with a very small portion of the population. The administration will take disciplinary action for those who continue to defy redirection and FCPS Policy 439. This also applies to students who are not dressing appropriately wearing revealing clothing.

We thank everyone for a wonderful start to the school year. I personally want to thank our Senior Parents for attending the Senior meetings in September. We are excited to lead the Class of 2020 to graduation on June 3rd at Mount Saint Mary's University.

Sincerely,
Tracey K. Kibler

COUNSELING OFFICE SERVICES

- **Transcripts - OFFICIAL transcripts are FREE upon request from current students.** Please allow 24 hours' notice for **transcript only requests**; see Mrs. Cardy in the Counseling Office. There is also no charge if requesting an **electronic transcript** through Naviance. **Please allow two weeks processing time for letters of recommendation. All hard copies of completed correspondence, letters of recommendation, and transcripts are to be picked up from the Counseling Office and must be mailed by the student.**
- **Duplicate Diploma Requests** – There is a \$15.00 fee for a duplicate diploma. Checks should be made payable to and mailed to Frederick County Public Schools (191 East Street, Frederick, MD) to the attention of Debbie Foreman. Include the following information: Full legal name at the time of graduation; school of graduation; year of graduation; current address and phone numbers. Please allow up to 5 weeks for processing.

PROOF OF RESIDENCY

Have you moved? Did you know that whenever you move, you must provide your child's school with a current (within 30 days) proof of residency? This is a Maryland state requirement. Acceptable proof of residency is as follows (only **one** of the following is required):

- Current Lease/Rental Agreement signed by both the landlord and the biological parent/legal guardian the student is residing with. If the lease is in a name of someone other than the biological parent/legal guardian, a Parent Residency Affidavit will also have to be completed in the presence of a notary and provided along with the lease. The Parent Residency Affidavit may be found by going to www.fcps.org, forms, and Student Services Forms.
- Current Utility Bill (gas, electric, water/sewer bill) in the name of the biological parent/legal guardian the student is residing with. If the bill is in a name of someone other than the biological parent/legal guardian, a Parent Residency Affidavit will also have to be completed in the presence of a notary and provided along with the utility bill. The Parent Residency Affidavit may be found by going to www.fcps.org, forms, and Student Services Forms.

*** Please note that we are unable to accept cable, phone, or insurance bills as proof of residency.

ENROLLMENT APPOINTMENTS

Student enrollments are done by appointment only. We do **NOT** do walk-in appointments. Please contact Mrs. Meyer at 240-236-7208 or deanna.meyer@fcps.org if you would like to set up an appointment. Please note that 2019 Walkersville Middle School 8th graders residing in the Walkersville feeder are automatically enrolled as freshmen at Walkersville High School and do not need to be formally enrolled.

TRANSPORTATION

FCPS provides public transportation to/from a student's **residence** only. Transportation to jobs, social meetings, and other non-school events is a parental responsibility. Students may ride only their assigned bus. Inviting friends home on the bus makes it hard for schools and bus drivers to account for students and can cause bus capacity problems. **In an emergency**, principals may approve a parent's request to allow a child to ride another bus (bus drivers will need a note signed by both students' parents and school administration).

HOW TO APPLY TO THE CAREER & TECHNOLOGY CENTER

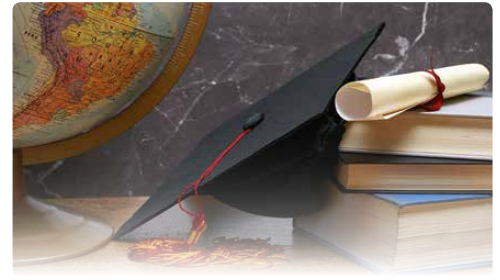

The Career & Technology Center is part of the Frederick County Public Schools System. CTC programs are available in a variety of areas ranging from the traditional vocational areas to college preparatory programs. Students can earn credits as well as industry certifications and licenses. Programs are taught in half-day blocks and students attend WHS for the other half of the day.

Shadowing a program is the first, required step in the application process and is open to students in grades 9-11. **Speak with Mrs. Cardy in the Counseling Office to sign up for shadowing as soon as possible.** The time frame for shadowing begins in November and runs through February. A student may shadow up to two programs. Once you have an appointment, you will be given a permission slip which requires a parent signature and should be returned to Mrs. Cardy in the Counseling Office.

On the day shadowing takes place, you will ride the bus (either AM or PM as designated by CTC) to and from CTC for half of the day. It is very important that you shadow on the date that has been arranged. Absence from school in order to shadow at CTC is excused; however, you will be required to make up the work that you miss.

During the shadowing session, you will receive information on how to complete an application to attend CTC next year. A personal interview and evaluation of your shadowing

We are currently running the Claire's Gourmet Fundraiser. Packets were distributed to juniors and seniors at the class assemblies during the first week of school; please check their backpacks or ask them about it. Please note the important information and dates contained in the letter included in the packet.

We appreciate your support of this fundraiser, as it provides much needed funds for the prom. We want to make this year's Class of 2020 Prom a memorable one. (For those who like to plan ahead, prom will be on Friday, May 1, 2020 at Walker's Overlook from 8-11pm.)

WALKERSVILLE HIGH SCHOOL ATHLETIC BOOSTERS

Welcome back to another great Walkersville school year! We hope your family's transition back into school has been smooth. Our fall athletics are in full swing! If you have the chance come out to support any of our fall sports teams, there are games almost every day of the week. By participating in sports our children are learning valuable life lessons that they will take with them through.

Our Boosters table at Back To School night was a great success! Thanks to all who stopped by and completed their 19-20 membership form. We had **39 members** sign up that night! Membership does have its advantages such as discounts on spirit wear and it is a requirement for the scholarships given out to 6 Seniors in the spring. Congratulations to Caryn Simmons who won the giveaway – a Free engraved brick (\$100 value).

We have big plans this year, from completely overhauling the Athletic department website to creating an online store to purchase spirit wear. Look for more information on that in the next few weeks. Make sure to follow us on Social media where you will find all of the latest sports information (and pictures). We are here to support ALL of our Walkersville athletes by raising additional funds to supplement to school's Athletic budget as well as enrich our teams and facilities. We are in need of a Fundraising coordinator. We would love for you to help. If you are new to our school or just because it's a new school year, please consider volunteering with us, We're ALWAYS looking for great volunteers, there are so many ways to help! If you are interested in Fundraising or any other volunteer position please reach out to our Booster's President, Theresa Church at theresac@c21redwood.com.

Fall BRICK Order deadline is **September 25th**. Form is below, soon you will be able to access it from our website.

Put the name of your family on a brick for \$100. Profits from your donation go directly to fund part of the renovation project. Your inscription must fit into the white boxes below. 1 character per box. Each brick can have a maximum of 15 characters per line. A character is defined as a letter or number, a space or punctuation mark. Please do not use special characters.
