## GO WOLVERINES!!! #WHSLEGACY

### Beliefs

- Students' learning needs are the primary focus of all decisions impacting the work of the school because each student is a valued individual with unique physical, social, emotional, and intellectual needs.
- A safe and physically comfortable environment promotes student learning.
- Teachers, administrators, parents, students, and the community share the responsibility for advancing the school's mission.
- Students learn in different ways and will be provided with a variety of instructional approaches to support their learning styles.
- Cultural diversity can increase students' understanding of different peoples and cultures.
- Students need to not only demonstrate their understanding of essential knowledge and skills but also to be actively involved in solving problems and producing quality work.
- A student's self-esteem is enhanced by positive relationships and mutual respect among and between students and staff.

### Mission Statement

Wellington Community High School seeks to provide a safe environment conducive to promoting lifelong learners and productive citizens who contribute to the community as a whole.

Welcome Back Wolverines!!!! First, I'd like to say CONGRATULATIONS on once again, maintaining that "A" grade. Wellington High School has an incredibly strong tradition of excellence in academics, athletics, the arts, technology, and community service. Our goal for this school year is to not only reinforce all of the skills above, but to help our students do well in their lives beyond school. It is an exciting time in education as we are preparing our students for careers which don't even exist yet. It is a new year with new opportunities. We would like to spend more time incorporating what we learn in the classroom with what we can learn from within our own community: working together with experts to solve real problems together, developing and/or refreshing goals and ambitions. Every child at Wellington High School deserves the best possible education whether it be through our amazing Choice Academies, AICE and AP classes, technological innovations, fine/performing arts, vocational programs, and even "outside the box" alternative programs.

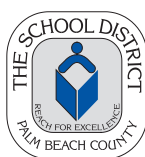

WE cannot do anything above without some proper supports. Once again, we have "refreshed" the systems we have in place. There will be a renewed focus at Wellington High School on "Social Emotional Learning" and support. This will be reinforced through the grand opening of the "Wolverine Wellness Center" where we will house our new WHS Mental Health Counselor/Social Worker, our Licensed Mental Health Counselor and DATA Counselors. We have now included a College and Career Coach to work with our students in preparing mentally and academically for post-secondary education and employment. Our faculty is in the process of becoming Mental Health First Aid trained along with developing and implementing key Social Emotional Learning Activities for the classrooms. In addition, we are continuing our grade level support centers which include an Assistant Principal overseeing the grade level, a Dean of Students, and two school counselors. Please see our website for additional information and Standard Operating Procedures.

While providing additional social and emotional support, you will notice additional security measures in place. We are in the process of securing a single point of entry system for anyone who wishes to step on Wellington High School Campus. Additional gates have been installed to close gaps on the campus along with increased security measures and supervision staff to keep your child safe and secure while they are on our campus. We ask that you take a moment to download the "Fortify Florida App" on your phones in order to ensure you and your children feel comfortable "Saying Something When You See Something." All reports immediately notify school officials, local law enforcement, and state officials about suspicious activity.

We need your help! Help us build our school spirit. I want to encourage you to come out and support our Wolverines in all areas beyond homework! We welcome you at all of our sporting events, shows, and special activities to support all our students have to offer. Our children are so incredibly talented; we must

## School Advisory Council (SAC)

By Daniel Stetschulte

Wellington High School welcomes your involvement on our School Advisory Council (SAC). SAC is an essential line of communication between school staff, parents, students, and community liaisons. The SAC serves as a mechanism for participatory management and shared decision-making. The primary goal of SAC is to improve the education for all students. SAC members help establish educational priorities, assess school needs, and identify resources to meet those needs. SAC decisions are instrumental to the educational experience to students at WHS.

We encourage you to commit to attend SAC meetings on the third Tuesday of each month of the school year at 7:00pm in the Principal's Conference Room in the main office. The first meeting will be held on August 20th in the Media Center. Check edline for future monthly meeting dates. Please contact Daniel Stechschulte for more information at [Daniel.Stechschulte@palmbeachschools.org](mailto:Daniel.Stechschulte@palmbeachschools.org).

## Business Partners

By: Dr. Eric Moore

Wellington Community High School is dedicated to providing quality education for our students and preparing them to meet the challenges of the future. We believe that your involvement in our school will help us realize that goal. We would like to invite you to become one of our Business Partners.

We want the partnership to be mutually beneficial. Through your involvement, you will help prepare the future work force so you reap the benefits of having well-trained employees when today's students enter the world of work. In addition, Business Partners gain a positive image in the community as supporters of education. If you would like to support Wellington Community High School and become a business partner please contact Eric Moore by email at [eric.moore@palmbeachschools.org](mailto:eric.moore@palmbeachschools.org). ## School-Wide Positive Behavior Support

We have implemented two positive behavior programs at Wellington Community High School: Wellington Way and Character Counts. Students are being recognized for the positive choices they are making while they are on campus. Please make sure your child is following our Universal Guidelines every day they are on campus.

## Student Dropoff And Pickup

Parents will be permitted to drop students off and pick up in the faculty parking area in front of the school. Please pull forward to allow more students to be drop off. During pick-up, do not block cars, pull forward and be ready for pick up and go. If your student is not ready for pick up, please go around, thank you!

## Driving Privilege

Students between the ages of 14 and 18 who have accumulated 15 unexcused absences within a period of 90 calendar days and failed to satisfy attendance requirements will be ineligible for the State of Florida driving privilege. Drivers' licenses will be suspended or not issued to students with 15 or more unexcused absences.

## Student Attendance

Wellington High School's philosophy is that school attendance is essential to student learning. Absenteeism, excused or unexcused, regardless of the reason, negatively affects the continuity of the learning process.

A student is considered absent when he/she misses 50% or more of the class period. To excuse an absence, students must bring their excuse note to the **Grade Level Support Center** between 7:00 AM and 7:22 AM following the absence. **Faxes and phone calls will not be accepted. Grade Level Support Center** will not accept notes after 7:22 AM to avoid tardiness to class. There will be no exceptions. Students who do not have a 1st period must bring their excuse note to the **Grade Level Support Center** prior to the start of their first class following the absence.

The following information is to be included on notes from parents.

- Printed First and Last Name of the Student
- Student Identification Number
- Dates missed including specific periods
- Reason for absence (see note below)
- Telephone Number for Parent/Guardian
- Parent/Guardian Signature

**Per state law and district policy, students who accumulate more than 10% of absences per semester, will be required to pass the semester exam in order to receive credit for the course. Also, a student between the ages of 14 and 18 who accumulates 15 unexcused absences will have his/her driver's license suspended by the Department of Highway Safety and Motor Vehicles.**

## Parent Alert

Please double check that your child has not blocked the school phone number from your home number. On a number of occasions where an emergency required us to make a quick parental contact, we were unable to provide this service to you.

## AICE Program Continues to Grow

Wellington High School's AICE program has grown enormously from its original two courses to a full AICE Diploma program. Over two hundred 2018 seniors graduated with the AICE diploma and 80 students from 2017 were Cambridge Scholar Awards. For the 2019 school year, 3300 exams were administered, and 355 students applied for the AICE Diploma.

Beginning in 2017, students must earn seven credits to qualify for the AICE Diploma and that seventh credit must be Global Perspectives. As a result, the Global Perspectives course continues to gain numbers. We currently have two sections of A Level Global Perspectives filled, along with nine sections of AS Global Perspectives.

The AICE Diploma is an excellent move toward securing financing for Florida public universities. Currently, students who earn an AICE diploma (based on AICE exams taken and passed prior to high school graduation), complete the community service requirement, and submit their *Florida Financial Aid Applications* will earn the Florida Academic Scholars award. The AICE Diploma currently negates the G.P.A. and S.A.T./A.C.T. requirements for Bright Futures and also waives the state's Physical Education and online course requirements.

The AICE program also provides students an advantage in the college application process. Universities and employers worldwide recognize Cambridge qualifications. In particular, Cambridge International AS and A Level qualifications are recognized by universities as proof of the student's ability to enter a degree course—and in all Florida public universities, Cambridge qualifications earn advanced college credit.

Most importantly, students enjoy learning with Cambridge. Syllabi—which describe what students must learn in order to gain the qualification—are well-structured, engaging and up-to-date, motivating students to learn and to apply their knowledge. Syllabi are also flexible. Students may choose the subjects that suit them. Teachers can adapt the content to their local context, making study more relevant and interesting.

AICE courses exist for all students, not just the Diploma candidates. If you would like to learn more about the program, you may access the Wellington High School's AICE website (<http://wchsaice.weebly.com>) or the University of Cambridge's CIE website (<http://www.cie.org.uk>) for more information. For additional questions, please contact Mierka Drucker, the new AICE Coordinator, at [mierka.drucker@palmbeachschools.org](mailto:mierka.drucker@palmbeachschools.org) or call (561) 753-9412.

## Parent Volunteer Opportunities

The Parent Volunteer Opportunities program provides a mechanism for parents to be actively involved in the center environment and a way to become more familiar with procedures and activities while enhancing and enjoying the fellowship of children and staff. On-line registration is available in the main office. Make sure you sign-in and sign-out to earn volunteer hours for the Palm Beach County Gold, Silver and Five-Star School Award.

### PARENT INVOLVEMENT

Research shows that children are more successful when their parents are involved in their classroom experience. Volunteering in your child's class is one way to help meet this goal. Please take the time to determine where you would like to volunteer this year. Your time and efforts will be well spent while enriching the children's learning experience.

### CLASSROOM AND PROJECT VOLUNTEER OPPORTUNITIES

If you can spare ANY time to offer assistance to our huge operation here at Wellington High School, call 561-795-4901. There is always a need, (e.g. Parents Assisting Teachers (PAT), parent copying materials, communications, packet assembly, event volunteers, etc..) Your response and offer to help would be greatly appreciated.

## Obligations, Books, Loan, Trust Responsibility

Wellington High School is committed to providing each student with necessary materials and textbooks. Materials and textbooks are on loan from the school and must be returned or replaced at the end of the term or school year. It is the responsibility of the student and parent/guardian to replace an item if it is lost, misplaced, or stolen. In some cases, an obligation will be applied if an item is damaged. When a student has an obligation to the school, the student will not be permitted to participate in any extra-curricular activity (i.e. tryouts, athletics, clubs, honor societies, performances, prom, homecoming, etc.). In addition, seniors will not be permitted to participate in any senior activities or the graduation ceremony with an outstanding obligation. If a student locates a book or item that had previously been reported lost and for which restitution was made, the school will issue a refund if the student produces a receipt for money paid. Refunds are issued by the bookkeeper. Obligations may be paid in the front office during lunch.

## Dress Code

The dress code is in effect for the entire school day. This also applies to students who are dismissed earlier in the day and who return to the campus.

Students must dress in a manner that would not constitute a disruption or distraction in the school, create a safety hazard, or exhibit impropriety. Parents, we need your help in checking your child's dress before he/she leaves for school. At WHS we support "dressing for success" and implement our policy on a daily basis.

1. Shorts, skirts or dresses must reach to at least mid-thigh.
2. Shirts, tops, dresses must have sleeves, unless a top with sleeves is worn underneath.
3. Shorts and pants must be secured at the waist and must remain at the waist.
4. Shirts and tops must be long enough to overlap the shorts, pants, or skirt. Tops that expose cleavage or the midriff are not permitted.
5. Undergarments must not be visible at anytime.
6. **Holes, rips, tears, cuts or slits in tops or bottoms are not permitted above mid-thigh.**
7. See through, sheer or mesh clothing is not permitted.
8. Pajamas/sleepwear, bedroom slippers, and swimwear are not permitted.
9. Items of clothing or jewelry that display signs, symbols, slogans, etc. that relate to racism, profanity, weapons, guns, drugs, tobacco, alcohol, nudity, sexual activity, or gangs are not permitted (example: alcoholic beverage T-shirts). Items that could cause a disruption of the learning environment are not permitted on campus (example: rebel flag).
10. Simultaneously wearing 2 items that do not meet dress code is not considered to be in compliance with the dress code. Example: a too short skirt worn with tights is not acceptable.
11. Accessory items that could cause injury to the wearer or to another student, or that could cause damage to school property, are not permitted. Examples: dog chains, spiked collars or wrist bands, and wallet chains.
12. Tight or form fitting pants may only be worn with a cover up that reaches to at least mid-thigh.
13. **Hats may only be worn if outside in PE class. All other head gear/dress/wear is not permitted.**

If a student is reported to the Grade Level Support Center with a dress code violation, the student will receive a discipline infraction via the pocket tracker.

Parents may bring an appropriate change of clothes in a timely manner, taking with them the objectionable attire or students will be provided an appropriate change of clothes. Students are responsible for returning the school provided change of clothes to their Grade Level Support Center to avoid being placed on obligation for the full replacement cost of unreturned items. Any item deemed to disrupt the "learning environment" on campus will be confiscated and returned only to the parent. These items cannot be visible or used any time during the school day.

## WELCOME TO GRADE LEVEL SUPPORT CENTERS FOR 9TH & 10TH GRADERS AND ALPHABETICAL SERVICE FOR OUR 11TH & 12TH GRADERS!!

This year we had an excellent year assisting our Wellington community through student support centers and will continue with grade specific support centers for 9th and 10th grades. The assistant principals, deans, and counselors at both grade levels will work tirelessly to ensure that all underclassmen are graduation ready as they head into each new year.

As we continue to hone our student support services, we welcome alpha breakdown in grades 11th & 12th to provide a 2-year seamless, knowledgeable advising process for all. Students and parents will walk through the 2-year post-secondary preparation process from beginning to end with a single counselor beginning the junior year. Additionally, Ms. Jenine Ikeler will serve as our senior CAP (College Admission Process) Advisor. She will work directly with all senior students and parents as they navigate the college, scholarship, and financial aid application processes, as well as offer workshops and informational sessions throughout the fall.

We are excited about the enhancements and know that the needs of our students, parents, and faculty will be more readily met in the coming year. We want to celebrate the success of our grade-level student support centers and thank the students and parents for working with us as we identify the best way to meet the academic, social, and emotional needs of our students.

### STUDENT SCHEDULES

Students are to report to their 1st period class the first day of school. **IMPORTANT** - An alphabetical listing of all students' 1st periods will be posted throughout the campus on the first day of school. Students will be directed to their 1st period of the day and receive their permanent schedule.

### SCHEDULE CHANGES

Schedule changes cannot be made on the first day of school as ALL counselors are still registering new students. Students must follow the schedule given to them in 1st period on the first day of school. If a schedule is not available in 1st period, the student is to report to the media center. If a student does not have a 1st or 2nd period class due to FLVS, senior/junior privilege, or dual enrollment, their schedule will be in the media center. Students who require a schedule change because credit in a given course has already been earned, a prerequisite to a course has not been taken, or a student is missing a period, they will complete a schedule change request form, and their counselor will call them as received.

If you have requested an FLVS course and need a counselor's approval, counselors will be monitoring FLVS requests regularly.

**IMPORTANT: No schedule changes will be made until after the 11-day count of school.**

### SENIOR YEAR

School counselors will be visiting senior English classrooms to disseminate new information pertaining to the college application process. By September, seniors should have identified their 3 to 4 top college application choices, drafted their resume reflecting all academic, athletic, and extra-curricular activities and begun working on each college's application requirements. If an application requires teacher or counselor recommendations, please give the counselor a copy of your resume and allow two weeks for the recommendation to be written. Do not send a recommendation letter to the college if it is not required. **NOTE:**

Florida's public universities DO NOT require letters of recommendation. Remember to follow the application directions closely and do not send information that is not requested. It will slow down the application process at the college campus. Applications for the college's upcoming freshmen class are usually online by July/August.
