

WOLVERINE WATCH

For the Parents, Staff, and Students of Wellington High School

Volume 22 / Issue 2

January 2024

BELIEFS

- ◆ Students' learning needs are the primary focus of all decisions impacting the work of the school because each student is a valued individual with unique physical, social, emotional, and intellectual needs.
- ◆ A safe and physically comfortable environment promotes student learning.
- ◆ Teachers, administrators, parents, students, and the community share the responsibility for advancing the school's mission.
- ◆ Students learn in different ways and will be provided with a variety of instructional approaches to support their learning styles.
- ◆ Cultural diversity can increase students' understanding of different peoples and cultures.
- ◆ Students need to not only demonstrate their understanding of essential knowledge and skills but also to be actively involved in solving problems and producing quality work.
- ◆ A student's self-esteem is enhanced by positive relationships and mutual respect among and between students & staff.

MISSION STATEMENT

Wellington Community High School seeks to provide a safe environment conducive to promoting lifelong learners and productive citizens who contribute to the community as a whole.

BAND

The Wellington High School Bands have had an outstanding semester, with many group and individual achievements to recognize.

Our 'Mighty Wolverine Sound' Marching Band earned the school's 29th Superior rating at the Florida Bandmasters Association District Marching Assessment, held at Palm Beach Central HS on October 21st. The band earned all "A" grades and Superior ratings in every judged category. This achievement is remarkable considering the many weather challenges we experienced!

We also have a long list of individual musician achievements:

- Seniors Jordan Henry, Ezra Seelaus and Tobias Smith were selected for the Tri-State Honor Bands, which performed at Florida State University on December 3rd and featured the top band students from Florida, Georgia, and Alabama.
- Ezra, Tobias, and junior Jacob Guest were selected by audition for the Palm Beach All-County Jazz Bands, earning placement ahead of several arts school students; they performed with the top jazz musicians of Palm Beach County on November 16, and all 3 were featured soloists with their respective bands.
- Ezra and Tobias have been selected again by audition for the 2024 Florida All-State Bands, competing against the best high school musicians in the state. Tobias will perform as 1st chair bass clarinet again with the 11-12 Symphonic Band, and Ezra returns for his second year as lead trumpet in the All-State High School Jazz Band.
- Sophomore Miriam Smith was selected for the University of Miami Honor Band, and will perform with top high school musicians from South Florida on January 27
- Ezra was selected via application and audition as the national YoungArts winner on Jazz Trumpet by the National Foundation for the Advancement of Artists; he earned a cash prize and the opportunity to be mentored by internationally recognized leaders in his field of study
- On December 5th, Wellington High School had 11 students selected for the All-County Bands. Congratulations to seniors Lion Alviar, Daniella Belleus, Isabella Sanchez, Ezra Seelaus, and Tobias Smith; juniors Natalie Estima, Pharline John, and Eleanor Wunsch; and sophomores Janaya Ackermann and Miriam Smith, and freshman Addison Garcia. These students will perform in concert with most outstanding band musicians of Palm Beach County on January 25th.

To support the WHS Band's annual expenses, the Wolverine Band Boosters Association has a Corporate Sponsorship Program. Donations of \$500 annually include a Sponsorship Banner display on the front school fences, and donations are tax-deductible to the extent allowable by law. We thank our current corporate sponsors **Weasel Farms LLC, Pet Supplies Plus, Atlantic T's, and M&M Drywall Textures**. For more information and a sponsorship form, please visit our web site, www.whsband.com, or email sponsorship@whsband.com.

The WHS Band members and staff sincerely thank the entire Wellington community for its continued support, and wish everyone a Happy New Year! Please look for our upcoming performances on our website, www.whsband.com.

We have implemented two positive behavior programs at Wellington Community High School: Wellington Way and Character Counts. Students are being recognized for the positive choices they are making while they are on campus. The following students have been nominated for a PBIS award so far this school year. Please make sure your child is following our Universal Guidelines every day they are on campus.

TO ALL IN THE WORLD

Written by: Isabella Sanchez-Vizcaino

I hope everyone in the world will follow this advice:

1. Embrace the symphony of life; let every note, both sweet and dissonant, shape the melody that defines your existence.
2. Seek the treasure of knowledge, for in its pursuit, you'll uncover the gems that adorn the crown of wisdom.
3. Be a gardener of relationships; cultivate them with care, water them with understanding, and let the sunshine of empathy nurture their growth.
4. Dance with resilience in the face of adversity, for life's rhythm may change, but your graceful steps will guide you through any tempest.
5. Unveil the canvas of your dreams, and paint with the vibrant hues of passion, creating a masterpiece that reflects the essence of your soul.
6. Illuminate the world with your kindness, a beacon that disperses the shadows of doubt and brings warmth to the hearts of those around you.
7. Embrace change as a constant companion, for in its ebb and flow, you'll discover the rivers of self-discovery leading to uncharted shores.
8. Craft your legacy not in the pursuit of perfection but in the genuine expression of your authentic self, flaws and all.
9. Silence can be a powerful symphony; listen intently, not only to the spoken words but also to the unspoken whispers of the heart.
10. Stand as a lighthouse in storms, guiding others with the unwavering light of your principles, and in doing so, find your own path illuminated.

FEES AND FINES

Parents and students, please make sure you are frequently checking in SIS for fees and fines that may be owed. Every student on campus is required to have an ID with the appropriate grade level lanyard visible around their necks at all times while on campus for safety and security reasons. If a student does not have theirs, they are required to purchase another. The cost adds up! Parents, please talk with your student about the importance of having their ID and lanyard and, also, checking periodically for any obligations they may have. Remember... students may not participate in extracurricular activities when they have outstanding fees and fines. Thank you! If you have any questions about fees and fines, please reach out to cindy.arkenbout@palmbeachschools.org.

HOSA

With the start of the club in 2021, Wellington High School's chapter of Future Health Professionals—more commonly recognized as the national organization HOSA—has been making a huge impact on the student body and community! Created with the intention of gathering students with similar

career ideals and paths, HOSA has been a guiding beam of light for students who want medical experience before their professions. During this year, members have participated in wound care labs as well as patient assessment labs, with the help of Instructor T. Collaborating with the Fire Academy Instructor is a big step for HOSA, as students get practical advice during their first aid activities and learn on how to improve for their future careers. Besides hands-on labs, HOSA students participate in small groups to interact with other students of similar interests and discuss activities to educate the rest of the club, as well as the student body. Our November's group field focus was Medical, and they planned out a diabetes awareness activity. This was done by handing out ribbons and educating students on the different types of diabetes and its prevalence in our society. The Medical Group also put together a baby supply drive to donate to our local hospital, Wellington Regional, and show some thanks to the community before Thanksgiving. Over 50 items were donated and given to new mothers in the maternity ward! Aside from those activities, HOSA did have its 3rd annual Pink Pumpkin Fundraiser! Pink Pumpkin is a tradition done to raise money during the month of October for breast cancer research, and is always a big hit at our school. Now for December, students are putting together a snowman sale to spread some holiday spirit, and fundraise to help those with HIV enjoy the holidays with their families as well! As you can see, our HOSA students work very hard on what they're passionate about, and they couldn't do it without the help of their club advisors Ms. Mendez and Instructor T! We hope you look forward to the activities they have planned for the next semester, as the two most notable ones are the blood drives happening January 24th and March 28th. During these we collaborate with the organization One Blood, and all donated blood goes to those in need at local hospitals so please donate if you're 16 years or older. For our other surprise activities, participate when you see them, and consider joining the club next year to make an impact on your school and community!
