Issue 3

PRINCIPAL'S MESSAGE

Dear Wolves' Families,

Happy New Year and welcome to the second semester. Teachers and students have been very focused on their academic courses where teachers are giving many opportunities for the students to meet the standards in all academic areas.

Testing is right around the corner. Students will take a variety of tests this year to show proficiency in a course or to meet graduation requirements. Please review the school website and stay abreast of all testing information. We will keep you informed closer to time regarding detailed testing information.

Please encourage your students to focus on the outstanding teaching and learning that is taking place to prepare them for these exams.

Encourage your students to take advantage of the many tutoring opportunities we have before school, during lunch, and after school. We also will continue to offer several EOC camps for additional assistance in these areas. Stay tuned.

Please continue to watch the calendar of events and our DHS website (dhsolves.com) to stay informed of the many activities taking place on the Deltona campus.

Did you know:

- Improved school grade from a C to a B (largest improvement in all Volusia County High Schools)
- Improved our graduation rate with a 7.2% increase (largest increase of all Volusia County High Schools)
- Recognized as Five Star School for the 2017-2018 school year.
- Recognized as "The School of Excellence" by the DeLand Chamber of Commerce/Orange City Alliance.
- And many other school and student recognitions! We are truly "on our way to an A"!
- I hope to see you at our remaining SAC meetings on February 19th, March 12th, or April 16th @ 6:00 in the Learning Commons.

Until next time.....Go Wolves!

THE LEARNING COMMONS @ DELTONA HIGH SCHOOL

"A place with a space for every learner."

What's NEW! JSTOR

We recently added JSTOR to our collection of digital resources. This digital library provides our students access to scholarly content, (i.e. Peer reviewed articles, pamphlets, etc.). This collection is usually reserved for Colleges and Universities. Students needing to access authoritative information for research-based projects now have one more viable resource.

Logging into JSTOR will be automatic when you are accessing it on campus. However, you will need log in information to access it off campus. See Mrs. O'Brien. We are currently working on having it added to the Student VPortal.

Racing to Read!

Daytona International Speedway offers our Volusia County School students an opportunity to attend pre-selected races during Speed Week with the "Racing to Read" program. Last year 3,219 students participated. This year we want to help the Speedway meet and/or exceed the 4,000 participating student mark. To be eligible students must read 500 or more pages before January 25, 2019. Reading needs to be verified by a **Race to Read** Literacy agent, (e.g. Reading, English, or Media Specialist). Selected teachers will distribute the program materials in their respective classes or you can see Mrs. O'Brien if you're interested.

As an incentive, students are invited to join the Paws2Read Book Club every Friday during the month of January. Join our Book Chats, share what you're reading; check out more books; win some books; join the race.

Learning Commons is now OPEN during Lunch

If you're looking for a quiet space to read and study; a space to work on group projects; finish your assignments; gather your thoughts for the afternoon or catch up with friends...then consider visiting the Learning Commons. Every Wolf has a space in this place. Be you, but be considerate. Noise level needs to be appropriate; food and drinks are not permitted without permission from administration or approved by a supervising teacher. Most spaces are open, but at times reserved for clubs or scheduled activities. Want to learn more about the Learning Commons, visit our website: <https://dhs wolveslearningcommons.weebly.com>.

Seniors, consider visiting the Learning Commons to work on scholarship or college applications, essays, or use the time to do the research. Study for the ACT or the SAT in a designated space.

See you in the Commons!

Thanks,
Mrs. O'Brien, Media Teacher

DELTONA HIGH PRESCHOOL

If you are interested in working with young children or being a teacher for preschoolers then you want to sign up for the Early Childhood Education program. You can have the opportunity to work with preschool children during your class period and earn certification to work in a child care center. You need to be entering sophomore or junior year, have a 2.0 GPA or higher, good attendance and discipline record to enroll. First you need to fill out a program application. These can be found in building 19-4 or picked up from the guidance desk. Please return completed applications by Feb 8th to Mrs. Dickinson in 19-4 or the guidance desk. Applications will be checked and have approval ready for your spring registration with your guidance counselor.

Also we are taking information for children to be added to preschool enrollment for Fall 2019. Children need to be 3 years old by September 1st. Contact Mrs. Dickinson at 575-4153 x 44075-with Parent Name, Child Name, Child's DOB and a contact number so that child can be placed on waiting list for contact in May. She can answer any further questions at that time.

FFA NEWS

National FFA Week is February 18-23. The Deltona Sr. FFA will be celebrating with our members each day as well as attending the State FFA on the Hill Legislative Day during this week. This is a busy time for our chapter as students complete scholarship applications, State and American Degrees and many of our Career Development Event competitions. During the spring, students will represent our school for livestock judging, parliamentary procedure, vet assisting, agricultural sales, ornamental horticultural demonstrations and more. Good Luck with Spring Competitions!

SOFTBALL TRY-OUTS

Softball Try-outs for 2019 season will be January 22, 23, and 24, 2019 after school. Please make sure all necessary paperwork is turned in to Coach Ingram. Any questions see Coach Ingram in the PE Dept.
