# PRINCIPAL'S MESSAGE

Dear Winter Springs High School Students and Parents:

Summer is almost over believe it or not, and the 2021-2022 school year is here. In August, we will welcome around 2000 students back to Winter Springs High School. This summer has been a busy one with a lot of new hiring, many facility projects, and a lot of hard work. I would like to say "Thank you" yet again to our facilities crew who is working hard to prepare our campus for the 2021-22 school year. We can't wait for the new school year to begin!

As always, my communication to parents and the community will be divided into sections.

## WSHS CONTINUES CAREER & TECH EDUCATION PROGRAMS FOR 2021-2022 SCHOOL YEAR

Over the summer, Winter Springs High School has been transforming a Public Service Academy classroom into a “mock” Emergency Management Center. This will allow the students to acquire real life experience that they can use in college and as they pursue a career in public service. The Emergency Planning and Response program offers students the opportunity to gain hands-on skills in the Emergency Management Center and work towards the obtainment of the 911 Public Safety Tele Communicator Certification. The students enrolled in this program will have unique opportunities from CPR certifications to field trips to different public service entities.
