Red Apple Dining Update

We would like to keep SCPS families updated about some important changes for the upcoming 2022-2023 school year. The federal waiver allowing all students to eat breakfast and lunch at no charge, has expired. We encourage families who need assistance to complete an application for meal benefits. Free and reduced-price meal applications for the 2022-2023 school year will be available starting July 18. Online applications can be completed on SCPSMealApp.com.

Families who have not applied for meal benefits for the 2022-2023 school year can expect to resume paying the full price for campus dining meals beginning August 10. The federal government requires an application to be completed each year to determine eligibility.

Red Apple Dining's mission is to nourish and enrich the lives of their guests through an exceptional dining experience. Delicious, high-quality meals are prepared fresh daily in our campus restaurants. With multiple entrée options available, there is something for everyone.

We invite you to "experience the difference" at your campus restaurant this upcoming school year. Keep an eye on your inbox, as additional information will be sent in the coming weeks. We look forward to serving your family. Please visit www.redappledining.com or call 407-320-0226 for more information. Follow us on Facebook and Twitter (@RedAppleDining).

WSHS Student Check Out (No Phone Call Outs)

We will no longer allow a parent/guardian to call the front office to check out a student out from Winter Springs High School. Students will only be able to be dismissed from campus during the school day if a parent/guardian shows up at the school and shows appropriate identification that will be matched with the information we have in Skyward. Any exceptions to this procedure MUST be cleared by and through Mr. Gaffney, Principal. We wanted to send this message out early in the summer for all families to make the appropriate adjustments with appointments and schedules. Please feel free to contact me with any questions at peter_gaffney@scps.k12.fl.us.

WSHS Business Partners – WE NEED YOU!

Partners in Education (PIE) is a broad-based program which promotes business involvement in our schools. It is an exchange of human resources between a business and a school involving internships, tutoring, classroom presentations, job shadowing, student and or teacher recognition, field trips, student work displays, student competition judging, apprenticeships, or a customized program designed by a company and the partner school. The focus of this program is to create ongoing connections and relationships with partners who can share their experience and resources with our students. As well as providing our students with access to more opportunities that support their social and physical growth throughout the educational process.

2022-2023 SCPS School Calendars

Under student calendars tab you have access to a text, block and iCalendar version of the need-to-know dates surrounding your child's academic schedule. These calendars serve to keep you informed on important dates regarding school holidays, breaks, early dismissals and more. We encourage you to utilize these resources to stay engaged in everything we have to offer our students here at SCPS.

It will also help cut foot down on traffic into the front office and save parents from driving back and forth to get all required paperwork and signatures submitted.
